STATE OF TEXAS	§	**323RD DISTRICT COURT CONTRACT**
	§	**FOR JUVENILE FORENSIC**
	§	**ASSESSMENT SERVICES WITH**
COUNTY OF TARRANT	§	**DFW Mental Healthcare Services, PLLC**

BACKGROUND

This Contract for services is between **Tarrant County, Texas**, hereinafter referred to as ("COUNTY"), and **DFW Mental Healthcare Services, PLLC**, hereinafter referred to as ("PROVIDER"), for the provision of **Juvenile Forensic Assessment Services**. The Commissioners Court finds that this Contract serves a public purpose for the provision of providing forensic assessment services for clients supervised by Tarrant Juvenile Services and/or under jurisdiction of the 323rd District Court.

CONTRACT FOR SERVICES

1 SCOPE OF SERVICES

PROVIDER agrees to the following:

1.1 Provide all services as described in the accepted proposal (incorporated by reference) under RFQ 2023-141.

1.2 PROVIDER agrees to conduct the following assessments for COUNTY:

1.2.1 Standard Evaluation

1.2.2 Bilingual Evaluations

1.3 The Standard Psychological Evaluation should provide information about a youth's diagnosis, treatment needs and/or level of intellectual functioning. Given the prevalence of adverse childhood experiences, substance abuse, and learning difficulties contributing to emotional and behavioral issues among the juvenile justice population, these domains should be thoroughly assessed. The results of the evaluation are needed to assist in disposition decisions by the court or in case planning in order to provide the most appropriate interventions available while the youth is being served by the probation department. This type of evaluation should not include inquiry or discussion of any pending offenses with the youth. In order to answer the referral question, the psychological evaluation will typically need to include the following:

1.3.1 Clinical interview with youth;

1.3.2 Clinical interview with parent/guardian

1.3.3 Collateral contacts where possible (e.g., contact with therapists or probation officers, etc.);

1.3.4 Comprehensive assessment of intellectual abilities (e.g., WISC-V or RIAS-2));

1.3.5 Estimate of academic achievement (e.g., WRAT-4 including all subtests);

1.3.6 Personality assessment and problem-specific measures, as appropriate;

1.3.7 DSM-5 diagnostic formulation, including any substance abuse diagnoses;

1.3.8 Treatment recommendations including the recommended type of treatment and most appropriate level of care (e.g., outpatient, residential, etc..) as well as prognosis (including identification of any individual or systemic issues that may impact treatment planning, as well as recommendations to address potential barriers to treatment); and

1.3.9 If the youth has a history of arson, the evaluation should also include an opinion on the youth's propensity for future fire-setting as well as an explanation of the basis for the opinion.

1.4 Specialized evaluations require specialized skills or credentials of the evaluator as well as often requiring variations in the assessment procedures or use of specialized assessment tools. It is expected that clinicians will address the specific referral questions according to current professional standards of practice.

1.4.1 Fitness to Proceed Evaluations – The purpose of evaluation is to determine if the child has a mental illness or intellectual disability that interferes with his/her "capacity to understand the proceeding in juvenile court or to assist in the child's own defense" (Texas Family Code §55.31). Evaluations must consider relevant factors required in Texas Family Code 55.31 (d) and report must comply with requirements in 55.31 (e). Traditional assessment measures may be needed to establish diagnoses but will not be sufficient to answer the specific forensic question;

1.4.2 Lack of Responsibility for Conduct – Evaluation is to determine if, at the time of alleged offenses was committed, the youth lacked the substantial capacity to appreciate the wrongfulness of the conduct or to conform his/her conduct to the requirements of the law (Texas Family Code §55.51) as a result of mental illness or intellectual disability. Traditional assessment measures may be needed to establish diagnoses but will not be sufficient to answer the specific forensic question. Specific interview questions or specialized assessment measures focused on issues related to responsibility for conduct are necessary;

1.4.3 Psychosexual Evaluations – Evaluation is to determine the youth's risk for sexual recidivism and to provide a recommendation to the court and the most appropriate type and intensity of intervention. Evaluation typically requires all components of the standard psychological evaluation described above as well as specific assessment of risk factors associated with sexual recidivism. Protective factors in the youth and/or family should also be identified and included in the evaluation results

1.5 Discretionary Transfer (Certification) Evaluations - Evaluations are requested in order to assist the court in cases where a petition for Discretionary Transfer to Criminal Court (Texas Family Code §54.02) has been filed. The primary questions to be answered in these evaluations are related to the level of sophistication and maturity of the child, the level of risk the child poses to the community and the child's amenability to treatment within the juvenile system. This typically requires all components of the standard psychological evaluation above, as well as more extensive collateral contacts and specific forensic measures related to risk of re-offending and treatment amenability.

1.6 Bilingual Evaluations- Assessments of a youth whose primary language is not English. The specific referral question could fall into any of the other categories. It is preferable that these evaluations be conducted fully in the youth's primary language, including the use of assessment measures validated for use with non-English speaking populations.

1.7 PROVIDER will conduct assessments at the Juvenile Center at 2701 Kimbo Road, unless otherwise specified. COUNTY will provide all available client background information as well as the specific reason for referral prior to the scheduled evaluation.

1.8 PROVIDER agrees to general reports sections and appropriate sub-headings within these sections as follows:

1.8.1 Reason for Referral;

1.8.2 Assessment Procedures/Sources of Information;

1.8.3 Background information includes the following:

1.8.3.1 Identifying data and family history;

1.8.3.2 History of Presenting Problems;

1.8.3.3 Developmental and Medical History;

1.8.3.4 Psychiatric Treatment History;

1.8.3.5 Academic History;

1.8.3.6 Legal History; and

1.8.3.7 Substance Abuse History.

1.8.4 Behavioral Observations;

1.8.5 Test Results includes the following:

1.8.5.1 Intelligence / Cognitive Testing

1.8.5.2 Academic Achievement Testing

1.8.5.3 Emotional / Personality Testing

1.8.5.4 Any other specific categories included

1.8.6 DSM-5 Diagnosis; and

1.8.7 Summary and Recommendations should include the following:

1.8.7.1 Recommendations should be numbered or bulleted.

1.8.7.2 Appropriate interventions and described type(s) of intervention and appropriate level of intensity, rather than naming specific programs. If PROVIDER determines that it is unlikely that the type of intervention is available, notation of such should be included in the report.

1.9 The PROVIDER may utilize supervised clinicians to conduct a portion of the testing, provided that the PROVIDER meets directly with the juvenile and PROVIDER is responsible for the evaluation and final report, including any required courtroom testimony. Final reports should specify any portion of the evaluation conducted by supervised clinician as well as providing the name, title and credentials of that person.

1.10 Once PROVIDER submits to COUNTY the report, any further consultation services must be facilitated through COUNTY.

2 TERM

This Contract begins on October 1, 2025, and concludes on September 30, 2026.

3 EVALUATION CRITERIA

323RD DISTRICT COURT CONTRACT FOR JUVENILE FORENSIC ASSESSMENT SERVICES WITH BALANCE FORENSIC & GENERAL PSYCHOLOGICAL SERVICES, INC.

BACKGROUND

This Contract for services is between **Tarrant County, Texas**, hereinafter referred to as ("COUNTY"), and **Balance Forensic & General Psychological Services, Inc.**, hereinafter referred to as ("PROVIDER"), for the provision of **Juvenile Forensic Assessment Services**. The Commissioners Court finds that this Contract serves a public purpose for the provision of providing forensic assessment services for clients supervised by Tarrant Juvenile Services and/or under jurisdiction of the 323rd District Court.

CONTRACT FOR SERVICES

1 SCOPE OF SERVICES

PROVIDER agrees to the following:

1.1 Provide all services as described in the accepted proposal (incorporated by reference) under RFQ 2023-141.

1.2 PROVIDER agrees to conduct the following assessments for COUNTY:

1.2.1 Standard Evaluation

1.2.2 Fitness to Proceed Evaluation

1.2.3 Responsibility for Conduct

1.2.4 Psychosexual Evaluation

1.2.5 Discretionary Transfer (Adult Certification)

1.3 The Standard Psychological Evaluation should provide information about a youth's diagnosis, treatment needs and/or level of intellectual functioning. Given the prevalence of adverse childhood experiences, substance abuse, and learning difficulties contributing to emotional and behavioral issues among the juvenile justice population, these domains should be thoroughly assessed. The results of the evaluation are needed to assist in disposition decisions by the court or in case planning in order to provide the most appropriate interventions available while the youth is being served by the probation department. This type of evaluation should not include inquiry or discussion of any pending offenses with the youth. In order to answer the referral question, the psychological evaluation will typically need to include the following:

1.3.1 Clinical interview with youth;

1.3.2 Clinical interview with parent/guardian

1.3.3 Collateral contacts where possible (e.g., contact with therapists or probation officers, etc.);

1.3.4 Comprehensive assessment of intellectual abilities (e.g., WISC-V or RIAS-2));

1.3.5 Estimate of academic achievement (e.g., WRAT-4 including all subtests);

1.3.6 Personality assessment and problem-specific measures, as appropriate;

1.3.7 DSM-5 diagnostic formulation, including any substance abuse diagnoses;

1.3.8 Treatment recommendations including the recommended type of treatment and most appropriate level of care (e g., outpatient, residential, etc..) as well as prognosis (including identification of any individual or systemic issues that may impact treatment planning, as well as recommendations to address potential barriers to treatment); and

1.3.9 If the youth has a history of arson, the evaluation should also include an opinion on the youth's propensity for future fire-setting as well as an explanation of the basis for the opinion.

1.4 Specialized evaluations require specialized skills or credentials of the evaluator as well as often requiring variations in the assessment procedures or use of specialized assessment tools. It is expected that clinicians will address the specific referral questions according to current professional standards of practice.

1.4.1 Fitness to Proceed Evaluations – The purpose of evaluation is to determine if the child has a mental illness or intellectual disability that interferes with his/her "capacity to understand the proceeding in juvenile court or to assist in the child's own defense" (Texas Family Code §55.31). Evaluations must consider relevant factors required in Texas Family Code 55.31 (d) and report must comply with requirements in 55.31 (e). Traditional assessment measures may be needed to establish diagnoses but will not be sufficient to answer the specific forensic question;

1.4.2 Lack of Responsibility for Conduct – Evaluation is to determine if, at the time of alleged offenses was committed the youth lacked the substantial capacity to appreciate the wrongfulness of the conduct or to conform his/her conduct to the requirements of the law (Texas Family Code §55.51) as a result of mental illness or intellectual disability. Traditional assessment measures may be needed to establish diagnoses but will not be sufficient to answer the specific forensic question. Specific interview questions or specialized assessment measures focused on issues related to responsibility for conduct are necessary; and

1.4.3 Psychosexual Evaluations – Evaluation is to determine the youth's risk for sexual recidivism and to provide a recommendation to the court and the most appropriate type and intensity of intervention. Evaluation typically requires all components of the standard psychological evaluation described above as well as specific assessment of risk factors associated with sexual recidivism. Protective factors in the youth and/or family should also be identified and included in the evaluation results.

1.5 Discretionary Transfer (Certification) Evaluations - Evaluations are requested in order to assist the court in cases where a petition for Discretionary Transfer to Criminal Court (Texas Family Code §54.02) has been filed. The primary questions to be answered in these evaluations are related to the level of sophistication and maturity of the child, the level of risk the child poses to the community and the child's amenability to treatment within the juvenile system. This typically requires all components of the standard psychological evaluation above, as well as more extensive collateral contacts and specific forensic measures related to risk of re-offending and treatment amenability.

1.6 Bilingual Evaluations- Assessments of a youth whose primary language is not English. The specific referral question could fall into any of the other categories. It is preferable that these evaluations be conducted fully in the youth's primary language, including the use of assessment measures validated for use with non-English speaking populations

1.7 PROVIDER will conduct assessments at the Juvenile Center at 2701 Kimbo Road, unless otherwise specified. COUNTY will provide all available client background information as well as the specific reason for referral prior to the scheduled evaluation.

1.8 PROVIDER agrees to general reports sections and appropriate sub-headings within these sections as follows:

1.8.1 Reason for Referral.

1.8.2 Assessment Procedures/Sources of Information;

1.8.3 Background information includes the following:

1.8.3.1 Identifying data and family history;

1.8.3.2 History of Presenting Problems;

1.8.3.3 Developmental and Medical History;

1.8.3.4 Psychiatric Treatment History;

1.8.3.5 Academic History;

1.8.3.6 Legal History; and

1.8.3.7 Substance Abuse History.

1.8.4 Behavioral Observations;

1.8.5 Test Results includes the following:

1.8.5.1 Intelligence / Cognitive Testing

1.8.5.2 Academic Achievement Testing

1.8.5.3 Emotional / Personality Testing

1.8.5.4 Any other specific categories included

1.8.6 DSM-5 Diagnosis; and

1.8.7 Summary and Recommendations should include the following:

1.8.7.1 Recommendations should be numbered or bulleted.

1.8.7.2 Appropriate interventions and described type(s) of intervention and appropriate level of intensity, rather than naming specific programs. If PROVIDER determines that it is unlikely that the type of intervention is available, notation of such should be included in the report.

1.9 The PROVIDER may utilize supervised clinicians to conduct a portion of the testing, provided that the PROVIDER meets directly with the juvenile and PROVIDER is responsible for the evaluation and final report, including any required courtroom testimony. Final reports should specify any portion of the evaluation conducted by supervised clinician as well as providing the name, title and credentials of that person.

1.10 Once PROVIDER submits to COUNTY the report, any further consultation services must be facilitated through COUNTY.

2 TERM

This Contract begins on October 1, 2025, and concludes on September 30, 2026.

STATE OF TEXAS	§	**323RD DISTRICT COURT CONTRACT**
	§	**FOR JUVENILE FORENSIC**
	§	**ASSESSMENT SERVICES WITH**
COUNTY OF TARRANT	§	**PARNELL RYAN, PH.D.**

BACKGROUND

This Contract for services is between **Tarrant County, Texas**, hereinafter referred to as ("COUNTY"), and **Parnell Ryan, Ph.D.**, hereinafter referred to as ("PROVIDER"), for the provision of **Juvenile Forensic Assessment Services**. The Commissioners Court finds that this Contract serves a public purpose for the provision of providing forensic assessment services for clients supervised by Tarrant Juvenile Services and/or under jurisdiction of the 323rd District Court.

CONTRACT FOR SERVICES

1 SCOPE OF SERVICES

PROVIDER agrees to the following:

1.1 Provide all services as described in the accepted proposal (incorporated by reference) under RFQ 2023-141.

1.2 PROVIDER agrees to conduct the following assessments for COUNTY:

1.2.1 Standard Evaluation

1.2.2 Fitness to Proceed Evaluation

1.2.3 Psychosexual Evaluation

1.3 The Standard Psychological Evaluation should provide information about a youth's diagnosis, treatment needs and/or level of intellectual functioning. Given the prevalence of adverse childhood experiences, substance abuse, and learning difficulties contributing to emotional and behavioral issues among the juvenile justice population, these domains should be thoroughly assessed. The results of the evaluation are needed to assist in disposition decisions by the court or in case planning in order to provide the most appropriate interventions available while the youth is being served by the probation department. This type of evaluation should not include inquiry or discussion of any pending offenses with the youth. In order to answer the referral question, the psychological evaluation will typically need to include the following:

1.3.1 Clinical interview with youth;

1.3.2 Clinical interview with parent/guardian

1.3.3 Collateral contacts where possible (e.g., contact with therapists or probation officers, etc.);

1.3.4 Comprehensive assessment of intellectual abilities (e.g., WISC-V or RIAS-2));

1.3.5 Estimate of academic achievement (e.g., WRAT-4 including all subtests);

1.3.6 Personality assessment and problem-specific measures, as appropriate;

1.3.7 DSM-5 diagnostic formulation, including any substance abuse diagnoses;

1.3.8 Treatment recommendations including the recommended type of treatment and most appropriate level of care (e.g., outpatient, residential, etc..) as well as prognosis (including identification of any individual or systemic issues that may impact treatment planning, as well as recommendations to address potential barriers to treatment); and

1.3.9 If the youth has a history of arson, the evaluation should also include an opinion on the youth's propensity for future fire-setting as well as an explanation of the basis for the opinion.

1.4 Specialized evaluations require specialized skills or credentials of the evaluator as well as often requiring variations in the assessment procedures or use of specialized assessment tools. It is expected that clinicians will address the specific referral questions according to current professional standards of practice.

1.4.1 Fitness to Proceed Evaluations – The purpose of evaluation is to determine if the child has a mental illness or intellectual disability that interferes with his/her "capacity to understand the proceeding in juvenile court or to assist in the child's own defense" (Texas Family Code §55.31). Evaluations must consider relevant factors required in Texas Family Code 55.31 (d) and report must comply with requirements in 55.31 (e). Traditional assessment measures may be needed to establish diagnoses but will not be sufficient to answer the specific forensic question;

1.4.2 Lack of Responsibility for Conduct – Evaluation is to determine if, at the time of alleged offenses was committed, the youth lacked the substantial capacity to appreciate the wrongfulness of the conduct or to conform his/her conduct to the requirements of the law (Texas Family Code §55.51) as a result of mental illness or intellectual disability. Traditional assessment measures may be needed to establish diagnoses but will not be sufficient to answer the specific forensic question. Specific interview questions or specialized assessment measures focused on issues related to responsibility for conduct are necessary; and

1.4.3 Psychosexual Evaluations – Evaluation is to determine the youth's risk for sexual recidivism and to provide a recommendation to the court and the most appropriate type and intensity of intervention. Evaluation typically requires all components of the standard psychological evaluation described above as well as specific assessment of risk factors associated with sexual recidivism. Protective factors in the youth and/or family should also be identified and included in the evaluation results.

1.5 Discretionary Transfer (Certification) Evaluations - Evaluations are requested in order to assist the court in cases where a petition for Discretionary Transfer to Criminal Court (Texas Family Code §54.02) has been filed. The primary questions to be answered in these evaluations are related to the level of sophistication and maturity of the child, the level of risk the child poses to the community and the child's amenability to treatment within the juvenile system. This typically requires all components of the standard psychological evaluation above, as well as more extensive collateral contacts and specific forensic measures related to risk of re-offending and treatment amenability.

1.6 Bilingual Evaluations- Assessments of a youth whose primary language is not English. The specific referral question could fall into any of the other categories. It is preferable that these evaluations be conducted fully in the youth's primary language, including the use of assessment measures validated for use with non-English speaking populations.

1.7 PROVIDER will conduct assessments at the Juvenile Center at 2701 Kimbo Road, unless otherwise specified. COUNTY will provide all available client background information as well as the specific reason for referral prior to the scheduled evaluation.

1.8 PROVIDER agrees to general reports sections and appropriate sub-headings within these sections as follows:

1.8.1 Reason for Referral;

1.8.2 Assessment Procedures/Sources of Information;

1.8.3 Background information includes the following:

1.8.3.1 Identifying data and family history;

1.8.3.2 History of Presenting Problems;

1.8.3.3 Developmental and Medical History;

1.8.3.4 Psychiatric Treatment History;

1.8.3.5 Academic History;

1.8.3.6 Legal History; and

1.8.3.7 Substance Abuse History.

1.8.4 Behavioral Observations;

1.8.5 Test Results includes the following:

1.8.5.1 Intelligence / Cognitive Testing

1.8.5.2 Academic Achievement Testing

1.8.5.3 Emotional / Personality Testing

1.8.5.4 Any other specific categories included

1.8.6 DSM-5 Diagnosis; and

1.8.7 Summary and Recommendations should include the following:

1.8.7.1 Recommendations should be numbered or bulleted.

1.8.7.2 Appropriate interventions and described type(s) of intervention and appropriate level of intensity, rather than naming specific programs. If PROVIDER determines that it is unlikely that the type of intervention is available, notation of such should be included in the report.

1.9 The PROVIDER may utilize supervised clinicians to conduct a portion of the testing, provided that the PROVIDER meets directly with the juvenile and PROVIDER is responsible for the evaluation and final report, including any required courtroom testimony. Final reports should specify any portion of the evaluation conducted by supervised clinician as well as providing the name, title and credentials of that person.

1.10 Once PROVIDER submits to COUNTY the report, any further consultation services must be facilitated through COUNTY.

2 TERM

This Contract begins on October 1, 2025, and concludes on September 30, 2026.

3 EVALUATION CRITERIA

§ 5.2 Claimants, who are employed by or have a direct contract with the Contractor, have sent a Claim to the Surety (at the address described in Section 13).

§ 6 If a notice of non-payment required by Section 5.1.1 is given by the Owner to the Contractor, that is sufficient to satisfy a Claimant's obligation to furnish a written notice of non-payment under Section 5.1.1.

§ 7 When a Claimant has satisfied the conditions of Sections 5.1 or 5.2, whichever is applicable, the Surety shall promptly and at the Surety's expense take the following actions:

§ 7.1 Send an answer to the Claimant, with a copy to the Owner, within sixty (60) days after receipt of the Claim, stating the amounts that are undisputed and the basis for challenging any amounts that are disputed; and

§ 7.2 Pay or arrange for payment of any undisputed amounts.

§ 7.3 The Surety's failure to discharge its obligations under Section 7.1 or Section 7.2 shall not be deemed to constitute a waiver of defenses the Surety or Contractor may have or acquire as to a Claim, except as to undisputed amounts for which the Surety and Claimant have reached agreement. If, however, the Surety fails to discharge its obligations under Section 7.1 or Section 7.2, the Surety shall indemnify the Claimant for the reasonable attorney's fees the Claimant incurs thereafter to recover any sums found to be due and owing to the Claimant.

§ 8 The Surety's total obligation shall not exceed the amount of this Bond, plus the amount of reasonable attorney's fees provided under Section 7.3, and the amount of this Bond shall be credited for any payments made in good faith by the Surety.

§ 9 Amounts owed by the Owner to the Contractor under the Construction Contract shall be used for the performance of the Construction Contract and to satisfy claims, if any, under any construction performance bond. By the Contractor furnishing and the Owner accepting this Bond, they agree that all funds earned by the Contractor in the performance of the Construction Contract are dedicated to satisfy obligations of the Contractor and Surety under this Bond, subject to the Owner's priority to use the funds for the completion of the work.

§ 10 The Surety shall not be liable to the Owner, Claimants or others for obligations of the Contractor that are unrelated to the Construction Contract. The Owner shall not be liable for the payment of any costs or expenses of any Claimant under this Bond, and shall have under this Bond no obligation to make payments to, or give notice on behalf of, Claimants or otherwise have any obligations to Claimants under this Bond.

§ 11 The Surety hereby waives notice of any change, including changes of time, to the Construction Contract or to related subcontracts, purchase orders and other obligations.

§ 12 No suit or action shall be commenced by a Claimant under this Bond other than in a court of competent jurisdiction in the state in which the project that is the subject of the Construction Contract is located or after the expiration of one year from the date (1) on which the Claimant sent a Claim to the Surety pursuant to Section 5.1.2 or 5.2, or (2) on which the last labor or service was performed by anyone or the last materials or equipment were furnished by anyone under the Construction Contract, whichever of (1) or (2) first occurs. If the provisions of this Paragraph are void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable.

§ 13 Notice and Claims to the Surety, the Owner or the Contractor shall be mailed or delivered to the address shown on the page on which their signature appears. Actual receipt of notice or Claims, however accomplished, shall be sufficient compliance as of the date received.

§ 14 When this Bond has been furnished to comply with a statutory or other legal requirement in the location where the construction was to be performed, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

§ 15 Upon request by any person or entity appearing to be a potential beneficiary of this Bond, the Contractor and Owner shall promptly furnish a copy of this Bond or shall permit a copy to be made.

BACKGROUND

Under the County Purchasing Act, exemptions to the competitive bidding requirements are allowed for ce1iain types of purchases. State bidding statute, Local Government Code Section 262.024(a)(2) deals with those exemptions allowable when approved by the Commissioners Court.

The Medical Examiner's Office provided a letter of explanation outlining the special needs and sensitive nature of their work in forensic services, thus requiring consistent drug standards and controls. The accreditation manual to which the laboratories must adhere dictates a very detailed and complex methodology, requiring standards and controls to come from the same source to ensure accuracy.

The exemption is effective from October 1, 2025 through September 30, 2026.

Therefore, it is the joint recommendation of the Medical Examiner's Office and Purchasing that the Commissioners Court approve an exemption from Competitive Bidding Requirements for Purchase of Drug Standards and Controls, Instrument Parts, Non-Routine Laboratory Testing, and Consumables to ensure accuracy in forensic results.

FISCAL IMPACT

Expenses for the last twelve (12) months were $2,580,000. Funding is available in account 10000-2026 General Fund/2310100000 Medical Examiner/521061 Lab Supplies.

Part of this accreditation process requires us to have very detailed procedures that describes the methods we use, and the materials that are to be used in those methods. Required details include:

- The source of each reagent, internal standard and control used in the process.
- SDS sheets, validation of purity, concentration all which must be traced to a NIST (government) standard. All must be traceable.
- The amounts of reagents used in the preparation of various stock solutions and working solutions.
- This information must be stated in the method and logs are kept documenting time and use.

Our procedures are very detailed and complex, and any deviation from previously validated materials must be revalidated. The validation process is long and time-consuming with multiple layers approval and accreditation assessor review. For these reasons, these materials must be ordered exactly as specified.

STATE OF TEXAS §
§ **Agreement for Collection of Taxes**
§
COUNTY OF TARRANT §

Agreement made this _____day of_____, 2025, by and between the Tarrant County Tax Assessor/Collector, hereinafter referred to as **ASSESSOR/COLLECTOR**, and Tarrant County, hereinafter referred to as the **COUNTY**, both of whom are addressed at 100 E. Weatherford Street, Fort Worth, Texas 76196-0301, and Lake Worth ISD hereinafter referred to as **SCHOOL**, whose address is 6805 Telephone Road, Lake Worth, TX 76135.

PURPOSE OF AGREEMENT

The purpose of this Agreement is to state the terms and conditions under which the ASSESSOR/COLLECTOR will provide assessment and collection services of Ad Valorem taxes levied by the SCHOOL.

NOW THEREFORE, in consideration of the mutual promises herein contained, the parties hereto agree as follows:

I.
SERVICES TO BE PERFORMED

The ASSESSOR/COLLECTOR agrees to bill and collect the taxes due and owing on taxable property upon which the SCHOOL has imposed said taxes. The ASSESSOR/COLLECTOR shall perform the said services in the same manner and fashion as Tarrant County collects its own taxes due and owing on taxable property. The services performed are as follows: receiving the Certified Appraisal Roll from the appropriate Appraisal District and monthly changes thereto; providing mortgage companies, property owners and tax representatives, tax roll and payment data; providing all necessary assessments of taxes and Truth in Taxation calculations as required; the transmittal of tax statements via the U.S. Mail or electronic transfer of data; and payment processing. All SCHOOL disbursements, made by check or by electronic transfer (ACH), for collected tax accounts will be made to the SCHOOL on the day the COUNTY Depository Bank indicates the mandatory assigned "float" period has elapsed and the funds are posted to the collected balance. If any daily collection total is less than one hundred dollars ($100.00), the disbursement may be withheld until the cumulative total of taxes collected for the SCHOOL equals at least one hundred dollars ($100.00), or at the close of the month.

II.
REPORTS

The ASSESSOR/COLLECTOR will provide Lake Worth ISD the following reports via internet access:

Daily:	Entity Distribution Report
Monthly:	Assessment Roll Summary (Totals Only) Year-to-Date Summary Report Detail Collection Summary Report Distribution Summary Report Detail Collection Summary by Year Entity Revenue and Expense Reports – as required by Property Tax Code Sec 31.10 Delinquent Tax Attorney Tape, which includes Assessments
Annual:	Certified Tax Roll Paid Assessment Roll Delinquent Assessment Roll Current Assessment Roll

The following weekly reports are available upon request only and provided via email:

Weekly:	Detail Collection Summary Report Detail Collection Summary by Year

III.
COMPENSATION

In consideration of the services to be performed by the ASSESSOR/COLLECTOR, SCHOOL will compensate the ASSESSOR/COLLECTOR for the services rendered at a rate of one dollar and seven cents ($1.07) per account located within Tarrant County, two dollars ($2.00) per account located outside Tarrant County, and two dollars ($2.00) per account for Special Assessments (PIDs, MUDs, MMDs, BIDs). The ASSESSOR/COLLECTOR reserves the right to increase these rates for services performed by no more than 3% per year at its sole discretion for the duration of this contract. If the ASSESSOR/COLLECTOR institutes such an increase, the increase will begin as of October 1, 2026, for the duration of that collection year. Further increases will be reviewed and instituted on an annual basis. The number of accounts billed will be based on the ending number of accounts on the certified roll as of September 30th for the previous year as provided by the Appraisal District. The ASSESSOR/COLLECTOR will invoice for these accounts by **January 31 of each contract year** with payment to be received from the SCHOOL by **February 28 of each contract year.** The scope of services identified in this contract does not include the administration of a rollback election. In the event of a successful rollback election, these costs incurred by the Tarrant County Tax Office will be separately identified, billed, and paid by the entity.

IV.
AUDITS

The ASSESSOR/COLLECTOR will provide to the SCHOOL auditor necessary explanations of all reports and access to ASSESSOR/COLLECTOR in-house tax system computer terminals to assist the SCHOOL auditor in verifying audit samples of the financial data previously provided by the ASSESSOR/COLLECTOR during the past audit period. Additional support for entity verification or entity auditor verification is not a part of this contract. Each request for support will be reviewed individually. Costs for providing audit support will be determined by the ASSESSOR/COLLECTOR and will be charged to and must be paid by the SCHOOL.

V.
TAX RATE REQUIREMENT

The SCHOOL will provide the ASSESSOR/COLLECTOR copies of the resolution, ordinance, or order signed by the governing body adopting the SCHOOL'S current tax rate and exemption schedule to be applied for assessing purposes along with a copy of the rate calculation worksheets, if applicable, by the third Monday in September of each year of the contract. Under authority of Section 31.01 (h) of the Property Tax Code, any additional cost of printing and mailing tax statements because of late reporting of the tax rate or the exemption schedule will be charged to and must be paid by the SCHOOL. Any additional cost or expense requiring recalculation or rebilling due to an inaccurate or erroneous tax rate provided by Lake Worth ISD will be paid by Lake Worth ISD.

The tax rate and the exemption schedule for each of the last five (5) years in which an ad valorem tax was levied, or all prior years where there remains delinquent tax, must be furnished in writing to the ASSESSOR/COLLECTOR at the time of the initial contract.

VI.
COMPLIANCE WITH APPLICABLE STATUTES, ORDINANCES, AND REGULATIONS

In performing the services required under this Agreement, the ASSESSOR/COLLECTOR shall comply with all applicable federal and state statutes, final Court orders and Comptroller regulations. If such compliance is impossible for reasons beyond its control, the ASSESSOR/COLLECTOR shall immediately notify the SCHOOL of that fact and the reasons therefore.

VII.
DEPOSIT OF FUNDS

All funds collected by the ASSESSOR/COLLECTOR in the performance of the services stated herein for the SCHOOL shall be promptly transferred to the account of the SCHOOL at the SCHOOL'S depository bank. All payments to entities will be made electronically by the automated clearing house (ACH). The ASSESSOR/COLLECTOR has no liability for the funds after initiation of the ACH transfer of the SCHOOL'S funds from the COUNTY Depository to the SCHOOL'S designated depository. ASSESSOR/COLLECTOR has the authority to temporarily suspend payments to Lake Worth ISD due to unforeseen or unanticipated circumstances.

VIII.

INVESTMENT OF FUNDS

The SCHOOL hereby agrees that the COUNTY, acting through the COUNTY Auditor, may invest collected ad valorem tax funds of the SCHOOL during the period between collection and payment. The COUNTY agrees that it will invest such funds in compliance with the Public Funds Investment Act. The COUNTY further agrees that it will pay to the SCHOOL all interest or other earnings attributable to taxes owed to the SCHOOL. All parties agree that this Agreement will not be construed to lengthen the time period during which the COUNTY or the ASSESSOR/COLLECTOR may hold such funds before payment to the SCHOOL.

IX.

REFUNDS

Refunds will be made by the ASSESSOR/COLLECTOR except as set forth herein. The ASSESSOR/COLLECTOR will advise the SCHOOL of changes in the tax roll which were mandated by the appropriate Appraisal District.

The ASSESSOR/COLLECTOR will not make refunds on prior year paid accounts unless the prior year paid accounts for the past five (5) years are provided to the ASSESSOR/COLLECTOR.

If the amount of refunds processed for Lake Worth ISD exceeds collections for Lake Worth ISD, Lake Worth ISD will be placed in a negative status and no distributions will be made to Lake Worth ISD until collections exceed the negative balance.

All refunds of overpayments or erroneous payments due, but not requested, and as described in Section 31.11 of the Texas Property Tax Code, will after three years from the date of payment, be proportionately disbursed to those entities contracting with the ASSESSOR/COLLECTOR. The contract must have been in force, actual assessment and collection functions begun and the tax account was at the time of the over or erroneous payment within the SCHOOL'S jurisdiction. The proportional share is based upon the SCHOOL'S percent of the tax account's total levy assessed at the time of receipt of the over or erroneous payment.

In the event any lawsuit regarding the collection of taxes provided for in this agreement to which the SCHOOL is a party, is settled or a final judgment rendered, and which final judgment is not appealed, and the terms of such settlement agreement or final judgment require that a refund be issued by the SCHOOL to the taxpayer, such refund shall be made by ASSESSOR/COLLECTOR by debiting funds collected by ASSESSOR/COLLECTOR on behalf of the SCHOOL and remitting such refund to the taxpayer in conformity with the terms of the settlement agreement or final judgment.

X.

DELINQUENT COLLECTIONS

The ASSESSOR/COLLECTOR will assess and collect the collection fee pursuant to Sections, 33.07, 33.08, 33.11 and 33.48 of the Property Tax Code, when allowed. The ASSESSOR/COLLECTOR will collect attorney fees that are specified by the SCHOOL through written agreement with a delinquent collection Attorney. The ASSESSOR/COLLECTOR will disburse the amount directly to the Firm under contract to the SCHOOL.

If the delinquent collection Attorney contracted by the SCHOOL requires attendance of ASSESSOR/COLLECTOR personnel at a court other than the District Courts in downtown Fort Worth, and the COUNTY is not a party, the employee's expenses and proportionate salary will be the responsibility of the SCHOOL and will be added to the collection expenses and charged to the SCHOOL.

The ASSESSOR/COLLECTOR will not be responsible for the collection of prior year delinquent accounts unless all delinquent accounts information is provided to the ASSESSOR/COLLECTOR.

XI.

TERM OF AGREEMENT

This Agreement shall become effective as of the date hereinabove set out and shall continue in effect through the 2027 tax year, unless sooner terminated by providing sixty (60) day written notice, as outlined in paragraph XII.

XII.

NOTICES

Any notices to be given hereunder by either party to the other may be effected by e-mail, or in writing, either by personal delivery or by mail, registered or certified, postage prepaid with return receipt requested. Under authority of Section 31.01 (h) of the Property Tax Code, any additional cost of printing and mailing tax statements because of late reporting of the assessment rates or the exemption schedule will be charged to and must be paid by the DISTRICT. Any additional cost or expense requiring recalculation or rebilling due to an inaccurate or erroneous assessment rate provided by the DISTRICT will be paid by the DISTRICT.

The assessment rates and the exemption schedule for each of the last five (5) years in which an assessment was levied, or all prior years where there remains delinquent assessments, must be furnished in writing to the ASSESSOR/COLLECTOR at the time of the initial contract.

VI.
COMPLIANCE WITH APPLICABLE STATUTES, ORDINANCES, AND REGULATIONS

If the amount of refunds processed for the DISTRICT exceeds collections for the DISTRICT, the DISTRICT will be placed in a negative status and no distributions will be made to the DISTRICT until collections exceed the negative balance.

All refunds of overpayments or erroneous payments due, but not requested, and as described in Section 31.11 of the Texas Property Tax Code, will after three years from the date of payment, be proportionately disbursed to those entities contracting with the ASSESSOR/COLLECTOR. The proportional share is based upon the DISTRICT'S percent of the tax account's total levy assessed at the time of receipt of the over or erroneous payment.

In the event any lawsuit regarding the collection of taxes provided for in this agreement to which the DISTRICT is a party, is settled or a final judgment rendered, and which final judgment is not appealed, and the terms of such settlement agreement or final judgment require that a refund be issued by the DISTRICT to the taxpayer, such refund shall be made by ASSESSOR/COLLECTOR by debiting funds collected by ASSESSOR/COLLECTOR on behalf of the DISTRICT and remitting such refund to the taxpayer in conformity with the terms of the settlement agreement or final judgment.

PURPOSE OF AGREEMENT

The purpose of this Agreement is to state the terms and conditions under which the ASSESSOR/COLLECTOR will provide assessment and collection services of Ad Valorem taxes levied by the CITY.

NOW THEREFORE, in consideration of the mutual promises herein contained, the parties hereto agree as follows:

I.
SERVICES TO BE PERFORMED

The ASSESSOR/COLLECTOR agrees to bill and collect the taxes due and owing on taxable property upon which the CITY has imposed said taxes. The services performed are as follows: receiving the Certified Appraisal Roll from the appropriate Appraisal District and monthly changes thereto; providing mortgage companies, property owners and tax representatives, tax roll and payment data; providing all necessary assessments of taxes and Truth in Taxation calculations as required; the transmittal of tax statements via the U.S. Mail or electronic transfer of data; and payment processing. All CITY disbursements, made by check or by electronic transfer (ACH), for collected tax accounts will be made to the CITY on the day the COUNTY Depository Bank indicates the mandatory assigned "float" period has elapsed and the funds are posted to the collected balance. If any daily collection total is less than one hundred dollars ($100.00), the disbursement may be withheld until the cumulative total of taxes collected for the CITY equals at least one hundred dollars ($100.00), or at the close of the month.

III.
COMPENSATION

In consideration of the services to be performed by the ASSESSOR/COLLECTOR, CITY will compensate the ASSESSOR/COLLECTOR for the services rendered at a rate of one dollar and seven cents ($1.07) per account located within Tarrant County, two dollars ($2.00) per account located outside Tarrant County, and two dollars ($2.00) per account for Special Assessments (PIDs, MUDs, MMDs, BIDs). The ASSESSOR/COLLECTOR reserves the right to increase these rates for services performed by no more than 3% per year at its sole discretion for the duration of this contract. If the ASSESSOR/COLLECTOR institutes such an increase, the increase will begin as of October 1, 2026, for the duration of that collection year. Further increases will be reviewed and instituted on an annual basis. The number of accounts billed will be based on the ending number of accounts on the certified roll as of September 30th for the previous year as provided by the Appraisal District. The ASSESSOR/COLLECTOR will invoice for these accounts by **January 31 of each contract year** with payment to be received from the CITY by **February 28 of each contract year.** The scope of services identified in this contract does not include the administration of a rollback election. In the event of a successful rollback election, these costs incurred by the Tarrant County Tax Office will be separately identified, billed, and paid by the entity.

IV.
AUDITS

The ASSESSOR/COLLECTOR will provide to the CITY auditor necessary explanations of all reports and access to ASSESSOR/COLLECTOR in-house tax system computer terminals to assist the CITY auditor in verifying audit samples of the financial data previously provided by the ASSESSOR/COLLECTOR during the past audit period. Additional support for entity verification or entity auditor verification is not a part of this contract. Each request for support will be reviewed individually. Costs for providing audit support will be determined by the ASSESSOR/COLLECTOR and will be charged to and must be paid by the CITY.

V.
TAX RATE REQUIREMENT

The CITY will provide the ASSESSOR/COLLECTOR copies of the resolution, ordinance, or order signed by the governing body adopting the CITY'S current tax rate and exemption schedule to be applied for assessing purposes along with a copy of the rate calculation worksheets, if applicable, by the third Monday in September of each year of the contract. Under authority of Section 31.01 (h) of the Property Tax Code, any additional cost of printing and mailing tax statements because of late reporting of the tax rate or the exemption schedule will be charged to and must be paid by the CITY. Any additional cost or expense requiring recalculation or rebilling due to an inaccurate or erroneous tax rate provided by City of Dalworthington Gardens will be paid by City of Dalworthington Gardens.

The tax rate and the exemption schedule for each of the last five (5) years in which an ad valorem tax was levied, or all prior years where there remains delinquent tax, must be furnished in writing to the ASSESSOR/COLLECTOR at the time of the initial contract.

VI.
COMPLIANCE WITH APPLICABLE STATUTES, ORDINANCES, AND REGULATIONS

In performing the services required under this Agreement, the ASSESSOR/COLLECTOR shall comply with all applicable federal and state statutes, final Court orders and Comptroller regulations. If such compliance is impossible for reasons beyond its control, the ASSESSOR/COLLECTOR shall immediately notify the CITY of that fact and the reasons therefore.

VII.
DEPOSIT OF FUNDS

All funds collected by the ASSESSOR/COLLECTOR in the performance of the services stated herein for the CITY shall be promptly transferred to the account of the CITY at the CITY'S depository bank. All payments to entities will be made electronically by the automated clearing house (ACH). The ASSESSOR/COLLECTOR has no liability for the funds after initiation of the ACH transfer of the CITY'S funds from the COUNTY Depository to the CITY'S designated depository. ASSESSOR/COLLECTOR has the authority to temporarily suspend payments to City of Dalworthington Gardens due to unforeseen or unanticipated circumstances.

VIII.

INVESTMENT OF FUNDS

The CITY hereby agrees that the COUNTY, acting through the COUNTY Auditor, may invest collected ad valorem tax funds of the CITY during the period between collection and payment. The COUNTY agrees that it will invest such funds in compliance with the Public Funds Investment Act. The COUNTY further agrees that it will pay to the CITY all interest or other earnings attributable to taxes owed to the CITY. All parties agree that this Agreement will not be construed to lengthen the time period during which the COUNTY or the ASSESSOR/COLLECTOR may hold such funds before payment to the CITY.

IX.
REFUNDS

Refunds will be made by the ASSESSOR/COLLECTOR except as set forth herein. The ASSESSOR/COLLECTOR will advise the CITY of changes in the tax roll which were mandated by the appropriate Appraisal District.

The ASSESSOR/COLLECTOR will not make refunds on prior year paid accounts unless the prior year paid accounts for the past five (5) years are provided to the ASSESSOR/COLLECTOR.

If the amount of refunds processed for City of Dalworthington Gardens exceeds collections for City of Dalworthington Gardens, City of Dalworthington Gardens will be placed in a negative status and no distributions will be made to City of Dalworthington Gardens until collections exceed the negative balance.

All refunds of overpayments or erroneous payments due, but not requested, and as described in Section 31.11 of the Texas Property Tax Code, will after three years from the date of payment, be proportionately disbursed to those entities contracting with the ASSESSOR/COLLECTOR. The contract must have been in force, actual assessment and collection functions begun and the tax account was at the time of the over or erroneous payment within the CITY'S jurisdiction. The proportional share is based upon the CITY'S percent of the tax account's total levy assessed at the time of receipt of the over or erroneous payment.

In the event any lawsuit regarding the collection of taxes provided for in this agreement to which the CITY is a party, is settled or a final judgment rendered, and which final judgment is not appealed, and the terms of such settlement agreement or final judgment require that a refund be issued by the CITY to the taxpayer, such refund shall be made by ASSESSOR/COLLECTOR by debiting funds collected by ASSESSOR/COLLECTOR on behalf of the CITY and remitting such refund to the taxpayer in conformity with the terms of the settlement agreement or final judgment.

X.
DELINQUENT COLLECTIONS

The ASSESSOR/COLLECTOR will assess and collect the collection fee pursuant to Sections, 33.07, 33.08, 33.11 and 33.48 of the Property Tax Code, when allowed. The ASSESSOR/COLLECTOR will collect attorney fees that are specified by the CITY through written agreement with a delinquent collection Attorney. The ASSESSOR/COLLECTOR will disburse the amount directly to the Firm under contract to the CITY.

If the delinquent collection Attorney contracted by the CITY requires attendance of ASSESSOR/COLLECTOR personnel at a court other than the District Courts in downtown Fort Worth, and the COUNTY is not a party, the employee's expenses and proportionate salary will be the responsibility of the CITY and will be added to the collection expenses and charged to the CITY.

The ASSESSOR/COLLECTOR will not be responsible for the collection of prior year delinquent accounts unless all delinquent accounts information is provided to the ASSESSOR/COLLECTOR.

XI.
TERM OF AGREEMENT

This Agreement shall become effective as of the date hereinabove set out, and shall continue in effect through the 2027 tax year, unless sooner terminated by providing sixty (60) day written notice, as outlined in paragraph XII.

XII.

The ASSESSOR/COLLECTOR will not make refunds on prior year paid accounts unless the prior year paid accounts for the past five (5) years are provided to the ASSESSOR/COLLECTOR.

If the amount of refunds processed for City of Watauga exceeds collections for City of Watauga, City of Watauga will be placed in a negative status and no distributions will be made to City of Watauga until collections exceed the negative balance.

All refunds of overpayments or erroneous payments due, but not requested, and as described in Section 31.11 of the Texas Property Tax Code, will after three years from the date of payment, be proportionately disbursed to those entities contracting with the ASSESSOR/COLLECTOR. The contract must have been in force, actual assessment and collection functions begun and the tax account was at the time of the over or erroneous payment within the CITY'S jurisdiction. The proportional share is based upon the CITY'S percent of the tax account's total levy assessed at the time of receipt of the over or erroneous payment.

In the event any lawsuit regarding the collection of taxes provided for in this agreement to which the CITY is a party, is settled or a final judgment rendered, and which final judgment is not appealed, and the terms of such settlement agreement or final judgment require that a refund be issued by the CITY to the taxpayer, such refund shall be made by ASSESSOR/COLLECTOR by debiting funds collected by ASSESSOR/COLLECTOR on behalf of the CITY and remitting such refund to the taxpayer in conformity with the terms of the settlement agreement or final judgment.

X.
DELINQUENT COLLECTIONS

The ASSESSOR/COLLECTOR will assess and collect the collection fee pursuant to Sections, 33.07, 33.08, 33.11 and 33.48 of the Property Tax Code, when allowed. The ASSESSOR/COLLECTOR will collect attorney fees that are specified by the CITY through written agreement with a delinquent collection Attorney. The ASSESSOR/COLLECTOR will disburse the amount directly to the Firm under contract to the CITY.

If the delinquent collection Attorney contracted by the CITY requires attendance of ASSESSOR/COLLECTOR personnel at a court other than the District Courts in downtown Fort Worth, and the COUNTY is not a party, the employee's expenses and proportionate salary will be the responsibility of the CITY and will be added to the collection expenses and charged to the CITY.

The ASSESSOR/COLLECTOR will not be responsible for the collection of prior year delinquent accounts unless all delinquent accounts information is provided to the ASSESSOR/COLLECTOR.

XI.
TERM OF AGREEMENT

This Agreement shall become effective as of the date hereinabove set out and shall continue in effect through the 2027 tax year, unless sooner terminated by providing sixty (60) day written notice, as outlined in paragraph XII.

The ASSESSOR/COLLECTOR reserves the right to increase these rates for services performed by no more than 3% per year at its sole discretion for the duration of this contract. If the ASSESSOR/COLLECTOR institutes such an increase, the increase will begin as of October 1, 2026, for the duration of that collection year. Further increases will be reviewed and instituted on an annual basis. The number of accounts billed will be based on the ending number of accounts on the certified roll as of September 30th for the previous year as provided by the Appraisal District. Costs for providing audit support will be determined by the ASSESSOR/COLLECTOR and will be charged to and must be paid by the COLLEGE.

V.
TAX RATE REQUIREMENT

The COLLEGE will provide the ASSESSOR/COLLECTOR copies of the resolution, ordinance, or order signed by the governing body adopting the COLLEGE'S current tax rate and exemption schedule to be applied for assessing purposes along with a copy of the rate calculation worksheets, if applicable, by the third Monday in September of each year of the contract. Under authority of Section 31.01 (h) of the Property Tax Code, any additional cost of printing and mailing tax statements because of late reporting of the tax rate or the exemption schedule will be charged to and must be paid by the COLLEGE. Any additional cost or expense requiring recalculation or rebilling due to an inaccurate or erroneous tax rate provided by Tarrant County College will be paid by Tarrant County College.

The tax rate and the exemption schedule for each of the last five (5) years in which an ad valorem tax was levied, or all prior years where there remains delinquent tax, must be furnished in writing to the ASSESSOR/COLLECTOR at the time of the initial contract.

VI.
COMPLIANCE WITH APPLICABLE STATUTES, ORDINANCES, AND REGULATIONS

In performing the services required under this Agreement, the ASSESSOR/COLLECTOR shall comply with all applicable federal and state statutes, final Court orders and Comptroller regulations. VII.

All payments to entities will be made electronically by the automated clearing house (ACH). The ASSESSOR/COLLECTOR has no liability for the funds after initiation of the ACH transfer of the COLLEGE'S funds from the COUNTY Depository to the COLLEGE'S designated depository. ASSESSOR/COLLECTOR has the authority to temporarily suspend payments to Tarrant County College due to unforeseen or unanticipated circumstances.

VIII.
INVESTMENT OF FUNDS

The COLLEGE hereby agrees that the COUNTY, acting through the COUNTY Auditor, may invest collected ad valorem tax funds of the COLLEGE during the period between collection and payment. The COUNTY agrees that it will invest such funds in compliance with the Public Funds Investment Act. The COUNTY further agrees that it will pay to the COLLEGE all interest or other earnings attributable to taxes owed to the COLLEGE. All parties agree that this Agreement will not be construed to lengthen the time period during which the COUNTY or the ASSESSOR/COLLECTOR may hold such funds before payment to the COLLEGE.

IX.
REFUNDS

Refunds will be made by the ASSESSOR/COLLECTOR except as set forth herein. The ASSESSOR/COLLECTOR will advise the COLLEGE of changes in the tax roll which were mandated by the appropriate Appraisal District.

The ASSESSOR/COLLECTOR will not make refunds on prior year paid accounts unless the prior year paid accounts for the past five (5) years are provided to the ASSESSOR/COLLECTOR.

If the amount of refunds processed for Tarrant County College exceeds collections for Tarrant County College, Tarrant County College will be placed in a negative status and no distributions will be made to Tarrant County College until collections exceed the negative balance.

Under authority of Section 31.01 (h) of the Property Tax Code, any additional cost of printing and mailing tax statements because of late reporting of the tax rate or the exemption schedule will be charged to and must be paid by the DISTRICT. Any additional cost or expense requiring recalculation or rebilling due to an inaccurate or erroneous tax rate provided by DISTRICT will be paid by DISTRICT.

The tax rate and the exemption schedule for each of the last five (5) years in which an ad valorem tax was levied, or all prior years where there remains delinquent tax, must be furnished in writing to the ASSESSOR/COLLECTOR at the time of the initial contract.

VI.
COMPLIANCE WITH APPLICABLE STATUTES, ORDINANCES, AND REGULATIONS

In performing the services required under this Agreement, the ASSESSOR/COLLECTOR shall comply with all applicable federal and state statutes, final Court orders and Comptroller regulations. If such compliance is impossible for reasons beyond its control, the ASSESSOR/COLLECTOR shall immediately notify the DISTRICT of that fact and the reasons therefore.

VII.
DEPOSIT OF FUNDS

All funds collected by the ASSESSOR/COLLECTOR in the performance of the services stated herein for the DISTRICT shall be promptly transferred to the account of the DISTRICT at the DISTRICT'S depository bank. All payments to entities will be made electronically by the automated clearing house (ACH). The ASSESSOR/COLLECTOR has no liability for the funds after initiation of the ACH transfer of the DISTRICT'S funds from the COUNTY Depository to the DISTRICT'S designated depository. ASSESSOR/COLLECTOR has the authority to temporarily suspend payments to the DISTRICT due to unforeseen or unanticipated circumstances.

VIII.

INVESTMENT OF FUNDS

The DISTRICT hereby agrees that the COUNTY, acting through the COUNTY Auditor, may invest collected ad valorem tax funds of the DISTRICT during the period between collection and payment. The COUNTY agrees that it will invest such funds in compliance with the Public Funds Investment Act. The COUNTY further agrees that it will pay to the DISTRICT all interest or other earnings attributable to taxes owed to the DISTRICT. All parties agree that this Agreement will not be construed to lengthen the time period during which the COUNTY or the ASSESSOR/COLLECTOR may hold such funds before payment to the DISTRICT.

IX.
REFUNDS

Refunds will be made by the ASSESSOR/COLLECTOR except as set forth herein. The ASSESSOR/COLLECTOR will advise the DISTRICT of changes in the tax roll which were mandated by the appropriate Appraisal District.

The ASSESSOR/COLLECTOR will not make refunds on prior year paid accounts unless the prior year paid accounts for the past five (5) years are provided to the ASSESSOR/COLLECTOR.

If the amount of refunds processed for the DISTRICT exceeds collections for the DISTRICT, the DISTRICT will be placed in a negative status and no distributions will be made to the DISTRICT until collections exceed the negative balance.

All refunds of overpayments or erroneous payments due, but not requested, and as described in Section 31.11 of the Texas Property Tax Code, will after three years from the date of payment, be proportionately disbursed to those entities contracting with the ASSESSOR/COLLECTOR. The contract must have been in force, actual assessment and collection functions begun and the tax account was at the time of the over or erroneous payment within the DISTRICT'S jurisdiction. The proportional share is based upon the DISTRICT'S percent of the tax account's total levy assessed at the time of receipt of the over or erroneous payment.

In the event any lawsuit regarding the collection of taxes provided for in this agreement to which the DISTRICT is a party, is settled or a final judgment rendered, and which final judgment is not appealed, and the terms of such settlement agreement or final judgment require that a refund be issued by the DISTRICT to the taxpayer, such refund shall be made by ASSESSOR/COLLECTOR by debiting funds collected by ASSESSOR/COLLECTOR on behalf of the DISTRICT and remitting such refund to the taxpayer in conformity with the terms of the settlement agreement or final judgment.

X.
DELINQUENT COLLECTIONS

The ASSESSOR/COLLECTOR will assess and collect the collection fee pursuant to Sections, 33.07, 33.08, 33.11 and 33.48 of the Property Tax Code, when allowed. The ASSESSOR/COLLECTOR will collect attorney fees that are specified by the DISTRICT through written agreement with a delinquent collection Attorney. The ASSESSOR/COLLECTOR will disburse the amount directly to the Firm under contract to the DISTRICT.

If the delinquent collection Attorney contracted by the DISTRICT requires attendance of ASSESSOR/COLLECTOR personnel at a court other than the District Courts in downtown Fort Worth, and the COUNTY is not a party, the employee's expenses and proportionate salary will be the responsibility of the DISTRICT and will be added to the collection expenses and charged to the DISTRICT.

The ASSESSOR/COLLECTOR will not be responsible for the collection of prior year delinquent accounts unless all delinquent accounts information is provided to the ASSESSOR/COLLECTOR.

III.
COMPENSATION

In consideration of the services to be performed by the ASSESSOR/COLLECTOR, CITY will compensate the ASSESSOR/COLLECTOR for the services rendered at a rate of one dollar and seven cents ($1.07) per account located within Tarrant County, two dollars ($2.00) per account located outside Tarrant County, and two dollars ($2.00) per account for Special Assessments (PIDs, MUDs, MMDs, BIDs). The ASSESSOR/COLLECTOR reserves the right to increase these rates for services performed by no more than 3% per year at its sole discretion for the duration of this contract. If the ASSESSOR/COLLECTOR institutes such an increase, the increase will begin as of October 1, 2026, for the duration of that collection year. Further increases will be reviewed and instituted on an annual basis. The number of accounts billed will be based on the ending number of accounts on the certified roll as of September 30th for the previous year as provided by the Appraisal District. The ASSESSOR/COLLECTOR will invoice for these accounts by **January 31 of each contract year** with payment to be received from the CITY by **February 28 of each contract year.** The scope of services identified in this contract does not include the administration of a rollback election. In the event of a successful rollback election, these costs incurred by the Tarrant County Tax Office will be separately identified, billed, and paid by the entity.

IV.
AUDITS

The ASSESSOR/COLLECTOR will provide to the CITY auditor necessary explanations of all reports and access to ASSESSOR/COLLECTOR in-house tax system computer terminals to assist the CITY auditor in verifying audit samples of the financial data previously provided by the ASSESSOR/COLLECTOR during the past audit period. Additional support for entity verification or entity auditor verification is not a part of this contract. Each request for support will be reviewed individually. Costs for providing audit support will be determined by the ASSESSOR/COLLECTOR and will be charged to and must be paid by the CITY.

V.
TAX RATE REQUIREMENT

The CITY will provide the ASSESSOR/COLLECTOR copies of the resolution, ordinance, or order signed by the governing body adopting the CITY'S current tax rate and exemption schedule to be applied for assessing purposes along with a copy of the rate calculation worksheets, if applicable, by the third Monday in September of each year of the contract. Under authority of Section 31.01 (h) of the Property Tax Code, any additional cost of printing and mailing tax statements because of late reporting of the tax rate or the exemption schedule will be charged to and must be paid by the CITY. Any additional cost or expense requiring recalculation or rebilling due to an inaccurate or erroneous tax rate provided by City of Pelican Bay will be paid by City of Pelican Bay.

The tax rate and the exemption schedule for each of the last five (5) years in which an ad valorem tax was levied, or all prior years where there remains delinquent tax, must be furnished in writing to the ASSESSOR/COLLECTOR at the time of the initial contract.

VI.
COMPLIANCE WITH APPLICABLE STATUTES, ORDINANCES, AND REGULATIONS

In performing the services required under this Agreement, the ASSESSOR/COLLECTOR shall comply with all applicable federal and state statutes, final Court orders and Comptroller regulations. If such compliance is impossible for reasons beyond its control, the ASSESSOR/COLLECTOR shall immediately notify the CITY of that fact and the reasons therefore.

VII.
DEPOSIT OF FUNDS

All funds collected by the ASSESSOR/COLLECTOR in the performance of the services stated herein for the CITY shall be promptly transferred to the account of the CITY at the CITY'S depository bank. All payments to entities will be made electronically by the automated clearing house (ACH). The ASSESSOR/COLLECTOR has no liability for the funds after initiation of the ACH transfer of the CITY'S funds from the COUNTY Depository to the CITY'S designated depository. ASSESSOR/COLLECTOR has the authority to temporarily suspend payments to City of Pelican Bay due to unforeseen or unanticipated circumstances.

VIII.

INVESTMENT OF FUNDS

The CITY hereby agrees that the COUNTY, acting through the COUNTY Auditor, may invest collected ad valorem tax funds of the CITY during the period between collection and payment. The COUNTY agrees that it will invest such funds in compliance with the Public Funds Investment Act. The COUNTY further agrees that it will pay to the CITY all interest or other earnings attributable to taxes owed to the CITY. All parties agree that this Agreement will not be construed to lengthen the time period during which the COUNTY or the ASSESSOR/COLLECTOR may hold such funds before payment to the CITY.

IX.
REFUNDS

Refunds will be made by the ASSESSOR/COLLECTOR except as set forth herein. The ASSESSOR/COLLECTOR will advise the CITY of changes in the tax roll which were mandated by the appropriate Appraisal District.

The ASSESSOR/COLLECTOR will not make refunds on prior year paid accounts unless the prior year paid accounts for the past five (5) years are provided to the ASSESSOR/COLLECTOR.

If the amount of refunds processed for City of Pelican Bay exceeds collections for City of Pelican Bay, City of Pelican Bay will be placed in a negative status and no distributions will be made to City of Pelican Bay until collections exceed the negative balance.

All refunds of overpayments or erroneous payments due, but not requested, and as described in Section 31.11 of the Texas Property Tax Code, will after three years from the date of payment, be proportionately disbursed to those entities contracting with the ASSESSOR/COLLECTOR. The contract must have been in force, actual assessment and collection functions begun and the tax account was at the time of the over or erroneous payment within the CITY'S jurisdiction. The proportional share is based upon the CITY'S percent of the tax account's total levy assessed at the time of receipt of the over or erroneous payment.

In the event any lawsuit regarding the collection of taxes provided for in this agreement to which the CITY is a party, is settled or a final judgment rendered, and which final judgment is not appealed, and the terms of such settlement agreement or final judgment require that a refund be issued by the CITY to the taxpayer, such refund shall be made by ASSESSOR/COLLECTOR by debiting funds collected by ASSESSOR/COLLECTOR on behalf of the CITY and remitting such refund to the taxpayer in conformity with the terms of the settlement agreement or final judgment.

X.
DELINQUENT COLLECTIONS

The ASSESSOR/COLLECTOR will assess and collect the collection fee pursuant to Sections, 33.07, 33.08, 33.11 and 33.48 of the Property Tax Code, when allowed. The ASSESSOR/COLLECTOR will collect attorney fees that are specified by the CITY through written agreement with a delinquent collection Attorney. The ASSESSOR/COLLECTOR will disburse the amount directly to the Firm under contract to the CITY.

If the delinquent collection Attorney contracted by the CITY requires attendance of ASSESSOR/COLLECTOR personnel at a court other than the District Courts in downtown Fort Worth, and the COUNTY is not a party, the employee's expenses and proportionate salary will be the responsibility of the CITY and will be added to the collection expenses and charged to the CITY.

The ASSESSOR/COLLECTOR will not be responsible for the collection of prior year delinquent accounts unless all delinquent accounts information is provided to the ASSESSOR/COLLECTOR.

XI.
TERM OF AGREEMENT

This Agreement shall become effective as of the date hereinabove set out and shall continue in effect through the 2027 tax year, unless sooner terminated by providing sixty (60) day written notice, as outlined in paragraph XII.

III.
COMPENSATION

In consideration of the services to be performed by the ASSESSOR/COLLECTOR, CITY will compensate the ASSESSOR/COLLECTOR for the services rendered at a rate of one dollar and seven cents ($1.07) per account located within Tarrant County, two dollars ($2.00) per account located outside Tarrant County, and two dollars ($2.00) per account for Special Assessments (PIDs, MUDs, MMDs, BIDs). The ASSESSOR/COLLECTOR reserves the right to increase these rates for services performed by no more than 3% per year at its sole discretion for the duration of this contract. If the ASSESSOR/COLLECTOR institutes such an increase, the increase will begin as of October 1, 2026, for the duration of that collection year. Further increases will be reviewed and instituted on an annual basis. The number of accounts billed will be based on the ending number of accounts on the certified roll as of September 30th for the previous year as provided by the Appraisal District. The ASSESSOR/COLLECTOR will invoice for these accounts by **January 31 of each contract year** with payment to be received from the CITY by **February 28 of each contract year.** The scope of services identified in this contract does not include the administration of a rollback election. In the event of a successful rollback election, these costs incurred by the Tarrant County Tax Office will be separately identified, billed, and paid by the entity.

IV.
AUDITS

The ASSESSOR/COLLECTOR will provide to the CITY auditor necessary explanations of all reports and access to ASSESSOR/COLLECTOR in-house tax system computer terminals to assist the CITY auditor in verifying audit samples of the financial data previously provided by the ASSESSOR/COLLECTOR during the past audit period. Additional support for entity verification or entity auditor verification is not a part of this contract. Each request for support will be reviewed individually. Costs for providing audit support will be determined by the ASSESSOR/COLLECTOR and will be charged to and must be paid by the CITY.

V.
TAX RATE REQUIREMENT

The CITY will provide the ASSESSOR/COLLECTOR copies of the resolution, ordinance, or order signed by the governing body adopting the CITY'S current tax rate and exemption schedule to be applied for assessing purposes along with a copy of the rate calculation worksheets, if applicable, by the third Monday in September of each year of the contract. Under authority of Section 31.01 (h) of the Property Tax Code, any additional cost of printing and mailing tax statements because of late reporting of the tax rate or the exemption schedule will be charged to and must be paid by the CITY. Any additional cost or expense requiring recalculation or rebilling due to an inaccurate or erroneous tax rate provided by City of Westworth Village will be paid by City of Westworth Village.

The tax rate and the exemption schedule for each of the last five (5) years in which an ad valorem tax was levied, or all prior years where there remains delinquent tax, must be furnished in writing to the ASSESSOR/COLLECTOR at the time of the initial contract.

VI.
COMPLIANCE WITH APPLICABLE STATUTES, ORDINANCES, AND REGULATIONS

In performing the services required under this Agreement, the ASSESSOR/COLLECTOR shall comply with all applicable federal and state statutes, final Court orders and Comptroller regulations. If such compliance is impossible for reasons beyond its control, the ASSESSOR/COLLECTOR shall immediately notify the CITY of that fact and the reasons therefore.

VII.
DEPOSIT OF FUNDS

All funds collected by the ASSESSOR/COLLECTOR in the performance of the services stated herein for the CITY shall be promptly transferred to the account of the CITY at the CITY'S depository bank. All payments to entities will be made electronically by the automated clearing house (ACH). The ASSESSOR/COLLECTOR has no liability for the funds after initiation of the ACH transfer of the CITY'S funds from the COUNTY Depository to the CITY'S designated depository. ASSESSOR/COLLECTOR has the authority to temporarily suspend payments to City of Westworth Village due to unforeseen or unanticipated circumstances.

VIII.
INVESTMENT OF FUNDS

The CITY hereby agrees that the COUNTY, acting through the COUNTY Auditor, may invest collected ad valorem tax funds of the CITY during the period between collection and payment. The COUNTY agrees that it will invest such funds in compliance with the Public Funds Investment Act. The COUNTY further agrees that it will pay to the CITY all interest or other earnings attributable to taxes owed to the CITY. All parties agree that this Agreement will not be construed to lengthen the time period during which the COUNTY or the ASSESSOR/COLLECTOR may hold such funds before payment to the CITY.

IX.
REFUNDS

Refunds will be made by the ASSESSOR/COLLECTOR except as set forth herein. The ASSESSOR/COLLECTOR will advise the CITY of changes in the tax roll which were mandated by the appropriate Appraisal District.

The ASSESSOR/COLLECTOR will not make refunds on prior year paid accounts unless the prior year paid accounts for the past five (5) years are provided to the ASSESSOR/COLLECTOR.

If the amount of refunds processed for City of Westworth Village exceeds collections for City of Westworth Village, City of Westworth Village will be placed in a negative status and no distributions will be made to City of Westworth Village until collections exceed the negative balance.

All refunds of overpayments or erroneous payments due, but not requested, and as described in Section 31.11 of the Texas Property Tax Code, will after three years from the date of payment, be proportionately disbursed to those entities contracting with the ASSESSOR/COLLECTOR. The contract must have been in force, actual assessment and collection functions begun and the tax account was at the time of the over or erroneous payment within the CITY'S jurisdiction. The proportional share is based upon the CITY'S percent of the tax account's total levy assessed at the time of receipt of the over or erroneous payment.

In the event any lawsuit regarding the collection of taxes provided for in this agreement to which the CITY is a party, is settled or a final judgment rendered, and which final judgment is not appealed, and the terms of such settlement agreement or final judgment require that a refund be issued by the CITY to the taxpayer, such refund shall be made by ASSESSOR/COLLECTOR by debiting funds collected by ASSESSOR/COLLECTOR on behalf of the CITY and remitting such refund to the taxpayer in conformity with the terms of the settlement agreement or final judgment.

X.
DELINQUENT COLLECTIONS

The ASSESSOR/COLLECTOR will assess and collect the collection fee pursuant to Sections, 33.07, 33.08, 33.11 and 33.48 of the Property Tax Code, when allowed. The ASSESSOR/COLLECTOR will collect attorney fees that are specified by the CITY through written agreement with a delinquent collection Attorney. The ASSESSOR/COLLECTOR will disburse the amount directly to the Firm under contract to the CITY.

If the delinquent collection Attorney contracted by the CITY requires attendance of ASSESSOR/COLLECTOR personnel at a court other than the District Courts in downtown Fort Worth, and the COUNTY is not a party, the employee's expenses and proportionate salary will be the responsibility of the CITY and will be added to the collection expenses and charged to the CITY.

The ASSESSOR/COLLECTOR will not be responsible for the collection of prior year delinquent accounts unless all delinquent accounts information is provided to the ASSESSOR/COLLECTOR.

XI.
TERM OF AGREEMENT

This Agreement shall become effective as of the date hereinabove set out and shall continue in effect through the 2027 tax year, unless sooner terminated by providing sixty (60) day written notice, as outlined in paragraph XII.

XII.

If the amount of refunds processed for Kennedale ISD exceeds collections for Kennedale ISD, Kennedale ISD will be placed in a negative status and no distributions will be made to Kennedale ISD until collections exceed the negative balance.

All refunds of overpayments or erroneous payments due, but not requested, and as described in Section 31.11 of the Texas Property Tax Code, will after three years from the date of payment, be proportionately disbursed to those entities contracting with the ASSESSOR/COLLECTOR. The contract must have been in force, actual assessment and collection functions begun and the tax account was at the time of the over or erroneous payment within the SCHOOL'S jurisdiction. The proportional share is based upon the SCHOOL'S percent of the tax account's total levy assessed at the time of receipt of the over or erroneous payment.

In the event any lawsuit regarding the collection of taxes provided for in this agreement to which the SCHOOL is a party, is settled or a final judgment rendered, and which final judgment is not appealed, and the terms of such settlement agreement or final judgment require that a refund be issued by the SCHOOL to the taxpayer, such refund shall be made by ASSESSOR/COLLECTOR by debiting funds collected by ASSESSOR/COLLECTOR on behalf of the SCHOOL and remitting such refund to the taxpayer in conformity with the terms of the settlement agreement or final judgment.

X.
DELINQUENT COLLECTIONS

The ASSESSOR/COLLECTOR will assess and collect the collection fee pursuant to Sections, 33.07, 33.08, 33.11 and 33.48 of the Property Tax Code, when allowed. The ASSESSOR/COLLECTOR will collect attorney fees that are specified by the SCHOOL through written agreement with a delinquent collection Attorney. The ASSESSOR/COLLECTOR will disburse the amount directly to the Firm under contract to the SCHOOL.

If the delinquent collection Attorney contracted by the SCHOOL requires attendance of ASSESSOR/COLLECTOR personnel at a court other than the District Courts in downtown Fort Worth, and the COUNTY is not a party, the employee's expenses and proportionate salary will be the responsibility of the SCHOOL and will be added to the collection expenses and charged to the SCHOOL.

The ASSESSOR/COLLECTOR will not be responsible for the collection of prior year delinquent accounts unless all delinquent accounts information is provided to the ASSESSOR/COLLECTOR.

XI.
TERM OF AGREEMENT

This Agreement shall become effective as of the date hereinabove set out and shall continue in effect through the 2027 tax year, unless sooner terminated by providing sixty (60) day written notice, as outlined in paragraph XII.

I.
SERVICES TO BE PERFORMED

The ASSESSOR/COLLECTOR agrees to bill and collect the taxes due and owing on taxable property upon which the SCHOOL has imposed said taxes. III.
COMPENSATION

In consideration of the services to be performed by the ASSESSOR/COLLECTOR, SCHOOL will compensate the ASSESSOR/COLLECTOR for the services rendered at a rate of one dollar and seven cents ($1.07) per account located within Tarrant County, two dollars ($2.00) per account located outside Tarrant County, and two dollars ($2.00) per account for Special Assessments (PIDs, MUDs, MMDs, BIDs). The ASSESSOR/COLLECTOR reserves the right to increase these rates for services performed by no more than 3% per year at its sole discretion for the duration of this contract. If the ASSESSOR/COLLECTOR institutes such an increase, the increase will begin as of October 1, 2026, for the duration of that collection year. Further increases will be reviewed and instituted on an annual basis. The number of accounts billed will be based on the ending number of accounts on the certified roll as of September 30th for the previous year as provided by the Appraisal District. The ASSESSOR/COLLECTOR will invoice for these accounts by **January 31 of each contract year** with payment to be received from the SCHOOL by **February 28 of each contract year.** The scope of services identified in this contract does not include the administration of a rollback election. The ASSESSOR/COLLECTOR will provide to the SCHOOL auditor necessary explanations of all reports and access to ASSESSOR/COLLECTOR in-house tax system computer terminals to assist the SCHOOL auditor in verifying audit samples of the financial data previously provided by the ASSESSOR/COLLECTOR during the past audit period. Additional support for entity verification or entity auditor verification is not a part of this contract. Each request for support will be reviewed individually. Costs for providing audit support will be determined by the ASSESSOR/COLLECTOR and will be charged to and must be paid by the SCHOOL.

V.
TAX RATE REQUIREMENT

The SCHOOL will provide the ASSESSOR/COLLECTOR copies of the resolution, ordinance, or order signed by the governing body adopting the SCHOOL'S current tax rate and exemption schedule to be applied for assessing purposes along with a copy of the rate calculation worksheets, if applicable, by the third Monday in September of each year of the contract. Under authority of Section 31.01 (h) of the Property Tax Code, any additional cost of printing and mailing tax statements because of late reporting of the tax rate or the exemption schedule will be charged to and must be paid by the SCHOOL. Any additional cost or expense requiring recalculation or rebilling due to an inaccurate or erroneous tax rate provided by Mansfield ISD will be paid by Mansfield ISD.

The tax rate and the exemption schedule for each of the last five (5) years in which an ad valorem tax was levied, or all prior years where there remains delinquent tax, must be furnished in writing to the ASSESSOR/COLLECTOR at the time of the initial contract.

VI.
COMPLIANCE WITH APPLICABLE STATUTES, ORDINANCES, AND REGULATIONS

In performing the services required under this Agreement, the ASSESSOR/COLLECTOR shall comply with all applicable federal and state statutes, final Court orders and Comptroller regulations. VII.
DEPOSIT OF FUNDS

All funds collected by the ASSESSOR/COLLECTOR in the performance of the services stated herein for the SCHOOL shall be promptly transferred to the account of the SCHOOL at the SCHOOL'S depository bank. All payments to entities will be made electronically by the automated clearing house (ACH). The ASSESSOR/COLLECTOR has no liability for the funds after initiation of the ACH transfer of the SCHOOL'S funds from the COUNTY Depository to the SCHOOL'S designated depository. ASSESSOR/COLLECTOR has the authority to temporarily suspend payments to Mansfield ISD due to unforeseen or unanticipated circumstances.

VIII.
INVESTMENT OF FUNDS

The SCHOOL hereby agrees that the COUNTY, acting through the COUNTY Auditor, may invest collected ad valorem tax funds of the SCHOOL during the period between collection and payment. The COUNTY agrees that it will invest such funds in compliance with the Public Funds Investment Act. The COUNTY further agrees that it will pay to the SCHOOL all interest or other earnings attributable to taxes owed to the SCHOOL. All parties agree that this Agreement will not be construed to lengthen the time period during which the COUNTY or the ASSESSOR/COLLECTOR may hold such funds before payment to the SCHOOL.

IX.
REFUNDS

Refunds will be made by the ASSESSOR/COLLECTOR except as set forth herein. The ASSESSOR/COLLECTOR will advise the SCHOOL of changes in the tax roll which were mandated by the appropriate Appraisal District.

The ASSESSOR/COLLECTOR will not make refunds on prior year paid accounts unless the prior year paid accounts for the past five (5) years are provided to the ASSESSOR/COLLECTOR.

If the amount of refunds processed for Mansfield ISD exceeds collections for Mansfield ISD, Mansfield ISD will be placed in a negative status and no distributions will be made to Mansfield ISD until collections exceed the negative balance.

All refunds of overpayments or erroneous payments due, but not requested, and as described in Section 31.11 of the Texas Property Tax Code, will after three years from the date of payment, be proportionately disbursed to those entities contracting with the ASSESSOR/COLLECTOR. The ASSESSOR/COLLECTOR will not be responsible for the collection of prior year delinquent accounts unless all delinquent accounts information is provided to the ASSESSOR/COLLECTOR.

XI.
TERM OF AGREEMENT

This Agreement shall become effective as of the date hereinabove set out and shall continue in effect through the 2027 tax year, unless sooner terminated by providing sixty (60) day written notice, as outlined in paragraph XII.

VI.
COMPLIANCE WITH APPLICABLE STATUTES, ORDINANCES, AND REGULATIONS

In performing the services required under this Agreement, the ASSESSOR/COLLECTOR shall comply with all applicable federal and state statutes, final Court orders and Comptroller regulations. If such compliance is impossible for reasons beyond its control, the ASSESSOR/COLLECTOR shall immediately notify the TOWN of that fact and the reasons therefore.

VII.
DEPOSIT OF FUNDS

All funds collected by the ASSESSOR/COLLECTOR in the performance of the services stated herein for the TOWN shall be promptly transferred to the account of the TOWN at the TOWN'S depository bank. All payments to entities will be made electronically by the automated clearing house (ACH). The ASSESSOR/COLLECTOR has no liability for the funds after initiation of the ACH transfer of the TOWN'S funds from the COUNTY Depository to the TOWN'S designated depository. ASSESSOR/COLLECTOR has the authority to temporarily suspend payments to Town of Lakeside due to unforeseen or unanticipated circumstances.

VIII.
INVESTMENT OF FUNDS

The TOWN hereby agrees that the COUNTY, acting through the COUNTY Auditor, may invest collected ad valorem tax funds of the TOWN during the period between collection and payment. The COUNTY agrees that it will invest such funds in compliance with the Public Funds Investment Act. The COUNTY further agrees that it will pay to the TOWN all interest or other earnings attributable to taxes owed to the TOWN. All parties agree that this Agreement will not be construed to lengthen the time period during which the COUNTY or the ASSESSOR/COLLECTOR may hold such funds before payment to the TOWN.

IX.
REFUNDS

Refunds will be made by the ASSESSOR/COLLECTOR except as set forth herein. The ASSESSOR/COLLECTOR will advise the TOWN of changes in the tax roll which were mandated by the appropriate Appraisal District.

The ASSESSOR/COLLECTOR will not make refunds on prior year paid accounts unless the prior year paid accounts for the past five (5) years are provided to the ASSESSOR/COLLECTOR.

If the amount of refunds processed for Town of Lakeside exceeds collections for Town of Lakeside, Town of Lakeside will be placed in a negative status and no distributions will be made to Town of Lakeside until collections exceed the negative balance.

All refunds of overpayments or erroneous payments due, but not requested, and as described in Section 31.11 of the Texas Property Tax Code, will after three years from the date of payment, be proportionately disbursed to those entities contracting with the ASSESSOR/COLLECTOR. The contract must have been in force, actual assessment and collection functions begun and the tax account was at the time of the over or erroneous payment within the TOWN'S jurisdiction. The proportional share is based upon the TOWN'S percent of the tax account's total levy assessed at the time of receipt of the over or erroneous payment.

In the event any lawsuit regarding the collection of taxes provided for in this agreement to which the TOWN is a party, is settled or a final judgment rendered, and which final judgment is not appealed, and the terms of such settlement agreement or final judgment require that a refund be issued by the TOWN to the taxpayer, such refund shall be made by ASSESSOR/COLLECTOR by debiting funds collected by ASSESSOR/COLLECTOR on behalf of the TOWN and remitting such refund to the taxpayer in conformity with the terms of the settlement agreement or final judgment.

X.
DELINQUENT COLLECTIONS

The ASSESSOR/COLLECTOR will assess and collect the collection fee pursuant to Sections, 33.07, 33.08, 33.11 and 33.48 of the Property Tax Code, when allowed. The ASSESSOR/COLLECTOR will collect attorney fees that are specified by the TOWN through written agreement with a delinquent collection Attorney. The ASSESSOR/COLLECTOR will disburse the amount directly to the Firm under contract to the TOWN.

If the delinquent collection Attorney contracted by the TOWN requires attendance of ASSESSOR/COLLECTOR personnel at a court other than the District Courts in downtown Fort Worth, and the COUNTY is not a party, the employee's expenses and proportionate salary will be the responsibility of the TOWN and will be added to the collection expenses and charged to the TOWN.

The ASSESSOR/COLLECTOR will not be responsible for the collection of prior year delinquent accounts unless all delinquent accounts information is provided to the ASSESSOR/COLLECTOR.

The ASSESSOR/COLLECTOR reserves the right to increase these rates for services performed by no more than 3% per year at its sole discretion for the duration of this contract. If the ASSESSOR/COLLECTOR institutes such an increase, the increase will begin as of October 1, 2026, for the duration of that collection year. IX.
REFUNDS

Refunds will be made by the ASSESSOR/COLLECTOR except as set forth herein. The ASSESSOR/COLLECTOR will advise the TOWN of changes in the tax roll which were mandated by the appropriate Appraisal District.

The ASSESSOR/COLLECTOR will not make refunds on prior year paid accounts unless the prior year paid accounts for the past five (5) years are provided to the ASSESSOR/COLLECTOR.

Further increases will be reviewed and instituted on an annual basis. The number of accounts billed will be based on the ending number of accounts on the certified roll as of September 30th for the previous year as provided by the Appraisal District. The ASSESSOR/COLLECTOR will invoice for these accounts by **January 31 of each contract year** with payment to be received from the CITY by **February 28 of each contract year.** The scope of services identified in this contract does not include the administration of a rollback election. In the event of a successful rollback election, these costs incurred by the Tarrant County Tax Office will be separately identified, billed, and paid by the entity.

IV.
AUDITS

The ASSESSOR/COLLECTOR will provide to the CITY auditor necessary explanations of all reports and access to ASSESSOR/COLLECTOR in-house tax system computer terminals to assist the CITY auditor in verifying audit samples of the financial data previously provided by the ASSESSOR/COLLECTOR during the past audit period. Additional support for entity verification or entity auditor verification is not a part of this contract. Each request for support will be reviewed individually. Costs for providing audit support will be determined by the ASSESSOR/COLLECTOR and will be charged to and must be paid by the CITY.

V.
TAX RATE REQUIREMENT

The CITY will provide the ASSESSOR/COLLECTOR copies of the resolution, ordinance, or order signed by the governing body adopting the CITY'S current tax rate and exemption schedule to be applied for assessing purposes along with a copy of the rate calculation worksheets, if applicable, by the third Monday in September of each year of the contract. Under authority of Section 31.01 (h) of the Property Tax Code, any additional cost of printing and mailing tax statements because of late reporting of the tax rate or the exemption schedule will be charged to and must be paid by the CITY. Any additional cost or expense requiring recalculation or rebilling due to an inaccurate or erroneous tax rate provided by City of Lake Worth will be paid by City of Lake Worth.

The tax rate and the exemption schedule for each of the last five (5) years in which an ad valorem tax was levied, or all prior years where there remains delinquent tax, must be furnished in writing to the ASSESSOR/COLLECTOR at the time of the initial contract.

VI.
COMPLIANCE WITH APPLICABLE STATUTES, ORDINANCES, AND REGULATIONS

In performing the services required under this Agreement, the ASSESSOR/COLLECTOR shall comply with all applicable federal and state statutes, final Court orders and Comptroller regulations. If such compliance is impossible for reasons beyond its control, the ASSESSOR/COLLECTOR shall immediately notify the CITY of that fact and the reasons therefore.

VII.
DEPOSIT OF FUNDS

All funds collected by the ASSESSOR/COLLECTOR in the performance of the services stated herein for the CITY shall be promptly transferred to the account of the CITY at the CITY'S depository bank. All payments to entities will be made electronically by the automated clearing house (ACH). The ASSESSOR/COLLECTOR has no liability for the funds after initiation of the ACH transfer of the CITY'S funds from the COUNTY Depository to the CITY'S designated depository. ASSESSOR/COLLECTOR has the authority to temporarily suspend payments to City of Lake Worth due to unforeseen or unanticipated circumstances.

VIII.
INVESTMENT OF FUNDS

The CITY hereby agrees that the COUNTY, acting through the COUNTY Auditor, may invest collected ad valorem tax funds of the CITY during the period between collection and payment. The COUNTY agrees that it will invest such funds in compliance with the Public Funds Investment Act. The COUNTY further agrees that it will pay to the CITY all interest or other earnings attributable to taxes owed to the CITY. All parties agree that this Agreement will not be construed to lengthen the time period during which the COUNTY or the ASSESSOR/COLLECTOR may hold such funds before payment to the CITY.

IX.
REFUNDS

Refunds will be made by the ASSESSOR/COLLECTOR except as set forth herein. The ASSESSOR/COLLECTOR will advise the CITY of changes in the tax roll which were mandated by the appropriate Appraisal District.

The ASSESSOR/COLLECTOR will not make refunds on prior year paid accounts unless the prior year paid accounts for the past five (5) years are provided to the ASSESSOR/COLLECTOR.

If the amount of refunds processed for City of Lake Worth exceeds collections for City of Lake Worth, City of Lake Worth will be placed in a negative status and no distributions will be made to City of Lake Worth until collections exceed the negative balance.

All refunds of overpayments or erroneous payments due, but not requested, and as described in Section 31.11 of the Texas Property Tax Code, will after three years from the date of payment, be proportionately disbursed to those entities contracting with the ASSESSOR/COLLECTOR. The contract must have been in force, actual assessment and collection functions begun and the tax account was at the time of the over or erroneous payment within the CITY'S jurisdiction. The proportional share is based upon the CITY'S percent of the tax account's total levy assessed at the time of receipt of the over or erroneous payment.

In the event any lawsuit regarding the collection of taxes provided for in this agreement to which the CITY is a party, is settled or a final judgment rendered, and which final judgment is not appealed, and the terms of such settlement agreement or final judgment require that a refund be issued by the CITY to the taxpayer, such refund shall be made by ASSESSOR/COLLECTOR by debiting funds collected by ASSESSOR/COLLECTOR on behalf of the CITY and remitting such refund to the taxpayer in conformity with the terms of the settlement agreement or final judgment.

X.
DELINQUENT COLLECTIONS

The ASSESSOR/COLLECTOR will assess and collect the collection fee pursuant to Sections, 33.07, 33.08, 33.11 and 33.48 of the Property Tax Code, when allowed. The ASSESSOR/COLLECTOR will collect attorney fees that are specified by the CITY through written agreement with a delinquent collection Attorney. The ASSESSOR/COLLECTOR will disburse the amount directly to the Firm under contract to the CITY.

If the delinquent collection Attorney contracted by the CITY requires attendance of ASSESSOR/COLLECTOR personnel at a court other than the District Courts in downtown Fort Worth, and the COUNTY is not a party, the employee's expenses and proportionate salary will be the responsibility of the CITY and will be added to the collection expenses and charged to the CITY.

The ASSESSOR/COLLECTOR will not be responsible for the collection of prior year delinquent accounts unless all delinquent accounts information is provided to the ASSESSOR/COLLECTOR.

The ASSESSOR/COLLECTOR reserves the right to increase these rates for services performed by no more than 3% per year at its sole discretion for the duration of this contract. If the ASSESSOR/COLLECTOR institutes such an increase, the increase will begin as of October 1, 2026, for the duration of that collection year. Further increases will be reviewed and instituted on an annual basis. The number of accounts billed will be based on the ending number of accounts on the certified roll as of September 30th for the previous year as provided by the Appraisal District. The ASSESSOR/COLLECTOR will invoice for these accounts by **January 31 of each contract year** with payment to be received from the CITY by **February 28 of each contract year.** The scope of services identified in this contract does not include the administration of a rollback election. In the event of a successful rollback election, these costs incurred by the Tarrant County Tax Office will be separately identified, billed, and paid by the entity.

AUDITS

The ASSESSOR/COLLECTOR will provide to the CITY auditor necessary explanations of all reports and access to ASSESSOR/COLLECTOR in-house tax system computer terminals to assist the CITY auditor in verifying audit samples of the financial data previously provided by the ASSESSOR/COLLECTOR during the past audit period. V.
TAX RATE REQUIREMENT

The CITY will provide the ASSESSOR/COLLECTOR copies of the resolution, ordinance, or order signed by the governing body adopting the CITY'S current tax rate and exemption schedule to be applied for assessing purposes along with a copy of the rate calculation worksheets, if applicable, by the third Monday in September of each year of the contract. Under authority of Section 31.01 (h) of the Property Tax Code, any additional cost of printing and mailing tax statements because of late reporting of the tax rate or the exemption schedule will be charged to and must be paid by the CITY. Any additional cost or expense requiring recalculation or rebilling due to an inaccurate or erroneous tax rate provided by City of Euless will be paid by City of Euless.

The tax rate and the exemption schedule for each of the last five (5) years in which an ad valorem tax was levied, or all prior years where there remains delinquent tax, must be furnished in writing to the ASSESSOR/COLLECTOR at the time of the initial contract.

VI.
COMPLIANCE WITH APPLICABLE STATUTES, ORDINANCES, AND REGULATIONS

In performing the services required under this Agreement, the ASSESSOR/COLLECTOR shall comply with all applicable federal and state statutes, final Court orders and Comptroller regulations. If such compliance is impossible for reasons beyond its control, the ASSESSOR/COLLECTOR shall immediately notify the CITY of that fact and the reasons therefore.

VII.
DEPOSIT OF FUNDS

All funds collected by the ASSESSOR/COLLECTOR in the performance of the services stated herein for the CITY shall be promptly transferred to the account of the CITY at the CITY'S depository bank. All payments to entities will be made electronically by the automated clearing house (ACH). The ASSESSOR/COLLECTOR has no liability for the funds after initiation of the ACH transfer of the CITY'S funds from the COUNTY Depository to the CITY'S designated depository. ASSESSOR/COLLECTOR has the authority to temporarily suspend payments to City of Euless due to unforeseen or unanticipated circumstances.

VIII.
INVESTMENT OF FUNDS

The CITY hereby agrees that the COUNTY, acting through the COUNTY Auditor, may invest collected ad valorem tax funds of the CITY during the period between collection and payment. The COUNTY agrees that it will invest such funds in compliance with the Public Funds Investment Act. The COUNTY further agrees that it will pay to the CITY all interest or other earnings attributable to taxes owed to the CITY. All parties agree that this Agreement will not be construed to lengthen the time period during which the COUNTY or the ASSESSOR/COLLECTOR may hold such funds before payment to the CITY.

IX.
REFUNDS

Refunds will be made by the ASSESSOR/COLLECTOR except as set forth herein. The ASSESSOR/COLLECTOR will advise the CITY of changes in the tax roll which were mandated by the appropriate Appraisal District.

The ASSESSOR/COLLECTOR will not make refunds on prior year paid accounts unless the prior year paid accounts for the past five (5) years are provided to the ASSESSOR/COLLECTOR.

If the amount of refunds processed for City of Euless exceeds collections for City of Euless, City of Euless will be placed in a negative status and no distributions will be made to City of Euless until collections exceed the negative balance.

All refunds of overpayments or erroneous payments due, but not requested, and as described in Section 31.11 of the Texas Property Tax Code, will after three years from the date of payment, be proportionately disbursed to those entities contracting with the ASSESSOR/COLLECTOR. The contract must have been in force, actual assessment and collection functions begun and the tax account was at the time of the over or erroneous payment within the CITY'S jurisdiction. The proportional share is based upon the CITY'S percent of the tax account's total levy assessed at the time of receipt of the over or erroneous payment.

In the event any lawsuit regarding the collection of taxes provided for in this agreement to which the CITY is a party, is settled or a final judgment rendered, and which final judgment is not appealed, and the terms of such settlement agreement or final judgment require that a refund be issued by the CITY to the taxpayer, such refund shall be made by ASSESSOR/COLLECTOR by debiting funds collected by ASSESSOR/COLLECTOR on behalf of the CITY and remitting such refund to the taxpayer in conformity with the terms of the settlement agreement or final judgment.

The ASSESSOR/COLLECTOR will disburse the amount directly to the Firm under contract to the CITY.

If the delinquent collection Attorney contracted by the CITY requires attendance of ASSESSOR/COLLECTOR personnel at a court other than the District Courts in downtown Fort Worth, and the COUNTY is not a party, the employee's expenses and proportionate salary will be the responsibility of the CITY and will be added to the collection expenses and charged to the CITY.

The ASSESSOR/COLLECTOR will not be responsible for the collection of prior year delinquent accounts unless all delinquent accounts information is provided to the ASSESSOR/COLLECTOR.

PURPOSE OF AGREEMENT

The purpose of this Agreement is to state the terms and conditions under which the ASSESSOR/COLLECTOR will provide assessment and collection services of Ad Valorem taxes levied by the CITY.

NOW THEREFORE, in consideration of the mutual promises herein contained, the parties hereto agree as follows:

I.
SERVICES TO BE PERFORMED

The ASSESSOR/COLLECTOR agrees to bill and collect the taxes due and owing on taxable property upon which the CITY has imposed said taxes. The services performed are as follows: receiving the Certified Appraisal Roll from the appropriate Appraisal District and monthly changes thereto; providing mortgage companies, property owners and tax representatives, tax roll and payment data; providing all necessary assessments of taxes and Truth in Taxation calculations as required; the transmittal of tax statements via the U.S. Mail or electronic transfer of data; and payment processing. All CITY disbursements, made by check or by electronic transfer (ACH), for collected tax accounts will be made to the CITY on the day the COUNTY Depository Bank indicates the mandatory assigned "float" period has elapsed and the funds are posted to the collected balance. If any daily collection total is less than one hundred dollars ($100.00), the disbursement may be withheld until the cumulative total of taxes collected for the CITY equals at least one hundred dollars ($100.00), or at the close of the month.

II.

Weekly:	Detail Collection Summary Report Detail Collection Summary by Year

III.
COMPENSATION

In consideration of the services to be performed by the ASSESSOR/COLLECTOR, CITY will compensate the ASSESSOR/COLLECTOR for the services rendered at a rate of one dollar and seven cents ($1.07) per account located within Tarrant County, two dollars ($2.00) per account located outside Tarrant County, and two dollars ($2.00) per account for Special Assessments (PIDs, MUDs, MMDs, BIDs). The ASSESSOR/COLLECTOR reserves the right to increase these rates for services performed by no more than 3% per year at its sole discretion for the duration of this contract. If the ASSESSOR/COLLECTOR institutes such an increase, the increase will begin as of October 1, 2026, for the duration of that collection year. Further increases will be reviewed and instituted on an annual basis. The number of accounts billed will be based on the ending number of accounts on the certified roll as of September 30th for the previous year as provided by the Appraisal District. The ASSESSOR/COLLECTOR will invoice for these accounts by **January 31 of each contract year** with payment to be received from the CITY by **February 28 of each contract year.** The scope of services identified in this contract does not include the administration of a rollback election. In the event of a successful rollback election, these costs incurred by the Tarrant County Tax Office will be separately identified, billed, and paid by the entity.

IV.
AUDITS

The ASSESSOR/COLLECTOR will provide to the CITY auditor necessary explanations of all reports and access to ASSESSOR/COLLECTOR in-house tax system computer terminals to assist the CITY auditor in verifying audit samples of the financial data previously provided by the ASSESSOR/COLLECTOR during the past audit period. Additional support for entity verification or entity auditor verification is not a part of this contract. Each request for support will be reviewed individually. Costs for providing audit support will be determined by the ASSESSOR/COLLECTOR and will be charged to and must be paid by the CITY.

V.
TAX RATE REQUIREMENT

The CITY will provide the ASSESSOR/COLLECTOR copies of the resolution, ordinance, or order signed by the governing body adopting the CITY'S current tax rate and exemption schedule to be applied for assessing purposes along with a copy of the rate calculation worksheets, if applicable, by the third Monday in September of each year of the contract. Under authority of Section 31.01 (h) of the Property Tax Code, any additional cost of printing and mailing tax statements because of late reporting of the tax rate or the exemption schedule will be charged to and must be paid by the CITY. Any additional cost or expense requiring recalculation or rebilling due to an inaccurate or erroneous tax rate provided by City of Azle will be paid by City of Azle.

The tax rate and the exemption schedule for each of the last five (5) years in which an ad valorem tax was levied, or all prior years where there remains delinquent tax, must be furnished in writing to the ASSESSOR/COLLECTOR at the time of the initial contract.

VI.
COMPLIANCE WITH APPLICABLE STATUTES, ORDINANCES, AND REGULATIONS

In performing the services required under this Agreement, the ASSESSOR/COLLECTOR shall comply with all applicable federal and state statutes, final Court orders and Comptroller regulations. If such compliance is impossible for reasons beyond its control, the ASSESSOR/COLLECTOR shall immediately notify the CITY of that fact and the reasons therefore.

VII.
DEPOSIT OF FUNDS

All funds collected by the ASSESSOR/COLLECTOR in the performance of the services stated herein for the CITY shall be promptly transferred to the account of the CITY at the CITY'S depository bank. All payments to entities will be made electronically by the automated clearing house (ACH). The ASSESSOR/COLLECTOR has no liability for the funds after initiation of the ACH transfer of the CITY'S funds from the COUNTY Depository to the CITY'S designated depository. ASSESSOR/COLLECTOR has the authority to temporarily suspend payments to City of Azle due to unforeseen or unanticipated circumstances.

VIII.
INVESTMENT OF FUNDS

The CITY hereby agrees that the COUNTY, acting through the COUNTY Auditor, may invest collected ad valorem tax funds of the CITY during the period between collection and payment. The COUNTY agrees that it will invest such funds in compliance with the Public Funds Investment Act. The COUNTY further agrees that it will pay to the CITY all interest or other earnings attributable to taxes owed to the CITY. All parties agree that this Agreement will not be construed to lengthen the time period during which the COUNTY or the ASSESSOR/COLLECTOR may hold such funds before payment to the CITY.

IX.
REFUNDS

Refunds will be made by the ASSESSOR/COLLECTOR except as set forth herein. The ASSESSOR/COLLECTOR will advise the CITY of changes in the tax roll which were mandated by the appropriate Appraisal District.

The ASSESSOR/COLLECTOR will not make refunds on prior year paid accounts unless the prior year paid accounts for the past five (5) years are provided to the ASSESSOR/COLLECTOR.

If the amount of refunds processed for City of Azle exceeds collections for City of Azle, City of Azle will be placed in a negative status and no distributions will be made to City of Azle until collections exceed the negative balance.

All refunds of overpayments or erroneous payments due, but not requested, and as described in Section 31.11 of the Texas Property Tax Code, will after three years from the date of payment, be proportionately disbursed to those entities contracting with the ASSESSOR/COLLECTOR. The contract must have been in force, actual assessment and collection functions begun and the tax account was at the time of the over or erroneous payment within the CITY'S jurisdiction. The proportional share is based upon the CITY'S percent of the tax account's total levy assessed at the time of receipt of the over or erroneous payment.

In the event any lawsuit regarding the collection of taxes provided for in this agreement to which the CITY is a party, is settled or a final judgment rendered, and which final judgment is not appealed, and the terms of such settlement agreement or final judgment require that a refund be issued by the CITY to the taxpayer, such refund shall be made by ASSESSOR/COLLECTOR by debiting funds collected by ASSESSOR/COLLECTOR on behalf of the CITY and remitting such refund to the taxpayer in conformity with the terms of the settlement agreement or final judgment.

X.
DELINQUENT COLLECTIONS

The ASSESSOR/COLLECTOR will assess and collect the collection fee pursuant to Sections, 33.07, 33.08, 33.11 and 33.48 of the Property Tax Code, when allowed. The ASSESSOR/COLLECTOR will collect attorney fees that are specified by the CITY through written agreement with a delinquent collection Attorney. The ASSESSOR/COLLECTOR will disburse the amount directly to the Firm under contract to the CITY.

If the delinquent collection Attorney contracted by the CITY requires attendance of ASSESSOR/COLLECTOR personnel at a court other than the District Courts in downtown Fort Worth, and the COUNTY is not a party, the employee's expenses and proportionate salary will be the responsibility of the CITY and will be added to the collection expenses and charged to the CITY.

The ASSESSOR/COLLECTOR will not be responsible for the collection of prior year delinquent accounts unless all delinquent accounts information is provided to the ASSESSOR/COLLECTOR.

XI.
TERM OF AGREEMENT

This Agreement shall become effective as of the date hereinabove set out and shall continue in effect through the 2027 tax year, unless sooner terminated by providing sixty (60) day written notice, as outlined in paragraph XII.

XII.
NOTICES

Any notices to be given hereunder by either party to the other may be effected by e-mail, or in writing, either by personal

delivery or by mail, registered or certified, postage prepaid with return receipt requested. Mailed notices shall be addressed to the address of the parties as they appear in the introductory paragraph of this Agreement, but each party may change this address by notice in accordance with this paragraph.

Agreement made this _____day of_____, 2025, by and between the Tarrant County Tax Assessor/Collector, hereinafter referred to as **ASSESSOR/COLLECTOR**, and Tarrant County, hereinafter referred to as the **COUNTY**, both of whom are addressed at 100 E. Weatherford Street, Fort Worth, Texas 76196-0301, and Arlington ISD hereinafter referred to as **SCHOOL**, whose address is 690 East Lamar Blvd., Arlington, TX 76011.

PURPOSE OF AGREEMENT

The purpose of this Agreement is to state the terms and conditions under which the ASSESSOR/COLLECTOR will provide assessment and collection services of Ad Valorem taxes levied by the SCHOOL.

NOW THEREFORE, in consideration of the mutual promises herein contained, the parties hereto agree as follows:

I.

SERVICES TO BE PERFORMED

The ASSESSOR/COLLECTOR agrees to bill and collect the taxes due and owing on taxable property upon which the SCHOOL has imposed said taxes. The ASSESSOR/COLLECTOR shall perform the said services in the same manner and fashion as Tarrant County collects its own taxes due and owing on taxable property. The services performed are as follows: receiving the Certified Appraisal Roll from the appropriate Appraisal District and monthly changes thereto; providing mortgage companies, property owners and tax representatives, tax roll and payment data; providing all necessary assessments of taxes and Truth in Taxation calculations as required; the transmittal of tax statements via the U.S. Mail or electronic transfer of data; and payment processing. All SCHOOL disbursements, made by check or by electronic transfer (ACH), for collected tax accounts will be made to the SCHOOL on the day the COUNTY Depository Bank indicates the mandatory assigned "float" period has elapsed and the funds are posted to the collected balance. If any daily collection total is less than one hundred dollars ($100.00), the disbursement may be withheld until the cumulative total of taxes collected for the SCHOOL equals at least one hundred dollars ($100.00), or at the close of the month.

II.

The ASSESSOR/COLLECTOR will provide Arlington ISD the following reports via internet access:

Daily:	Entity Distribution Report
Monthly:	Assessment Roll Summary (Totals Only) Year-to-Date Summary Report Detail Collection Summary Report Distribution Summary Report Detail Collection Summary by Year Entity Revenue and Expense Reports – as required by Property Tax Code Sec 31.10 Delinquent Tax Attorney Tape, which includes Assessments
Annual:	Certified Tax Roll Paid Assessment Roll Delinquent Assessment Roll Current Assessment Roll

The following weekly reports are available upon request only and provided via email:

Weekly:	Detail Collection Summary Report Detail Collection Summary by Year

III.
COMPENSATION

In consideration of the services to be performed by the ASSESSOR/COLLECTOR, SCHOOL will compensate the ASSESSOR/COLLECTOR for the services rendered at a rate of one dollar and seven cents ($1.07) per account located within Tarrant County, two dollars ($2.00) per account located outside Tarrant County, and two dollars ($2.00) per account for Special Assessments (PIDs, MUDs, MMDs, BIDs). The ASSESSOR/COLLECTOR reserves the right to increase these rates for services performed by no more than 3% per year at its sole discretion for the duration of this contract. If the ASSESSOR/COLLECTOR institutes such an increase, the increase will begin as of October 1, 2026, for the duration of that collection year. Further increases will be reviewed and instituted on an annual basis. The number of accounts billed will be based on the ending number of accounts on the certified roll as of September 30th for the previous year as provided by the Appraisal District. The ASSESSOR/COLLECTOR will invoice for these accounts by **January 31 of each contract year** with payment to be received from the SCHOOL by **February 28 of each contract year.** The scope of services identified in this contract does not include the administration of a rollback election. In the event of a successful rollback election, these costs incurred by the Tarrant County Tax Office will be separately identified, billed, and paid by the entity.

IV.
AUDITS

The ASSESSOR/COLLECTOR will provide to the SCHOOL auditor necessary explanations of all reports and access to ASSESSOR/COLLECTOR in-house tax system computer terminals to assist the SCHOOL auditor in verifying audit samples of the financial data previously provided by the ASSESSOR/COLLECTOR during the past audit period. Additional support for entity verification or entity auditor verification is not a part of this contract. Each request for support will be reviewed individually. Costs for providing audit support will be determined by the ASSESSOR/COLLECTOR and will be charged to and must be paid by the SCHOOL.

V.
TAX RATE REQUIREMENT

The SCHOOL will provide the ASSESSOR/COLLECTOR copies of the resolution, ordinance, or order signed by the governing body adopting the SCHOOL'S current tax rate and exemption schedule to be applied for assessing purposes along with a copy of the rate calculation worksheets, if applicable, by the third Monday in September of each year of the contract. Under authority of Section 31.01 (h) of the Property Tax Code, any additional cost of printing and mailing tax statements because of late reporting of the tax rate or the exemption schedule will be charged to and must be paid by the SCHOOL. Any additional cost or expense requiring recalculation or rebilling due to an inaccurate or erroneous tax rate provided by Arlington ISD will be paid by Arlington ISD.

The tax rate and the exemption schedule for each of the last five (5) years in which an ad valorem tax was levied, or all prior years where there remains delinquent tax, must be furnished in writing to the ASSESSOR/COLLECTOR at the time of the initial contract.

VI.
COMPLIANCE WITH APPLICABLE STATUTES, ORDINANCES, AND REGULATIONS

In performing the services required under this Agreement, the ASSESSOR/COLLECTOR shall comply with all applicable federal and state statutes, final Court orders and Comptroller regulations. If such compliance is impossible for reasons beyond its control, the ASSESSOR/COLLECTOR shall immediately notify the SCHOOL of that fact and the reasons therefore.

VII.
DEPOSIT OF FUNDS

All funds collected by the ASSESSOR/COLLECTOR in the performance of the services stated herein for the SCHOOL shall be promptly transferred to the account of the SCHOOL at the SCHOOL'S depository bank. All payments to entities will be made electronically by the automated clearing house (ACH). The ASSESSOR/COLLECTOR has no liability for the funds after initiation of the ACH transfer of the SCHOOL'S funds from the COUNTY Depository to the SCHOOL'S designated depository. ASSESSOR/COLLECTOR has the authority to temporarily suspend payments to Arlington ISD due to unforeseen or unanticipated circumstances.

VIII.
INVESTMENT OF FUNDS

The SCHOOL hereby agrees that the COUNTY, acting through the COUNTY Auditor, may invest collected ad valorem tax funds of the SCHOOL during the period between collection and payment. The COUNTY agrees that it will invest such funds in compliance with the Public Funds Investment Act. The COUNTY further agrees that it will pay to the SCHOOL all interest or other earnings attributable to taxes owed to the SCHOOL. All parties agree that this Agreement will not be construed to lengthen the time period during which the COUNTY or the ASSESSOR/COLLECTOR may hold such funds before payment to the SCHOOL.

IX.
REFUNDS

Refunds will be made by the ASSESSOR/COLLECTOR except as set forth herein. The ASSESSOR/COLLECTOR will advise the SCHOOL of changes in the tax roll which were mandated by the appropriate Appraisal District.

The ASSESSOR/COLLECTOR will not make refunds on prior year paid accounts unless the prior year paid accounts for the past five (5) years are provided to the ASSESSOR/COLLECTOR.

If the amount of refunds processed for Arlington ISD exceeds collections for Arlington ISD, Arlington ISD will be placed in a negative status and no distributions will be made to Arlington ISD until collections exceed the negative balance.

All refunds of overpayments or erroneous payments due, but not requested, and as described in Section 31.11 of the Texas Property Tax Code, will after three years from the date of payment, be proportionately disbursed to those entities contracting with the ASSESSOR/COLLECTOR. The contract must have been in force, actual assessment and collection functions begun and the tax account was at the time of the over or erroneous payment within the SCHOOL'S jurisdiction. The proportional share is based upon the SCHOOL'S percent of the tax account's total levy assessed at the time of receipt of the over or erroneous payment.

In the event any lawsuit regarding the collection of taxes provided for in this agreement to which the SCHOOL is a party, is settled or a final judgment rendered, and which final judgment is not appealed, and the terms of such settlement agreement or final judgment require that a refund be issued by the SCHOOL to the taxpayer, such refund shall be made by ASSESSOR/COLLECTOR by debiting funds collected by ASSESSOR/COLLECTOR on behalf of the SCHOOL and remitting such refund to the taxpayer in conformity with the terms of the settlement agreement or final judgment.

X.
DELINQUENT COLLECTIONS

The ASSESSOR/COLLECTOR will assess and collect the collection fee pursuant to Sections, 33.07, 33.08, 33.11 and 33.48 of the Property Tax Code, when allowed. The ASSESSOR/COLLECTOR will collect attorney fees that are specified by the SCHOOL through written agreement with a delinquent collection Attorney. The ASSESSOR/COLLECTOR will disburse the amount directly to the Firm under contract to the SCHOOL.

If the delinquent collection Attorney contracted by the SCHOOL requires attendance of ASSESSOR/COLLECTOR personnel at a court other than the District Courts in downtown Fort Worth, and the COUNTY is not a party, the employee's expenses and proportionate salary will be the responsibility of the SCHOOL and will be added to the collection expenses and charged to the SCHOOL.

The ASSESSOR/COLLECTOR will not be responsible for the collection of prior year delinquent accounts unless all delinquent accounts information is provided to the ASSESSOR/COLLECTOR.

XI.
TERM OF AGREEMENT

This Agreement shall become effective as of the date hereinabove set out and shall continue in effect through the 2027 tax year, unless sooner terminated by providing sixty (60) day written notice, as outlined in paragraph XII.

XII.
NOTICES

Any notices to be given hereunder by either party to the other may be effected by e-mail, or in writing, either by personal delivery or by mail, registered or certified, postage prepaid with return receipt requested. Mailed notices shall be addressed

to the address of the parties as they appear in the introductory paragraph of this Agreement, but each party may change this address by notice in accordance with this paragraph.

The ASSESSOR/COLLECTOR will collect attorney fees that are specified by the CITY through written agreement with a delinquent collection Attorney. The ASSESSOR/COLLECTOR will disburse the amount directly to the Firm under contract to the CITY.

Costs for providing audit support will be determined by the ASSESSOR/COLLECTOR and will be charged to and must be paid by the SCHOOL.

V.
TAX RATE REQUIREMENT

The SCHOOL will provide the ASSESSOR/COLLECTOR copies of the resolution, ordinance, or order signed by the governing body adopting the SCHOOL'S current tax rate and exemption schedule to be applied for assessing purposes along with a copy of the rate calculation worksheets, if applicable, by the third Monday in September of each year of the contract. Under authority of Section 31.01 (h) of the Property Tax Code, any additional cost of printing and mailing tax statements because of late reporting of the tax rate or the exemption schedule will be charged to and must be paid by the SCHOOL. Any additional cost or expense requiring recalculation or rebilling due to an inaccurate or erroneous tax rate provided by Fort Worth ISD will be paid by Fort Worth ISD.

The tax rate and the exemption schedule for each of the last five (5) years in which an ad valorem tax was levied, or all prior years where there remains delinquent tax, must be furnished in writing to the ASSESSOR/COLLECTOR at the time of the initial contract.

VI.
COMPLIANCE WITH APPLICABLE STATUTES, ORDINANCES, AND REGULATIONS

In performing the services required under this Agreement, the ASSESSOR/COLLECTOR shall comply with all applicable federal and state statutes, final Court orders and Comptroller regulations. If such compliance is impossible for reasons beyond its control, the ASSESSOR/COLLECTOR shall immediately notify the SCHOOL of that fact and the reasons therefore.

VII.
DEPOSIT OF FUNDS

All funds collected by the ASSESSOR/COLLECTOR in the performance of the services stated herein for the SCHOOL shall be promptly transferred to the account of the SCHOOL at the SCHOOL'S depository bank. All payments to entities will be made electronically by the automated clearing house (ACH). The ASSESSOR/COLLECTOR has no liability for the funds after initiation of the ACH transfer of the SCHOOL'S funds from the COUNTY Depository to the SCHOOL'S designated depository. ASSESSOR/COLLECTOR has the authority to temporarily suspend payments to Fort Worth ISD due to unforeseen or unanticipated circumstances.

VIII.

INVESTMENT OF FUNDS

The SCHOOL hereby agrees that the COUNTY, acting through the COUNTY Auditor, may invest collected ad valorem tax funds of the SCHOOL during the period between collection and payment. The COUNTY agrees that it will invest such funds in compliance with the Public Funds Investment Act. The COUNTY further agrees that it will pay to the SCHOOL all interest or other earnings attributable to taxes owed to the SCHOOL. All parties agree that this Agreement will not be construed to lengthen the time period during which the COUNTY or the ASSESSOR/COLLECTOR may hold such funds before payment to the SCHOOL.

IX.
REFUNDS

Refunds will be made by the ASSESSOR/COLLECTOR except as set forth herein. The ASSESSOR/COLLECTOR will advise the SCHOOL of changes in the tax roll which were mandated by the appropriate Appraisal District.

The ASSESSOR/COLLECTOR will not make refunds on prior year paid accounts unless the prior year paid accounts for the past five (5) years are provided to the ASSESSOR/COLLECTOR.

If the amount of refunds processed for Fort Worth ISD exceeds collections for Fort Worth ISD, Fort Worth ISD will be placed in a negative status and no distributions will be made to Fort Worth ISD until collections exceed the negative balance.

All refunds of overpayments or erroneous payments due, but not requested, and as described in Section 31.11 of the Texas Property Tax Code, will after three years from the date of payment, be proportionately disbursed to those entities contracting with the ASSESSOR/COLLECTOR. The contract must have been in force, actual assessment and collection functions begun and the tax account was at the time of the over or erroneous payment within the SCHOOL'S jurisdiction. The proportional share is based upon the SCHOOL'S percent of the tax account's total levy assessed at the time of receipt of the over or erroneous payment.

In the event any lawsuit regarding the collection of taxes provided for in this agreement to which the SCHOOL is a party, is settled or a final judgment rendered, and which final judgment is not appealed, and the terms of such settlement agreement or final judgment require that a refund be issued by the SCHOOL to the taxpayer, such refund shall be made by ASSESSOR/COLLECTOR by debiting funds collected by ASSESSOR/COLLECTOR on behalf of the SCHOOL and remitting such refund to the taxpayer in conformity with the terms of the settlement agreement or final judgment.

X.
DELINQUENT COLLECTIONS

The ASSESSOR/COLLECTOR will assess and collect the collection fee pursuant to Sections, 33.07, 33.08, 33.11 and 33.48 of the Property Tax Code, when allowed. The ASSESSOR/COLLECTOR will collect attorney fees that are specified by the SCHOOL through written agreement with a delinquent collection Attorney. The ASSESSOR/COLLECTOR will disburse the amount directly to the Firm under contract to the SCHOOL.

If the delinquent collection Attorney contracted by the SCHOOL requires attendance of ASSESSOR/COLLECTOR personnel at a court other than the District Courts in downtown Fort Worth, and the COUNTY is not a party, the employee's expenses and proportionate salary will be the responsibility of the SCHOOL and will be added to the collection expenses and charged to the SCHOOL.

The ASSESSOR/COLLECTOR will not be responsible for the collection of prior year delinquent accounts unless all delinquent accounts information is provided to the ASSESSOR/COLLECTOR.

PURPOSE OF AGREEMENT

The purpose of this Agreement is to state the terms and conditions under which the ASSESSOR/COLLECTOR will provide assessment and collection services of Ad Valorem taxes levied by the SCHOOL.

NOW THEREFORE, in consideration of the mutual promises herein contained, the parties hereto agree as follows:

I.
SERVICES TO BE PERFORMED

The ASSESSOR/COLLECTOR agrees to bill and collect the taxes due and owing on taxable property upon which the SCHOOL has imposed said taxes. The ASSESSOR/COLLECTOR shall perform the said services in the same manner and fashion as Tarrant County collects its own taxes due and owing on taxable property. The services performed are as follows: receiving the Certified Appraisal Roll from the appropriate Appraisal District and monthly changes thereto; providing mortgage companies, property owners and tax representatives, tax roll and payment data; providing all necessary assessments of taxes and Truth in Taxation calculations as required; the transmittal of tax statements via the U.S. Mail or electronic transfer of data; and payment processing. All SCHOOL disbursements, made by check or by electronic transfer (ACH), for collected tax accounts will be made to the SCHOOL on the day the COUNTY Depository Bank indicates the mandatory assigned "float" period has elapsed and the funds are posted to the collected balance. If any daily collection total is less than one hundred dollars ($100.00), the disbursement may be withheld until the cumulative total of taxes collected for the SCHOOL equals at least one hundred dollars ($100.00), or at the close of the month.

II.

The ASSESSOR/COLLECTOR will provide Eagle Mountain-Saginaw ISD the following reports via internet access:

Daily:	Entity Distribution Report
Monthly:	Assessment Roll Summary (Totals Only) Year-to-Date Summary Report Detail Collection Summary Report Distribution Summary Report Detail Collection Summary by Year Entity Revenue and Expense Reports – as required by Property Tax Code Sec 31.10 Delinquent Tax Attorney Tape, which includes Assessments
Annual:	Certified Tax Roll Paid Assessment Roll Delinquent Assessment Roll Current Assessment Roll

The following weekly reports are available upon request only and provided via email:

Weekly:	Detail Collection Summary Report Detail Collection Summary by Year

III.

COMPENSATION

In consideration of the services to be performed by the ASSESSOR/COLLECTOR, SCHOOL will compensate the ASSESSOR/COLLECTOR for the services rendered at a rate of one dollar and seven cents ($1.07) per account located within Tarrant County, two dollars ($2.00) per account located outside Tarrant County, and two dollars ($2.00) per account for Special Assessments (PIDs, MUDs, MMDs, BIDs). The ASSESSOR/COLLECTOR reserves the right to increase these rates for services performed by no more than 3% per year at its sole discretion for the duration of this contract. If the ASSESSOR/COLLECTOR institutes such an increase, the increase will begin as of October 1, 2026, for the duration of that collection year. Further increases will be reviewed and instituted on an annual basis. The number of accounts billed will be based on the ending number of accounts on the certified roll as of September 30th for the previous year as provided by the Appraisal District. The ASSESSOR/COLLECTOR will invoice for these accounts by **January 31 of each contract year** with payment to be received from the SCHOOL by **February 28 of each contract year.** The scope of services identified in this contract does not include the administration of a rollback election. In the event of a successful rollback election, these costs incurred by the Tarrant County Tax Office will be separately identified, billed, and paid by the entity.

IV.

AUDITS

The ASSESSOR/COLLECTOR will provide to the SCHOOL auditor necessary explanations of all reports and access to ASSESSOR/COLLECTOR in-house tax system computer terminals to assist the SCHOOL auditor in verifying audit samples of the financial data previously provided by the ASSESSOR/COLLECTOR during the past audit period. Additional support for entity verification or entity auditor verification is not a part of this contract. Each request for support will be reviewed individually. Costs for providing audit support will be determined by the ASSESSOR/COLLECTOR and will be charged to and must be paid by the SCHOOL.

V.

TAX RATE REQUIREMENT

The SCHOOL will provide the ASSESSOR/COLLECTOR copies of the resolution, ordinance, or order signed by the governing body adopting the SCHOOL'S current tax rate and exemption schedule to be applied for assessing purposes along with a copy of the rate calculation worksheets, if applicable, by the third Monday in September of each year of the contract. Under authority of Section 31.01 (h) of the Property Tax Code, any additional cost of printing and mailing tax statements because of late reporting of the tax rate or the exemption schedule will be charged to and must be paid by the SCHOOL. Any additional cost or expense requiring recalculation or rebilling due to an inaccurate or erroneous tax rate provided by Eagle Mountain-Saginaw ISD will be paid by Eagle Mountain-Saginaw ISD.

The tax rate and the exemption schedule for each of the last five (5) years in which an ad valorem tax was levied, or all prior years where there remains delinquent tax, must be furnished in writing to the ASSESSOR/COLLECTOR at the time of the initial contract.

VI.

COMPLIANCE WITH APPLICABLE

STATUTES, ORDINANCES, AND REGULATIONS

In performing the services required under this Agreement, the ASSESSOR/COLLECTOR shall comply with all applicable federal and state statutes, final Court orders and Comptroller regulations. If such compliance is impossible for reasons beyond its control, the ASSESSOR/COLLECTOR shall immediately notify the SCHOOL of that fact and the reasons therefore.

VII.

DEPOSIT OF FUNDS

All funds collected by the ASSESSOR/COLLECTOR in the performance of the services stated herein for the SCHOOL shall be promptly transferred to the account of the SCHOOL at the SCHOOL'S depository bank. All payments to entities will be made electronically by the automated clearing house (ACH). The ASSESSOR/COLLECTOR has no liability for the funds after initiation of the ACH transfer of the SCHOOL'S funds from the COUNTY Depository to the SCHOOL'S designated depository. ASSESSOR/COLLECTOR has the authority to temporarily suspend payments to Eagle Mountain-Saginaw ISD due to unforeseen or unanticipated circumstances.

VIII.
INVESTMENT OF FUNDS

The SCHOOL hereby agrees that the COUNTY, acting through the COUNTY Auditor, may invest collected ad valorem tax funds of the SCHOOL during the period between collection and payment. The COUNTY agrees that it will invest such funds in compliance with the Public Funds Investment Act. The COUNTY further agrees that it will pay to the SCHOOL all interest or other earnings attributable to taxes owed to the SCHOOL. All parties agree that this Agreement will not be construed to lengthen the time period during which the COUNTY or the ASSESSOR/COLLECTOR may hold such funds before payment to the SCHOOL.

IX.
REFUNDS

Refunds will be made by the ASSESSOR/COLLECTOR except as set forth herein. The ASSESSOR/COLLECTOR will advise the SCHOOL of changes in the tax roll which were mandated by the appropriate Appraisal District.

The ASSESSOR/COLLECTOR will not make refunds on prior year paid accounts unless the prior year paid accounts for the past five (5) years are provided to the ASSESSOR/COLLECTOR.

If the amount of refunds processed for Eagle Mountain-Saginaw ISD exceeds collections for Eagle Mountain-Saginaw ISD, Eagle Mountain-Saginaw ISD will be placed in a negative status and no distributions will be made to Eagle Mountain-Saginaw ISD until collections exceed the negative balance.

All refunds of overpayments or erroneous payments due, but not requested, and as described in Section 31.11 of the Texas Property Tax Code, will after three years from the date of payment, be proportionately disbursed to those entities contracting with the ASSESSOR/COLLECTOR. The contract must have been in force, actual assessment and collection functions begun and the tax account was at the time of the over or erroneous payment within the SCHOOL'S jurisdiction. The proportional share is based upon the SCHOOL'S percent of the tax account's total levy assessed at the time of receipt of the over or erroneous payment.

In the event any lawsuit regarding the collection of taxes provided for in this agreement to which the SCHOOL is a party, is settled or a final judgment rendered, and which final judgment is not appealed, and the terms of such settlement agreement or final judgment require that a refund be issued by the SCHOOL to the taxpayer, such refund shall be made by ASSESSOR/COLLECTOR by debiting funds collected by ASSESSOR/COLLECTOR on behalf of the SCHOOL and remitting such refund to the taxpayer in conformity with the terms of the settlement agreement or final judgment.

X.
DELINQUENT COLLECTIONS

The ASSESSOR/COLLECTOR will assess and collect the collection fee pursuant to Sections, 33.07, 33.08, 33.11 and 33.48 of the Property Tax Code, when allowed. The ASSESSOR/COLLECTOR will collect attorney fees that are specified by the SCHOOL through written agreement with a delinquent collection Attorney. The ASSESSOR/COLLECTOR will disburse the amount directly to the Firm under contract to the SCHOOL.

If the delinquent collection Attorney contracted by the SCHOOL requires attendance of ASSESSOR/COLLECTOR personnel at a court other than the District Courts in downtown Fort Worth, and the COUNTY is not a party, the employee's expenses and proportionate salary will be the responsibility of the SCHOOL and will be added to the collection expenses and charged to the SCHOOL.

The ASSESSOR/COLLECTOR will not be responsible for the collection of prior year delinquent accounts unless all delinquent accounts information is provided to the ASSESSOR/COLLECTOR.

XI.
TERM OF AGREEMENT

This Agreement shall become effective as of the date hereinabove set out and shall continue in effect through the 2027 tax year, unless sooner terminated by providing sixty (60) day written notice, as outlined in paragraph XII.

XII.
NOTICES

Any notices to be given hereunder by either party to the other may be effected by e-mail, or in writing, either by personal delivery or by mail, registered or certified, postage prepaid with return receipt requested. Mailed notices shall be addressed

to the address of the parties as they appear in the introductory paragraph of this Agreement, but each party may change this address by notice in accordance with this paragraph.

If the amount of refunds processed for City of Reno exceeds collections for City of Reno, City of Reno will be placed in a negative status and no distributions will be made to City of Reno until collections exceed the negative balance.

All refunds of overpayments or erroneous payments due, but not requested, and as described in Section 31.11 of the Texas Property Tax Code, will after three years from the date of payment, be proportionately disbursed to those entities contracting with the ASSESSOR/COLLECTOR. The contract must have been in force, actual assessment and collection functions begun and the tax account was at the time of the over or erroneous payment within the CITY'S jurisdiction. The proportional share is based upon the CITY'S percent of the tax account's total levy assessed at the time of receipt of the over or erroneous payment.

In the event any lawsuit regarding the collection of taxes provided for in this agreement to which the CITY is a party, is settled or a final judgment rendered, and which final judgment is not appealed, and the terms of such settlement agreement or final judgment require that a refund be issued by the CITY to the taxpayer, such refund shall be made by ASSESSOR/COLLECTOR by debiting funds collected by ASSESSOR/COLLECTOR on behalf of the CITY and remitting such refund to the taxpayer in conformity with the terms of the settlement agreement or final judgment.

X.
DELINQUENT COLLECTIONS

The ASSESSOR/COLLECTOR will assess and collect the collection fee pursuant to Sections, 33.07, 33.08, 33.11 and 33.48 of the Property Tax Code, when allowed. The ASSESSOR/COLLECTOR will collect attorney fees that are specified by the CITY through written agreement with a delinquent collection Attorney. The ASSESSOR/COLLECTOR will disburse the amount directly to the Firm under contract to the CITY.

If the delinquent collection Attorney contracted by the CITY requires attendance of ASSESSOR/COLLECTOR personnel at a court other than the District Courts in downtown Fort Worth, and the COUNTY is not a party, the employee's expenses and proportionate salary will be the responsibility of the CITY and will be added to the collection expenses and charged to the CITY.

The ASSESSOR/COLLECTOR will not be responsible for the collection of prior year delinquent accounts unless all delinquent accounts information is provided to the ASSESSOR/COLLECTOR.

I.
SERVICES TO BE PERFORMED

The ASSESSOR/COLLECTOR reserves the right to increase these rates for services performed by no more than 3% per year at its sole discretion for the duration of this contract. If the ASSESSOR/COLLECTOR institutes such an increase, the increase will begin as of October 1, 2026, for the duration of that collection year. Further increases will be reviewed and instituted on an annual basis. Any additional cost or expense requiring recalculation or rebilling due to an inaccurate or erroneous tax rate provided by CITY POINT PID A will be paid by CITY POINT PID A.

The assessment rates and the exemption schedule, if any, for each of the last five (5) years in which an assessment was levied, or all prior years where there remain delinquent assessments, must be furnished in writing to the ASSESSOR/COLLECTOR at the time of the initial contract.

VI.

The ASSESSOR/COLLECTOR has no liability for the funds after initiation of the ACH transfer of the CITY POINT PID A'S funds from the COUNTY Depository to the CITY POINT PID A'S designated depository. ASSESSOR/COLLECTOR has the authority to temporarily suspend payments to CITY POINT PID A due to unforeseen or unanticipated circumstances.

VIII.
INVESTMENT OF FUNDS

The CITY POINT PID A hereby agrees that the COUNTY, acting through the County Auditor, may invest collected assessment funds of the CITY POINT PID A during the period between collection and payment. The COUNTY agrees that it will invest such funds in compliance with the Public Funds Investment Act. The COUNTY further agrees that it will pay to the CITY POINT PID A all interest or other earnings attributable to taxes owed to the CITY POINT PID A. All parties agree that this Agreement will not be construed to lengthen the time period during which the COUNTY or the ASSESSOR/COLLECTOR may hold such funds before payment to the CITY POINT PID A.

IX.
REFUNDS

Refunds will be made by the ASSESSOR/COLLECTOR except as set forth herein. The ASSESSOR/COLLECTOR will advise the CITY POINT PID A of changes in the assessment rolls which were mandated by the appropriate Appraisal District.

The ASSESSOR/COLLECTOR will not make refunds on prior year paid accounts unless the prior year paid accounts for the past five (5) years are provided to the ASSESSOR/COLLECTOR.

If the amount of refunds processed for CITY POINT PID A exceeds collections for CITY POINT PID A, CITY POINT PID A will be placed in a negative status and no distributions will be made to CITY POINT PID A until collections exceed the negative balance.

IV.
AUDITS

The ASSESSOR/COLLECTOR will provide to the CITY auditor necessary explanations of all reports and access to ASSESSOR/COLLECTOR in-house tax system computer terminals to assist the CITY auditor in verifying audit samples of the financial data previously provided by the ASSESSOR/COLLECTOR during the past audit period. Additional support for entity verification or entity auditor verification is not a part of this contract. Each request for support will be reviewed individually. Costs for providing audit support will be determined by the ASSESSOR/COLLECTOR and will be charged to and must be paid by the CITY.

V.
TAX RATE REQUIREMENT

The CITY will provide the ASSESSOR/COLLECTOR copies of the resolution, ordinance, or order signed by the governing body adopting the CITY'S current tax rate and exemption schedule to be applied for assessing purposes along with a copy of the rate calculation worksheets, if applicable, by the third Monday in September of each year of the contract. Under authority of Section 31.01 (h) of the Property Tax Code, any additional cost of printing and mailing tax statements because of late reporting of the tax rate or the exemption schedule will be charged to and must be paid by the CITY. Any additional cost or expense requiring recalculation or rebilling due to an inaccurate or erroneous tax rate provided by City of North Richland Hills will be paid by City of North Richland Hills.

The tax rate and the exemption schedule for each of the last five (5) years in which an ad valorem tax was levied, or all prior years where there remains delinquent tax, must be furnished in writing to the ASSESSOR/COLLECTOR at the time of the initial contract.

VI.
COMPLIANCE WITH APPLICABLE STATUTES, ORDINANCES, AND REGULATIONS

In performing the services required under this Agreement, the ASSESSOR/COLLECTOR shall comply with all applicable federal and state statutes, final Court orders and Comptroller regulations. If such compliance is impossible for reasons beyond its control, the ASSESSOR/COLLECTOR shall immediately notify the CITY of that fact and the reasons therefore.

VII.
DEPOSIT OF FUNDS

All funds collected by the ASSESSOR/COLLECTOR in the performance of the services stated herein for the CITY shall be promptly transferred to the account of the CITY at the CITY'S depository bank. All payments to entities will be made electronically by the automated clearing house (ACH). The ASSESSOR/COLLECTOR has no liability for the funds after initiation of the ACH transfer of the CITY'S funds from the COUNTY Depository to the CITY'S designated depository. ASSESSOR/COLLECTOR has the authority to temporarily suspend payments to City of North Richland Hills due to unforeseen or unanticipated circumstances.

VIII.
INVESTMENT OF FUNDS

The CITY hereby agrees that the COUNTY, acting through the COUNTY Auditor, may invest collected ad valorem tax funds of the CITY during the period between collection and payment. The COUNTY agrees that it will invest such funds in compliance with the Public Funds Investment Act. The COUNTY further agrees that it will pay to the CITY all interest or other earnings attributable to taxes owed to the CITY. All parties agree that this Agreement will not be construed to lengthen the time period during which the COUNTY or the ASSESSOR/COLLECTOR may hold such funds before payment to the CITY.

IX.
REFUNDS

Refunds will be made by the ASSESSOR/COLLECTOR except as set forth herein. The ASSESSOR/COLLECTOR will advise the CITY of changes in the tax roll which were mandated by the appropriate Appraisal District.

The ASSESSOR/COLLECTOR will not make refunds on prior year paid accounts unless the prior year paid accounts for the past five (5) years are provided to the ASSESSOR/COLLECTOR.

If the amount of refunds processed for City of North Richland Hills exceeds collections for City of North Richland Hills, City of North Richland Hills will be placed in a negative status and no distributions will be made to City of North Richland Hills until collections exceed the negative balance.

All refunds of overpayments or erroneous payments due, but not requested, and as described in Section 31.11 of the Texas Property Tax Code, will after three years from the date of payment, be proportionately disbursed to those entities contracting with the ASSESSOR/COLLECTOR. The contract must have been in force, actual assessment and collection functions begun and the tax account was at the time of the over or erroneous payment within the CITY'S jurisdiction. The proportional share is based upon the CITY'S percent of the tax account's total levy assessed at the time of receipt of the over or erroneous payment.

In the event any lawsuit regarding the collection of taxes provided for in this agreement to which the CITY is a party, is settled or a final judgment rendered, and which final judgment is not appealed, and the terms of such settlement agreement or final judgment require that a refund be issued by the CITY to the taxpayer, such refund shall be made by ASSESSOR/COLLECTOR by debiting funds collected by ASSESSOR/COLLECTOR on behalf of the CITY and remitting such refund to the taxpayer in conformity with the terms of the settlement agreement or final judgment.

X.
DELINQUENT COLLECTIONS

The ASSESSOR/COLLECTOR will assess and collect the collection fee pursuant to Sections, 33.07, 33.08, 33.11 and 33.48 of the Property Tax Code, when allowed. The ASSESSOR/COLLECTOR will collect attorney fees that are specified by the CITY through written agreement with a delinquent collection Attorney. The ASSESSOR/COLLECTOR will disburse the amount directly to the Firm under contract to the CITY.

If the delinquent collection Attorney contracted by the CITY requires attendance of ASSESSOR/COLLECTOR personnel at a court other than the District Courts in downtown Fort Worth, and the COUNTY is not a party, the employee's expenses and proportionate salary will be the responsibility of the CITY and will be added to the collection expenses and charged to the CITY.

The ASSESSOR/COLLECTOR will not be responsible for the collection of prior year delinquent accounts unless all delinquent accounts information is provided to the ASSESSOR/COLLECTOR.

The ASSESSOR/COLLECTOR will not make refunds on prior year paid accounts unless the prior year paid accounts for the past five (5) years are provided to the ASSESSOR/COLLECTOR.

If the amount of refunds processed for MANSFIELD SOUTHPOINTE PID #1 exceeds collections for MANSFIELD SOUTHPOINTE PID #1, MANSFIELD SOUTHPOINTE PID #1 will be placed in a negative status and no distributions will be made to MANSFIELD SOUTHPOINTE PID #1until collections exceed the negative balance.

All refunds of overpayments or erroneous payments due, but not requested, and as described in Section 31.11 of the Texas Property Tax Code, will after three (3) years from the date of payment, be proportionately disbursed to those entities contracting with the ASSESSOR/COLLECTOR. The contract must have been in force, actual assessment and collection functions begun and the tax account was at the time of the over or erroneous payment within the MANSFIELD SOUTHPOINTE PID #1'S jurisdiction. The proportional share is based upon the MANSFIELD SOUTHPOINTE PID #1'S percent of the tax account's total levy assessed at the time of receipt of the over or erroneous payment.

In the event any lawsuit regarding the collection of assessments provided for in this agreement to which the MANSFIELD SOUTHPOINTE PID #1 is a party, is settled or a final judgment rendered, and which final judgment is not appealed, and the terms of such settlement agreement or final judgment require that a refund be issued by the MANSFIELD SOUTHPOINTE PID #1 to the taxpayer, such refund shall be made by ASSESSOR/COLLECTOR by debiting funds collected by the ASSESSOR/COLLECTOR on behalf of the MANSFIELD SOUTHPOINTE PID #1 and remitting such refund to the taxpayer in conformity with the terms of the settlement agreement or final judgment.

X.
DELINQUENT COLLECTIONS

The ASSESSOR/COLLECTOR will assess and collect the collection fee pursuant to Sections, 33.07, 33.08, 33.11 and 33.48 of the Property Tax Code, when allowed. The ASSESSOR/COLLECTOR will collect attorney fees that are specified by the MANSFIELD SOUTHPOINTE PID #1 through written agreement with a delinquent collection Attorney. The ASSESSOR/COLLECTOR will disburse the amount directly to the MANSFIELD SOUTHPOINTE PID #1 for compensation to a firm under contract to the City.

If the delinquent collection Attorney contracted by the MANSFIELD SOUTHPOINTE PID #1 requires attendance of ASSESSOR/COLLECTOR personnel at a court other than the District Courts in downtown Fort Worth, and the COUNTY is not a party, the employee's expenses and proportionate salary will be the responsibility of the MANSFIELD SOUTHPOINTE PID #1 and will be added to the collection expenses and charged to the MANSFIELD SOUTHPOINTE PID #1.

The ASSESSOR/COLLECTOR will not be responsible for the collection of prior year delinquent accounts unless all delinquent accounts information is provided to the ASSESSOR/COLLECTOR.

PURPOSE OF AGREEMENT

The purpose of this Agreement is to state the terms and conditions under which the ASSESSOR/COLLECTOR will provide assessment and collection services of Ad Valorem taxes levied by the CITY.

NOW THEREFORE, in consideration of the mutual promises herein contained, the parties hereto agree as follows:

I.
SERVICES TO BE PERFORMED

The ASSESSOR/COLLECTOR agrees to bill and collect the taxes due and owing on taxable property upon which the CITY has imposed said taxes. III.
COMPENSATION

In consideration of the services to be performed by the ASSESSOR/COLLECTOR, CITY will compensate the ASSESSOR/COLLECTOR for the services rendered at a rate of one dollar and seven cents ($1.07) per account located within Tarrant County, two dollars ($2.00) per account located outside Tarrant County, and two dollars ($2.00) per account for Special Assessments (PIDs, MUDs, MMDs, BIDs). The ASSESSOR/COLLECTOR reserves the right to increase these rates for services performed by no more than 3% per year at its sole discretion for the duration of this contract. If the ASSESSOR/COLLECTOR institutes such an increase, the increase will begin as of October 1, 2026, for the duration of that collection year. Further increases will be reviewed and instituted on an annual basis. The number of accounts billed will be based on the ending number of accounts on the certified roll as of September 30th for the previous year as provided by the Appraisal District. The ASSESSOR/COLLECTOR will invoice for these accounts by **January 31 of each contract year** with payment to be received from the CITY by **February 28 of each contract year.** The scope of services identified in this contract does not include the administration of a rollback election. IV.

The ASSESSOR/COLLECTOR will provide to the CITY auditor necessary explanations of all reports and access to ASSESSOR/COLLECTOR in-house tax system computer terminals to assist the CITY auditor in verifying audit samples of the financial data previously provided by the ASSESSOR/COLLECTOR during the past audit period. Additional support for entity verification or entity auditor verification is not a part of this contract. Each request for support will be reviewed individually. Costs for providing audit support will be determined by the ASSESSOR/COLLECTOR and will be charged to and must be paid by the CITY.

V.
TAX RATE REQUIREMENT

The CITY will provide the ASSESSOR/COLLECTOR copies of the resolution, ordinance, or order signed by the governing body adopting the CITY'S current tax rate and exemption schedule to be applied for assessing purposes along with a copy of the rate calculation worksheets, if applicable, by the third Monday in September of each year of the contract. Under authority of Section 31.01 (h) of the Property Tax Code, any additional cost of printing and mailing tax statements because of late reporting of the tax rate or the exemption schedule will be charged to and must be paid by the CITY. Any additional cost or expense requiring recalculation or rebilling due to an inaccurate or erroneous tax rate provided by City of Arlington will be paid by City of Arlington.

The tax rate and the exemption schedule for each of the last five (5) years in which an ad valorem tax was levied, or all prior years where there remains delinquent tax, must be furnished in writing to the ASSESSOR/COLLECTOR at the time of the initial contract.

VI.
COMPLIANCE WITH APPLICABLE STATUTES, ORDINANCES, AND REGULATIONS

In performing the services required under this Agreement, the ASSESSOR/COLLECTOR shall comply with all applicable federal and state statutes, final Court orders and Comptroller regulations. If such compliance is impossible for reasons beyond its control, the ASSESSOR/COLLECTOR shall immediately notify the CITY of that fact and the reasons therefore.

VII.
DEPOSIT OF FUNDS

All funds collected by the ASSESSOR/COLLECTOR in the performance of the services stated herein for the CITY shall be promptly transferred to the account of the CITY at the CITY'S depository bank. All payments to entities will be made electronically by the automated clearing house (ACH). The ASSESSOR/COLLECTOR has no liability for the funds after initiation of the ACH transfer of the CITY'S funds from the COUNTY Depository to the CITY'S designated depository. ASSESSOR/COLLECTOR has the authority to temporarily suspend payments to City of Arlington due to unforeseen or unanticipated circumstances.

VIII.
INVESTMENT OF FUNDS

The CITY hereby agrees that the COUNTY, acting through the COUNTY Auditor, may invest collected ad valorem tax funds of the CITY during the period between collection and payment. The COUNTY agrees that it will invest such funds in compliance with the Public Funds Investment Act. The COUNTY further agrees that it will pay to the CITY all interest or other earnings attributable to taxes owed to the CITY. All parties agree that this Agreement will not be construed to lengthen the time period during which the COUNTY or the ASSESSOR/COLLECTOR may hold such funds before payment to the CITY.

IX.
REFUNDS

Refunds will be made by the ASSESSOR/COLLECTOR except as set forth herein. The ASSESSOR/COLLECTOR will advise the CITY of changes in the tax roll which were mandated by the appropriate Appraisal District.

The ASSESSOR/COLLECTOR will not make refunds on prior year paid accounts unless the prior year paid accounts for the past five (5) years are provided to the ASSESSOR/COLLECTOR.

If the amount of refunds processed for City of Arlington exceeds collections for City of Arlington, City of Arlington will be placed in a negative status and no distributions will be made to City of Arlington until collections exceed the negative balance.

All refunds of overpayments or erroneous payments due, but not requested, and as described in Section 31.11 of the Texas Property Tax Code, will after three years from the date of payment, be proportionately disbursed to those entities contracting with the ASSESSOR/COLLECTOR. The ASSESSOR/COLLECTOR will not be responsible for the collection of prior year delinquent accounts unless all delinquent accounts information is provided to the ASSESSOR/COLLECTOR.

XI.

TARRANT COUNTY
COMMISSIONERS COURT COMMUNICATION

Department: Tax Assessor-Collector **Prepared By:** Charlotte Sadler **Approved By:** Andy Nguyen

SUBJECT:

Consideration of Interlocal Agreement between Tarrant County and the North Texas Tollway Authority Related to Automobile Registrations and Outstanding Toll Fees

*****CONSENT AGENDA *****

COMMISSIONERS COURT ACTION REQUESTED

It is requested that the Commissioners Court consider an Interlocal Agreement (ILA) between Tarrant County and the North Texas Tollway Authority (NTTA) to withhold automobile registrations to vehicle owners in Tarrant County that have outstanding fees.

BACKGROUND

NTTA contracts with the Texas Department of Motor Vehicles to include a notice of delinquent NTTA fines with registration renewals sent to vehicle owners. Pursuant to Senate Bill 1792, the County has the option to deny a registration for habitual violators. The NTTA defines habitual violators as accruing I 00+ unpaid tolls in a 12-month period and failing to pay these tolls after 2 notices of non-payment.

Several toll enforcement remedy tools are in place including, ZipCash, Habitual Violator Notice Letters, Vehicle Registration Blocks, DPS citation, Justice of the Peace Court enforcement and third-party collections. The Tax Office has determined that typically only eight percent (8%) of violators do not pay after all enforcement efforts have been exhausted. Once the Tax Office receives proof of payment from NTTA, the Tax Office will process the renewal.

If approved, this agreement will be in full force and effect until terminated by either Party at any time upon 30 days' prior written notice to the other party.

FISCAL IMPACT

The County will receive $6.50 (this is an increase from a previous rate of $5.24) from NTTA for each registration renewal blocked by the Tax Office. An itemized invoice is sent to NTTA within ten (I0) days of each month indicating the total amount owed to Tarrant County for registrations successfully blocked during the preceding thirty (30) days. The fees collected goes to the Tarrant County General Fund.

PASSED AND APPROVED on September 16, 2025.

INTERLOCAL AGREEMENT

This Interlocal Agreement ("Agreement") by and between Tarrant County, Texas ("County"), with the agreement, consent, and participation of the Tarrant County tax assessor-collector (the "Tax Assessor"), and the North Texas Tollway Authority ("NTTA), a regional tollway authority created under Chapter 366 of the Texas Transportation Code and a political subdivision of the State of Texas, is entered into as of the Effective Date, as defined on the signature page of this Agreement. County and NTTA may also each, individually, be referred to herein as a "Party" and, collectively, as the "Parties".

WITNESSET
H:

WHEREAS, Texas Government Code Chapter 791 authorizes local governments of the state to enter into contracts for governmental functions and services to increase their efficiency and effectiveness;

WHEREAS, County and NTTA are local governments as defined in Texas Government Code §791.003(4) and are authorized to enter into this Agreement by the action of their respective governing bodies as prescribed by law;

WHEREAS, Texas Transportation Code §502.011 authorizes a county tax assessor-collector or the Texas Department of Motor Vehicles (the "Department") to refuse to register or renew the registration of a motor vehicle if it has received written notice from a TPE (as defined below) that the owner of the vehicle has been finally determined to be a habitual violator as defined in Texas Transportation Code §372.106 (a "Habitual Violator"); and

WHEREAS, NTTA is a toll project entity ("TPE") under Texas Transportation Code §372.001(2), and Texas Transportation Code §372.111 allows a TPE to report habitual violator determinations to a county tax assessor-collector or the Department in order to cause the denial of vehicle registration as provided by Texas Transportation Code §502.011;

WHEREAS, a coordinated effort in the effectuation of Texas Transportation Code Chapters 372 and 502 is in each party's best interest and that of the public; and

WHEREAS, the Parties desire to expressly agree to the terms and conditions under which County will refuse to register or renew the registration of certain motor vehicles when the Tax Assessor receives information from NTTA via a "flag" in the Department's vehicle registration system (the "DMV System") that the owner of the vehicle has outstanding tolls and fees and that NTTA has made a final determination that the owner is a Habitual Violator.

NOW THEREFORE, County and NTTA, for and in consideration of the mutual obligations, terms, and conditions stated in this Agreement, agree as follows:

ARTICLE I
TERM; TERMINATION

1.1 This Agreement will be effective on the Effective Date and will remain in full force and effect until terminated by either Party pursuant to Section 1.2 below (the "Term").

1.2 Either Party may terminate this Agreement at any time upon 30 days' prior written notice to the other Party.

ARTICLE II
RESPONSIBILITIES OF THE PARTIES

2.1 NTTA'S RESPONSIBILITIES:

a) NTTA may notify the Tax Assessor via the DMV System when a determination that a registered owner is a Habitual Violator has become final and imposition of a vehicle registration block is authorized by law. NTTA will only request the Department to flag records of vehicles for which the registered owner is a Habitual Violator and such status has not terminated under Texas Transportation Code §372.109.

b) NTTA will supply County with an information sheet describing the procedure for flagged motor vehicle owners in the DMV System to resolve their outstanding tolls and fees.

c) NTTA will provide Habitual Violators who have paid their outstanding tolls and fees with a "cleared" receipt that the vehicle owner may present to County. The receipt will include written instructions directing the owner to maintain it for 30 days. NTTA may also, at its option, enable owner generation of the receipt through NTTA's online payment system.

d) NTTA will be solely responsible for placing or clearing registration flags in the DMV System.

e) NTTA will make the payments provided for in this Agreement from current funds available to NTTA.

2.2 COUNTY'S RESPONSIBILITIES:

a) County will ensure that the Tax Assessor and/or its deputies review the DMV System for vehicle registration block flags for all owners who attempt to register any vehicle and will rely on the information in the DMV System regarding a vehicle owner's payment or non-payment of tolls and fees to NTTA. Such information will constitute written notice under Section 502.011(a) of the Texas Transportation Code.

b) County will refuse to register or renew the registration of all motor vehicles flagged in the DMV System as having outstanding NTTA tolls and fees, unless the owner of such vehicle presents a cleared receipt as described in Section 2.1(c), in which case the County may proceed to register or renew the registration of the vehicle(s) covered by the cleared receipt.

c) County will distribute the instruction sheet described in Section 2.1(b) to flagged motor vehicle owners.

d) County may provide flagged vehicle owners with access to a computer terminal where the owner can access NTTA's online payment system.

e) County may provide owners who pay online with printouts of any clearance receipts generated by the NTTA's online payment system.

ARTICLE III
PAYMENT TERMS

3.1 In complying with this Agreement, County will incur certain expenses, including costs for receiving the information and confirming the flags with the Department and the administrative cost of refusing to register or renew the registration of a vehicle. NTTA agrees to pay County $6.50 for each flag accepted by the Department for refusal to register or renew the registration of a vehicle pursuant to this Agreement.

3.2 NTTA will identify to County the flags accepted by the Department for refusal to register or renew the registration of a vehicle. County, or the Tax Assessor on County's behalf, will present an itemized invoice to NTTA within 10 days of the end of each month during the Term, showing the total amount owed to County per Section 3.1 above for flags accepted by the Department during the preceding 30 days. NTTA will pay County the amount shown as owing on an invoice within 30 days of its receipt thereof.

NTTA will make payment under this Agreement to the address below:

Rick D. Barnes
100 E. Weatherford St., Suite 105
Fort Worth, TX 76196

3.3 On or before September 30th of any year during the Term, either Party may request a modification in the payment terms of this Agreement. Any resulting modification will take effect on January 1st of the following year. If County and NTTA cannot reach an agreement on modification of the payment terms, then either Party may terminate the Agreement in accordance with Section 1.2 above.

ARTICLE IV
LIABILITY; IMMUNITY

4.1 County and NTTA agree that each is responsible for its own negligent acts, omissions, or other tortious conduct in the course of performance of this Agreement and that no indemnification by or for either Party is provided for or intended hereunder.

4.2 Notwithstanding the terms of Section 4.1, neither of the Parties waive, nor shall be deemed hereby to have waived, any immunity or any legal or equitable defense otherwise available against claims arising in the exercise of governmental powers and functions.

ARTICLE V
CONFIDENTIALITY

The information shared pursuant to this Agreement may be confidential by law or not subject to disclosure under the Texas Public Information Act. Each Party will promptly notify the other Party if it receives a request for information implicating such other Party's information. The Parties will take reasonable measures to maintain the confidentiality of the exchanged information and not reveal or disclose the information to any person, company, or other entity without the express written consent of the non-disclosing Party. Notwithstanding the above, it is expressly understood and agreed that County and its officers and employees may request advice, decisions, and opinions of the Attorney General of the State of Texas in regard to the application of the Public Information Act and will follow the advice, decision, and opinion of the Attorney General regarding the release of information requested pursuant to the Public Information Act.

ARTICLE VI
AUTHORITY; APPROVAL

6.1 The respective signatories of the Parties are their properly authorized officials or representatives and have the necessary authority to execute this Agreement.

6.2 This Agreement is expressly subject to and contingent upon formal approval by County's Commissioners Court and by resolution of NTTA's Board of Directors.

ARTICLE VII

Any notice required in this Agreement must be in writing and delivered to the address below the recipient Party's name below. Delivery must be by hand; U.S. mail sent First Class, return receipt requested; or reputable overnight courier. TARRANT COUNTY
COMMISSIONERS COURT COMMUNICATION

Court Date: September 16, 2025	**Court Order #:**	**Page:** 1 of 11
Department:	**Prepared By:** Sarah VanTassel	**Approved By:** Joseph Jackson

SUBJECT:

Consideration of Final Plat with Variance - Southwood Estates, Second Filing - Precinct 2

COMMISSIONERS COURT ACTION REQUESTED

It is requested that the Commissioners Court grant a variance from the Tarrant County Development Manual relating to the requirement that all roadways conform to the specifications included within the Tarrant County Engineering Standards Manual. In addition and contingent to the variance approval, it is requested that the Commissioners Court consider for recording in the Plat Records of Tarrant County, Texas, the Final Plat of Lot 7R, Block 4, Southwood Estates, Second Filing, an addition to Tarrant County, Texas; being 2.479 acres of land, a replat of Lots 7 and 8, Block 4, Southwood Estates, Second Filing, an addition to Tarrant County, Texas, as recorded in Vol. 388-79, Page 56, Plat Records, Tarrant County, Texas.

BACKGROUND

The Tarrant County Development Regulations Manual requires final plats that include right-of-way to conform to the specifications included within the Tarrant County Engineering Standards Manual. To conform to the Tarrant County Engineering Standards Manual, a final plat is required to include right-of-way consisting of a minimum of 70 feet.

The proposed replat is adjacent to Southwood Drive, a county-maintained 60-foot right-of-way road. The previous Subdivision and Land Use Regulations, requiring a 60-foot right-of-way, was followed when the original subdivision play was reviewed and approved. However, to meet the standards contained in the current Tarrant County Development Regulations Manual, a 5-foot right-of-way dedication along Southwood Drive would be required.

Given that the replat is located in an established neighborhood without the need for additional right-of-way, the requested variance supports a 60-foot right-of-way as described in the previous Subdivision and Land Use Regulations.

The purpose of re-platting is to combine two (2) residential lots into one (1) residential lot.

The subdivision was released from the City of Fort Worth extraterritorial jurisdiction (ETJ). The ETJ Release is attached and was approved by the City of Fort Worth on September 4, 2024, Tracking No. BAX-24-064.

There is no Federal Emergency Management Agency designated floodplain associated with this plat.

A location map of this subdivision in Precinct 2 is attached. A copy of the variance request letter from the applicant is attached. A copy of the Request for Variance and Final Plat Approval form, acknowledged by Precinct 2 Commissioner Alisa Simmons, it attached.

Apart from the variance request, the proposed final plat has been reviewed by Tarrant County Transportation Services and has successfully met all other standards contained in the Tarrant County Development Regulations Manual.

RE: Release of Area from the City of Fort Worth's Extraterritorial Jurisdiction (ETJ) by Petition of Landowner or Resident Pursuant to Chapter 42, Subchapter D of the Texas Local Government Code Tracking No. BAX-24-064

Dear Randall C. Renois:

On September 4, 2024, the City of Fort Worth received a petition to release an area from the City of Fort Worth's extraterritorial jurisdiction pursuant to Chapter 42, Subchapter D of the Texas Local Government Code. A description of the area that was included in the petition is attached hereto as Exhibit "A". The City of Fort Worth has reviewed the petition and has determined that the petition complies with state law. Therefore, the area described in Exhibit "A" is released from the City of Fort Worth's extraterritorial jurisdiction.

Release from the Fort Worth Extraterritorial Territorial Jurisdiction (ETJ) means that your property will no longer fall under limited jurisdictional authority granted by the State of Texas to the City of Fort Worth. The City of Fort Worth will have no oversight in matters including but not limited to regional planning of services such as the water, sewer, and transportation networks and the general health, safety, and welfare of persons residing in the property(s) included in the petition. Please note that removal from the ETJ prevents the option to receive City of Fort Worth services in the future including police and fire services.

Any area that has been released from the City of Fort Worth's ETJ may not be included in the ETJ or corporate boundaries of the City of Fort Worth unless the owners of the area subsequently request that the area be included in the City of Fort Worth's ETJ or corporate boundaries.

Sincerely,

Subject: Plat Case: TCP-25-099 - Variance Request for Right-of-Way at 149 and 151 Southwood Drive, Burleson, TX 76028

Dear Tarrant County Commissioners,

We are Randy and Juli Renois, owners of the properties at **149 and 151 Southwood Drive, Burleson, TX 76028**. These properties are legally described as Lots 7 & 8, Block 4, Southwood Estates, Second Filing, according to the plat recorded in Volume 388-79, Page 56, Plat Records, Tarrant County, Texas.

Our goal is to consolidate these two lots into one unified property through a replat, as the subdivision was established in 1972.

In accordance with Tarrant County's Development Regulations that require all county maintained roads conform to the specifications included in the Engineering Standards Manual, we formally request a **waiver for the additional right-of-way dedication**. This request is made after consulting with County Staff, who confirmed that Tarrant County has no future plans to widen Southwood Drive.

We kindly ask for your approval of this request. Thank you for your time and consideration.

Sincerely,

Randy and Juli Renois

Randy Renois Juli Renois

WAIVER OF "TAKINGS IMPACT ASSESSMENT (TIA)
Under the Private Real Property Rights Preservation Act

Comes now Marty J. Buckholt owner(s) of the property, located in Pct. ___ described as Buckholt Addition of Tarrant County, Texas.

I(we) have been informed that I (we) have certain rights under a law that went into effect September 1, 1997, for county governments in Texas called The Private Real Property Rights Preservation Act which is codified at Chapter 2007 of the Government Code of Texas.

I(we) understand that county governments are now required to expressly consider or assess whether their governmental actions may result in "takings" of private property. I (we) further understand that the act also provides a remedy for an owner of a legal or equitable interest in private real property to seek a judicial determination of whether a governmental action constitutes a "taking" and, if so, to ask for invalidation of the governmental action if the county fails to pay the damages assessed.

I(we) further understand that a "taking" is any county action that affects an owner's private real property whether in whole or in part, temporarily or permanently. Any county action, ordinance or regulation that affects my rights as owner of the property, that would otherwise exist in the absence of any action by the county, is actionable. If the action of the county would reduce the value of my private real property by 25 percent or more, I(we) understand that the county is required to do a study called a "Takings Impact Assessment" (TIA). If such TIA is done, the county is required to provide at least 30 days notice of its intent to engage in any such proposed actions. The notice must be published in a newspaper of general circulation in Tarrant County, and it must include a reasonably specific summary of the TIA.

I(we) understand that any action is void if such an assessment is not prepared and that, as the OWNER of the land affected by a county action for which a TIA should be prepared, I(we) have the right for 180 days after I(we) know or should have known about the "taking" to bring a suit against the county. If I(we) should choose to bring such a suit, I(we) would be awarded reasonable and necessary attorney's fees, costs of court, and even damages, especially if the action of the county had reduced the value of my land by 25 percent or more. I(we) could also have the county action declared void.

In consideration of expediting and shortening the approval process for the platting of the above described property so that my property may be placed on the market for sale as soon as possible, and understanding that I(we) have the aforementioned rights and possibly others, I(we) hereby freely and voluntarily waive these rights and any and all other rights that I(we) may have under the Private Real Property Right Preservation Act, and I(we) may have under the Private Real Property Right Preservation Act, and I(we) specifically request the Tarrant County Commissioners Court to proceed to consider and approve the final plat on the above described property.

This Waiver is signed on the 23rd day of July 2025

WAIVER OF "TAKINGS IMPACT ASSESSMENT (TIA)

Under the Private Real Property Rights Preservation Act

Comes now TVN Family Holdings, LLC owner(s) of the property, located in Pct. ___, described as 11588 FM Rd 730 N, Azle, TX 76020 (*Property Address or Legal Description*) located in Tarrant County, Texas.

I(we) have been informed and understand that I(we) have certain rights, as an owner of private real property, under Chapter 2007 of the Texas Government Code, the Private Real Property Rights Preservation Act ("PRPRPA"), effective September 1, 1997.

I(we) understand that county governments are required to expressly consider or assess whether their governmental actions may result in "takings" of private property. I(we) further understand that the PRPRPA also provides a remedy for an owner of a legal or equitable interest in private real property to seek a judicial determination of whether a governmental action constitutes a "taking" and, if so, to ask for invalidation of the governmental action if the county fails to pay the damages assessed.

I(we) further understand that a "taking" is any county action that affects an owner's private real property whether in whole or in part, temporarily or permanently. Any county action, ordinance or regulation that affects an owner's rights as owner of the property, that would otherwise exist in the absence of any action by the county, is actionable. If the action of the county would reduce the value of an owner's private real property by 25 percent or more, I(we) understand that the county is required to prepare a "Takings Impact Assessment" (TIA). If such TIA prepared, the county is required to provide at least 30 days' notice of its intent to engage in any such proposed actions. The notice must be published in a newspaper of general circulation in Tarrant County, and it must include a reasonably specific summary of the TIA.

I(we) further understand that any action is void if such an assessment is not prepared and that, as the owner(s) of the land affected by a county action for which a TIA should be prepared, I(we) have the right to bring a suit against the county within 180 days after I(we) know or should have known about the "taking". If I(we) should choose to bring such a suit, I(we) would be awarded reasonable and necessary attorney's fees, costs of court, and even damages, especially if the action of the county had reduced the value of my land by 25 percent or more. I(we) could also have the county action declared void.

I(we) further understand that current public right-of-way extends 55 feet, parallel and adjacent to Moran Rd, a county road, and to meet the requirements included in the Tarrant County Development Regulations, an additional 5 feet of right-of-way will be dedicated upon approval of the requested plat. I(we) also understand that the rights outlined above as well as others, under the PRPRPA, may apply to the 5 feet of right-of-way dedication, as documented on the plat.

In consideration of expediting and shortening the approval process for the platting of the above-described property, I(we), as the owner(s), hereby freely and voluntarily waive these rights, as well as any and all other rights that I(we) may have as the owner(s) related to the PRPRPA for the above-described right-of-way dedication. I(we) specifically request the Tarrant County Commissioners Court to proceed to consider and approve the final plat on the above-described property.

This Waiver is signed on the 18th day of August, 2025.

OAK GROVE ROAD ALIGNMENT STUDY FOR BRIDGE REPLACEMENT OVER DEER CREEK
in
TARRANT COUNTY

PROJECT DESCRIPTION

The purpose of this project is to determine feasible and reasonable alternatives and make alignment recommendations for the replacement of the existing bridge on Oak Grove Road over Deer Creek (located approximately 0.35 miles north of Rendon Crowley Road) and related channel improvements in Deer Creek. It is anticipated that the proposed bridge and roadway approaches will be a two-lane road section and that the profile will be raised to alleviate frequent flooding. The scope of this project includes topographic and boundary map design surveys, subsurface utility engineering, evaluation of roadway and bridge alternative alignments and typical sections, third-party review and evaluation of previous drainage study with recommendations for channel improvements, analysis of environmental constraints and potential permitting requirements, conceptual design, opinions of probable construction cost, and evaluation of potential funding resources.

C. Boundary Survey**:** Existing property corners, iron pins, etc. shall be tied in order to establish existing rights-of-way. This includes research/sketch of approximately 12 parcels, including 3 subdivision plats and Ann Brock Elementary School plat. Prior to surveying on private property, the surveyor shall secure written permission from the property owners and/or tenant and shall provide the County a copy of said written permission. Should only oral permission be granted, the surveyor shall document the permission granted by letter to the property owner/tenant, with a copy to the County. If permission cannot be obtained, the County will assist, or other arrangements will be worked out.

3. SUBSURFACE UTILITY ENGINEERING

Services will be performed in a manner consistent with that degree of skill and care ordinarily exercised by members of the same profession currently practicing under similar circumstances and in accordance with ASCE/UESI/CI 38-22 "Standard Guideline for Investigating and Documenting Existing Utilities."

A. Utility Designation (Quality Level B) (QL-B)
- Halff will designate tonable subsurface utilities and note electronic depths using geophysical prospecting equipment and mark the locations with paint and/or pin flags.
- We anticipate designating approximately 21,000 LF of buried communication, electric, natural gas, water, sanitary sewer and providing the identification of owners.
- Because of limited record information and the possibility of non-toneable utilities, Halff cannot guarantee that all utilities will be found and marked on the project.
- The limits of QL-B investigation will be within the area depicted in Figure 1 below.

B. Traffic Control
- Halff will provide standard temporary work zone traffic control consisting of cones and free-standing signage for this project in accordance with the TMUTCD.
- As exact test holes locations are unknown, certified traffic control such as lane closure(s), flag person(s), changeable message board(s), and/or arrow board(s), if needed or required, will be provided by a certified traffic control provider.

C. SUE Deliverables
- QL-B will be 11-in. x 17-in. SUE plan sheets depicting the findings of the investigation.
- Electronic files in 2D MicroStation format.
- Received records, PDFs, KMZ, and project photos/notes.
- Utility Investigation Report in accordance with ASCE/UESI/CI 38-22 and 75-22.

4. DRAINAGE STUDY

A. Feasibility and Alternatives Evaluation
- Perform one field visit to identify and photograph the existing site.
- Review of *Tarrant County Deer Creek at Oak Grove Drainage Study Report* (April 2025) and models and evaluate feasibility of proposed alternatives.
- Confirm hydraulic model geometry is consistent with survey. Revise the model if needed to confirm results of the feasibility analysis.
- Recommend value engineering approaches or hydraulic alternatives based on the drainage report review and feasibility analysis
- Prepare a report of findings and recommendations.

5. ALTERNATIVES AND SCHEMATIC

A. Alternatives Evaluation
- The Consultant shall identify and analyze schematic alternatives (up to three) to minimize potential adverse impacts, major utility conflicts, or structural impediments. The alternatives shall consider various design storm events with implications of construction cost, right-of-way requirements, and permitting needs considered. The

alternatives should include a cost/benefit analysis and considerations for complexity and sequencing of construction.

- The Consultant shall present the alternatives to the County with conceptual layouts and exhibits necessary to convey the various alternatives and impacts. The conceptual layouts will include, but are not limited to the following:
    - Roadway alignment (horizontal and vertical)
    - Pavement edges, back of curbs and shoulder lines
    - Typical sections of proposed roadways
    - Proposed structure locations with preliminary layouts
    - Preliminary ROW requirements
    - Direction of traffic flow and the number of lanes on all roadways
    - Preliminary estimates of construction cost, ROW and easement cost, and utility impacts
    - Provide Conceptual Layouts in kmz format as well as Microstation OpenRoads, SELECTseries 4 format.

B. Schematic Design

- The schematic will be prepared based on the selected alternative to determine the final roadway alignment (horizontal and vertical) and major design features. The schematic will be drawn in a roll map format. The Consultant will utilize Microstation OpenRoads, SELECTseries 4 in the development of the schematic design.
- The schematic design will include the following:
    - Typical Sections – The Consultant shall develop both existing and proposed typical sections that depict the number and type of lanes, shoulders, curbs, sidewalks/shared use paths, cross slope, clear zone width, border width, and ROW limits.
    - Environmental Constraints – The Consultant shall consider environmental impacts during the schematic design process. See section 6 below for details on Environmental Constraints Mapping.

ROW needs will be shown on the design schematic.
    - Construction Sequence – The Consultant shall consider the requirements for construction staging and traffic control/detouring throughout the development of schematic design to ensure that the proposed design can be constructed.
    - Roadway Plan and Profile – The Consultant shall prepare a horizontal and vertical alignment (including bridge) of the roadway improvements along the preferred alignment. The horizontal curve data will be shown in tabular format on the roll map. The profile will include calculated profile grade and vertical curve data including “K” values, existing ground lines, and bridges. The plan view will include existing topography, ground lines, floodplains, pavement edges, curb lines, sidewalks, property and right-of-way lines, utility

locations, property lines and ownership information, and environmental features.

The structural evaluation will include a single bridge design solution coordinated with drainage and roadway engineers to optimize the number of spans, span lengths, girder/beam types, bridge railing and wingwall or retaining wall type, if necessary. The findings of this analysis will be provided on the design schematic and on typical sections shown on the design schematic.
- Drainage – Drainage information for culverts or other major drainage features will be shown on the schematic. Refer to Section 4.
- Cross Sections – The Consultant shall use Microstation OpenRoads, SELECTseries 4 to generate preliminary cross-sections every 50 feet and at intersecting streets, driveways and culvert locations in conjunction with the Design Schematic. The Consultant shall determine earthwork volumes for use in the cost estimate and shall prepare 11-inch x 17-inch cut sheets of the cross sections.
- Construction Cost Estimate – The Consultant shall refine the preliminary cost estimate prepared during the Alternatives Evaluation and submit with the design schematic. The estimate will include the costs of construction, utility relocation impacts, required ROW and easement impacts. Current TxDOT and available local unit bid prices will be used in preparation of the estimate.

County Clerk FY26 Preservation and Restoration Plan signed_0001.pdf

County Clerk
Record Preservation and Restoration Plan
FY 2026

Executive Summary

The objective of this document is to establish a Preservation and Restoration Plan for the County Clerk's office for the upcoming fiscal year, as required by Local Government Code 188.025. The County Clerk's goal through this Plan is to continue to preserve and digitize those permanent records which are vulnerable to loss by theft, disasters, and everyday wear and tear. The scanning of Tarrant County's paper documents into digital images not only preserves them for future generations but also allows for the ability of those images to be added to Tarrant County's existing record management systems, thereby improving customer service by making them readily available for the public to research and view. It is the intent of the County Clerk to follow the Local Government retention schedule set by the Texas State Library and Archives.

Budget and Expenditures

Records preservation and restoration efforts are funded primarily through the collection of a records archive fee, which is authorized by Texas Local Government Code 118.025. The fee amounts are adopted by the Tarrant County Commissioner's Court and are itemized as part of the Tarrant County annual budget process. The current records archive fee amount of $8.00 will be expended for the continued management, preservation, restoration, and archiving of all County Clerk records. Expenditures from the records archive fund include employee salaries and operating and capital expenses, which are necessary to support record preservation and restoration, employee training, document indexing and archiving of records.

2026 Plan Goal

Efforts to restore and preserve records are conducted both internally and externally. Any work requiring specialized equipment or expertise will be outsourced with the approval of the Tarrant County Commissioners Court. All work requiring intimate knowledge of County Clerk business processes or requiring access to County Clerk software shall be handled internally.

The two (2) primary focus areas for fiscal year 2026 will be the following:

SUBJECT:

Consideration of Tarrant County Government's Budget for Fiscal Year 2026

COMMISSIONERS COURT ACTION REQUESTED

It is requested that the Commissioners Court approve the Tarrant County Fiscal Year (FY) 2026 budget at the highest-level cost center and account group categories as follows:

General Fund	$740,895,207
Road and Bridge Fund	$ 43,533,489
Debt Service Fund	$ 40,405,833
	$824,834,529

BACKGROUND

The FY 2026 Tarrant County operating budget is supported by a tax rate of $0.1862 per $100 of taxable value, decreasing from $0.1875 for 2025. Tarrant County taxes on a home with a value of $100,000 will be $187.50. The tax rate allocation is $0.1730 for maintenance and operation and $0.0132 for debt service. The operating budget is as follows:

Ad valorem taxes represent 60% of the County's total revenues. The net taxes generated are estimated to be $524,835,419 and a 100% collection ratio is anticipated. Tax revenue has been reduced by the estimated impact of the 65 and over tax freeze, exemption for disabled veterans, and a 20% homestead exemption. Total taxes consist of current tax year collections, delinquent taxes, and penalties and interest that are due from previous tax years. Of the taxes collected, an estimated $11,383,326 will be paid to tax incremental financing districts that have been approved by Tarrant County.

In an effort to remain competitive in the hiring market, this budget supports a 4% structure increase for confinement and a 7% structure increase for peace officers. The structure is effective October 1, 2025. A 3% step increase for law enforcement employees is based on the employee's annual review date. The budget supports a 3% merit to all eligible non-law enforcement employees effective October 1, 2025, or January 1, 2026, according to their classification.

Twenty-three (23) new positions are included in the General Fund budget totaling $2,472,140 and are offset by a reduction in force of twenty-five (25) positions and temporary/part-time salaries saving of $2,701,320. Seventeen (17) positions are the part of department reorganization; five (5) are related to workload increases; one (1) is due to a new program. In total there are 3,799 full-time positions authorized in the General Fund. With the addition of thirty-five (35) new full-time positions related to increased workload, there are 248 authorized positions in the Road and Bridge Fund. The new positions related to workload will cost $2,405,413. The total combined authorized positions in the operating funds are 4,047.

Areas of interest in the budget include:

- ***Group Health Insurance:*** The County contribution will increase to $13,992 annually per employee.
- ***Retiree Group Insurance***: The annual County contribution for retirees that are under 65 will be $16,008; for retirees that are 65 and over the County contribution will be $1,800 annually.
- ***Retirement Rate:*** The County's portion of the retirement contribution rate will be 12.02%. This is our required contribution rate and includes a 1% retiree cost-of-living adjustment (COLA) amortized over the next 15 years beginning FY 2026.
- ***Debt Service:*** Principal and interest for debt service payments and related fees will decrease by $5,136,796 when compared to FY2025 for a total of $40,405,833. County Judge Tim O'Hare allocated $3.5 million from his discretionary funds to reduce outstanding county debt. This strategic financial decision enabled a 3% merit increase for county employees and a 1% (COLA) for retirees. Total outstanding debt (including interest) at the end of FY 2025 is $440,150,865.
- ***Capital Funding:*** The funding source for capital is cash available at the beginning of the fiscal year.
- ***Juvenile Services:*** Juvenile Services has a total budget of $37,395,628, with $30,395,628 funded through County general funds and the remaining $7,000,000 supported by grant funding.
- ***Child Protective Services:*** The budget includes $3,028,151 for Child Protective Services. Of that amount, $2,707,901 is allocated to the Texas Department of Regulatory Services to fund 71.53% of 34.5 positions.
- ***Operating Transfers:*** The budget includes operating transfers for the following purposes:

  CSCD – Pre-Trial Bond Supervision Unit Fund..... $5,132,177
  Sheriff's Office Narcotics Unit (CNET) $250,000
  Self-Insurance Fund (property damage & general liability)..... $1,750,000
  Road and Bridge Fund $10,971,945
  Capital Improvement Fund $11,835,104
  Non-Debt Capital $11,000,000
  Group Health Insurance $3,000,000

- ***Reserves:*** There are reserves in General and Debt Service Funds of $83,000,000 and $1,800,000 respectively. The General Fund includes $6,086,705 in undesignated while the Road and Bridge Fund has $500,000. The current level of funding represents 15.4% of the County's true operating costs. Government Finance Officers Association recommends 16.7%.

On September 16, 2003, the Commissioners Court, through Court Order #91225, approved a change to the budget control methodology. This change was concurrent with SAP financial accounting implementation and established budget control at the highest level (roll-up) cost center and ten (10) commitment group categories.

A detailed budget document (by commitment item) is also available.

FISCAL IMPACT

Approval of the budget establishes the financial framework for the next fiscal year. The total operating budget is $824,834,529.

County Commissioner Manny Ramirez

Dear Honorable Members of the Commissioners Court:

Tarrant County Hospital District d/b/a JPS Health Network ("JPS") is proud to serve the healthcare needs of residents of Tarrant County, including those residents who face financial and social barriers to care. We are grateful to have the privilege of fulfilling the mission that the voters supported when the hospital district was first created in 1959.

JPS stands as a trusted healthcare leader in Tarrant County, dedicated to delivering high-quality care for all residents. Our comprehensive services span primary care, cancer treatment, women's health, behavioral health, stroke care, sports medicine, and a wide range of specialty services. JPS is home to Tarrant County's first Level I Trauma Center, the county's only psychiatric emergency center, and the nation's largest family medicine program.

Over the past year, JPS dedicated team members cared for more than 1.2 million patient visits, while experiencing record-high emergency department visits and inpatient admissions. Throughout this time, we remained steadfast in our commitment to quality care, expanding access, advancing our Master Facility Plan, and strengthening our community through service, innovation, and workforce development.

Highlights of FY2025 include:

Transforming Care Delivery: Excellence in Survey Standards

The Joint Commission Triennial Survey

JPS remains committed to delivering the highest quality care to our patients. The Triennial Survey by The Joint Commission (TJC), an unannounced and comprehensive review of patient safety and quality standards, was conducted over five days in FY2025 by nine surveyors across more than two million square feet of JPS facilities. Results showed a 25% reduction in overall findings and no conditional-level findings. These outcomes affirm JPS's exceptional care, made possible by the dedication of our teams and recognized by TJC.

Trauma Level 1 Reverification

JPS Health Network is Tarrant County's longest-standing Level I Trauma Center and was recently re-verified by the American College of Surgeons, reaffirming its recognition for delivering the highest level of emergency care. A Level 1 Trauma Center designation indicates the hospital has the resources and expertise to provide comprehensive, 24/7 care for the most critically injured patients.

Maternal Health Designation

In Texas, the highest maternal health designation is Level IV: Comprehensive Care. This is the top-tier classification awarded by the Texas Department of State Health Services (DSHS) to hospitals that provide the most advanced, multidisciplinary care for pregnant and postpartum patients—including those with the most complex and high-risk conditions. In FY25, JPS received confirmation of our maternal health designation with no conditional findings.

JPS Health Network Receives U.S. News Recognition

In FY2025, JPS was named one of the Best Regional Hospitals for Equitable Access by U.S. News & World Report. At JPS, we strive to ensure equitable access and the highest-quality care for all communities we serve. This recognition demonstrates JPS's commitment to our mission by providing exceptional care for the most vulnerable patient populations.

Transforming Access

JPS is committed to improving access and will always keep the patient as our *True North* to transform healthcare delivery in our community. In 2025, JPS continued to make significant progress related to the Master Facility Plan which will improve access for JPS patients and transform our facilities for the future.

Medical Home Southwest

The new Medical Home Southwest, located in southwest Tarrant County, opened in FY2025. The medical home provides comprehensive services including adult and pediatric primary care, women's health services, specialty care, behavioral health services, after-hour care, imaging, lab and drive-thru pharmacy.

Psychiatric Emergency Center

Opening in September, the new JPS Psychiatric Emergency Center represents a major investment in expanding access to urgent behavioral health care in Tarrant County. Designed to meet the growing demand for mental health services, the center provides specialized, comprehensive, 24/7 emergency psychiatric services for individuals experiencing psychiatric crises.

Transforming Our Workforce and Building a Workforce Pipeline for the Future

JPS Health Network Named a Two-Time Gallup Exceptional Workplace Award Winner

For the second consecutive year, JPS received the Gallup Exceptional Workplace Award, earned by fewer than 60 organizations worldwide. This recognition reflects JPS commitment to engagement, recruitment, and retention efforts though our employee engagement survey efforts. JPS's culture is shaped by shared goals in which every role at JPS contributes to better care and a stronger Tarrant County.

JPS Develops Tomorrow's Healthcare Leaders

JPS serves as the largest teaching institution in Fort Worth. Through a grant from the Office of the Governor, JPS expanded its student programming through the SHINE or Students in Healthcare for Individual Empowerment Program. Through JPS student programs such as SHINE and Future Healthcare Heroes, JPS has developed an initiative to prepare future professionals for careers in medicine and healthcare administration. JPS believes the future of healthcare begins with investing in the next generation. JPS student programs are more than a pipeline – it is a promise to expand opportunities for students to discover meaningful careers that will impact their careers and the communities in which they live.

Transforming Through Partnerships

Las Vegas Trail Partnership with Cook Children's

In a groundbreaking partnership JPS and Cook Children's collaborated to bring healthcare to the Las Vegas Trail Neighborhood. In a joint effort, the facility will provide both pediatric and adult medical services, including primary care, women's health, and behavioral health needs.

JPS Partners to Address Housing: Thrive on Crawford

Housing has been identified as one of the most significant non-medical drivers of health impacting patient outcomes, and it has become an increasing need for JPS patients. In response, JPS has partnered with the NRP Group on the *Thrive on Crawford* project to deliver affordable housing solutions for residents of Tarrant County. This development is designed to foster a vibrant community that supports wellness, stability, and opportunity for those who live and work in the area, while advancing JPS's strategy to create a stronger, more resilient community where every individual has the ability to thrive. The unique partnership was recognized by D CEO Magazine Excellence in Healthcare as a 2024 recipient for the Outstanding Medical Real Estate Project.

Transforming Community

JPS Health Network, with an "AA" rating and stable outlook with Fitch was named one of 10 health systems with strong operational metrics and solid financial positions, according to reports from credit rating agencies Fitch Ratings, and Moody's Investors Services released in 2025.

BECKER'S HOSPITAL REVIEW

This only provides a snapshot of the work provided by JPS team members to further impact and transform the communities that we serve. A detailed ***Report to the Community*** is included in the FY26 budget presentation.

Thank you, Tarrant County Commissioners Court, JPS Board of Managers, JPS team members, the patients we serve, and the Tarrant County community for your continued support of JPS Health Network.

Sincerely,

Karen Duncan

Fiscal Year 2026 Budget – Executive Summary

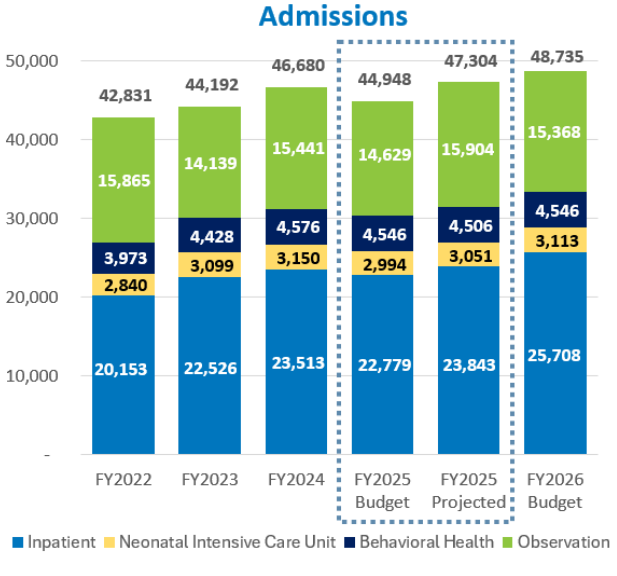
The Fiscal Year 2026 (FY26) budget balances operational needs with engaging the workforce, enhancing access, and driving innovation, while maintaining financial sustainability. The budget is mission-driven and reflects JPS' responsibility as Tarrant County's public hospital and its ongoing commitment to care for every resident, regardless of ability to pay. The budget is more than just a financial plan. It is a roadmap that ensures JPS meets today's needs, while positioning JPS for tomorrow.

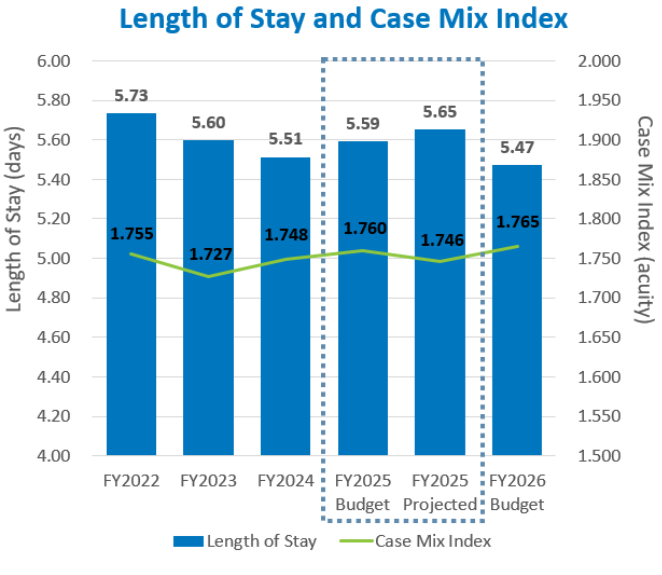
The budget is forward-thinking. It funds what we need to provide routinely and supports progress on the JPS Master Facility Plan. The budget is designed to keep the doors open and invest in people, be innovative, and make sure JPS remains a strong and dependable partner for the community.

Budget Summary

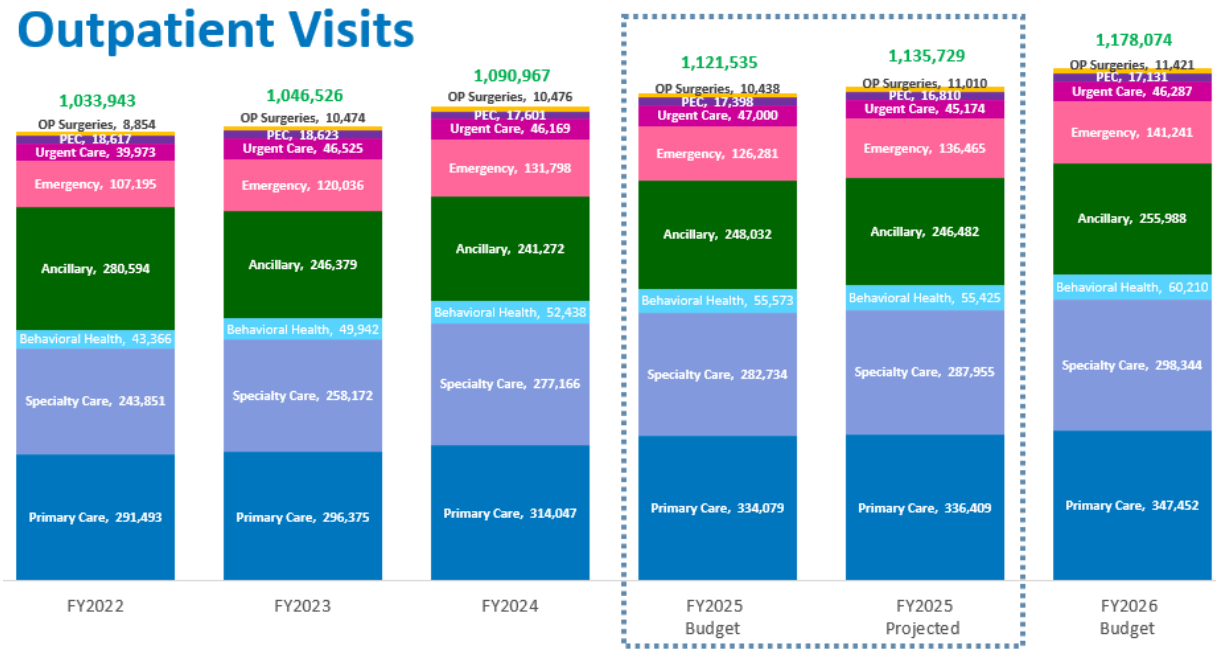
Every budget begins with patient volumes. Volumes are the foundation for developing revenues and expenses. Next, changes and initiatives are included along with identifying the capital investments for routine and strategic efforts.

Volumes – JPS is busy! Occupancy is consistently over 90% at JPS. In alignment with JPS' high quality and safe care, leadership continues to improve throughput to create capacity. This includes managing length of stay by reducing delays, improving discharge planning, and expanding access outside the hospital, which are all essential to taking care of a growing population.





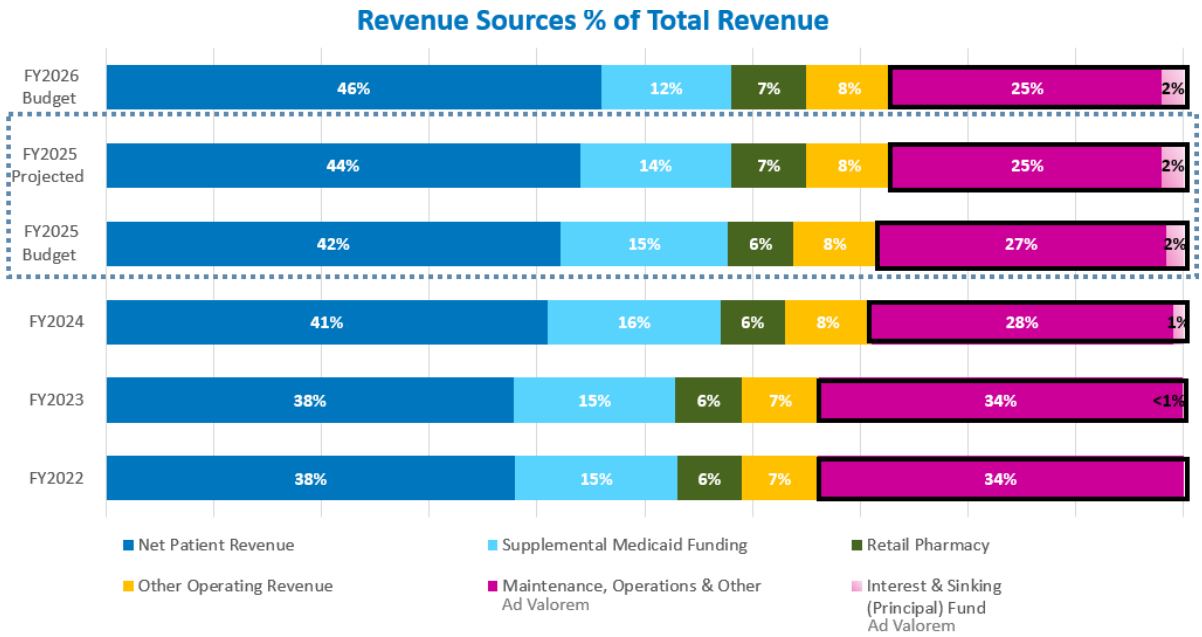
Outpatient services are essential to the health of the community. From routine preventative care to emergency services, JPS has approximately 1.2 million outpatient encounters. Emergency visits remain at high levels, outpatient surgery volumes are strong including growth at the ambulatory surgery center in Arlington, and clinics services are expanding access.



Revenues - With volumes as the foundation, revenues follow. JPS has four primary revenue sources:

- Patient service revenue is what we bill and collect for care delivered. Patient revenue is driven by volume, payer mix, and case mix (acuity) of the care. JPS takes care of all patients regardless of their ability to pay so this can be a very volatile source.
- Ad valorem tax revenue provides predictable support, which allows JPS to plan with confidence. The budget assumes a reduction in the tax rate to 0.17417, that will keep the tax dollars flat as compared to fiscal year 2025 (FY25). The tax rate for FY25 is 0.18250 and the no new revenue rate for FY26 is 0.17792.
- Retail pharmacy services have become a meaningful contributor and demand continues to grow.
- Medicaid supplemental payments offset underfunded care. These funds are at risk as they are dependent on policy set by both federal and state levels.

Together, these revenue streams fund the majority of JPS' operations. As shown below, patient revenue is 46% of the revenue received, with the tax revenues providing 27% to support services.



Operating Expenses - Healthcare is a people business. About sixty percent of every dollar JPS spends goes to staffing and benefits. That is how JPS delivers care for people through people.

For FY26, JPS is planning for:

- Workforce optimization efforts that include upskilling workers and enabling efficiencies through technology.
- An annual wage increase to remain competitive.
- An adjustment in minimum wage to support our frontline workers.
- Modest increases in benefit costs that we are working to manage.

Supplies and pharmaceuticals continue to rise, with inflation between 5 to 7 percent, which excludes any major tariff impacts that may happen. To offset inflation, we are achieving savings through supply chain initiatives, preference card management in surgery, office supply formulary development, and pharmacy controls.

Non-Operating Impacts - Beyond operations, JPS has non-operating revenues, expenses, and uses of cash. This includes investment income, capital projects, debt service (principal and interest expense), and savings for the future fund.

Operational Changes and Initiatives - JPS is continually improving operations and exploring opportunities. Key initiatives included in the budget are:

Workforce Investment

- Maintain strong culture and commitment to engagement, recruitment, & retention
- Workplace safety and cybersecurity
- Training and professional development
- Student workforce pipeline programs
- Identify future workforce skills

Financial Sustainability

- Revenue diversification
- Master Facility Plan progression
- Managed Care integration & payor negotiation strategies
- Operational efficiencies & authentication
- Supply Chain and Pharmacy strategies

Access

- Fulfilling the Master Facility Plan
- Throughput initiatives including length of stay, emergency, surgery, & clinics
- Community Partnerships
  (Las Vegas Trail Clinic, Thrive on Crawford)
- Assessment of current community footprint (location and services)

Technology & Innovation

- JPS AI-Ready innovative strategies
- Technology enhancements: cybersecurity, virtual health, wearable devices
- Infor (ERP) Business Upgrade
- Migration to the Cloud for Epic/Other IT
- Technology governance strategies

Capital Budget – These investments keep JPS running day to day and prepares services for the future. The capital budget includes:

- Routine replacements for patient care, information technology and facility maintenance.
- Contingency reserves for unplanned needs or strategic opportunities.
- Master Facility Plan continues including breaking ground on the hospital, medical office building and the central utility plant.

This balance between routine needs and long-term investment keeps JPS positioned to care for patients today and in the future.

Summary

When it all comes together - volumes, revenues, expenses, non-operating items, initiatives, and capital – the final budget for FY26 is created. This budget produces $150 million in net income, and an operating margin of 2.9%. This plan ensures that JPS can continue to deliver high-quality care, sustain the workforce, and remain stewards of public resources.

The FY26 budget reflects where JPS is today - at capacity, serving more than a million patients. JPS is committed to addressing the healthcare needs of today and tomorrow, while shaping the future of care for years ahead. Guided by innovation, education, and an enduring focus on quality, JPS is creating healthcare for the future, designed to meet the community's growing needs and deliver improved outcomes for the people of Tarrant County.

This conference will bring together top SLTT government officials and industry experts to share best practices, learn from one another, enhance current cyber operations and bolster future defenses.

This conference will allow IT to ensure we are aligned with best practices, learn new skills to protect the County's IT environment and allow us to stay compliant with relevant Federal and State requirements.

SUBJECT:

Consideration of Interlocal Agreement between Tarrant County and Tarrant County Hospital District to Memorialize Responsibilities of the Hospital District Related to Detainee Medical and Behavioral Health Care Services

COMMISSIONERS COURT ACTION REQUESTED

It is requested that the Commissioners Court consider an Interlocal Agreement (ILA) between Tarrant County and Tarrant County Hospital District d/b/a JPS Health Network (TCHD) to memorialize responsibilities of TCHD related to detainee medical and behavioral health care services.

BACKGROUND

Tarrant County owns five (5) detention facilities which are under the supervision and control of the Tarrant County Sheriff. The Sheriff is charged by law with the responsibility for obtaining and providing adequate medical care for detainees of the County's detention facilities. The Sheriff desires to outsource the provision and supervision of medical and behavioral health care to one or more qualified care providers.

TCHD routinely treats detainees at the hospital for emergency medical conditions and has experience evaluating whether health care services are being provided in a safe and effective manner. MHMR of Tarrant County has experience in the treatment and management of mental and behavioral health conditions and has an existing contract with Tarrant County for inmate services at the County Jail (attached to the agreement with TCHD as Exhibit B).

The purpose of this ILA is to outline and memorialize the responsibilities that each entity will undertake to ensure that detainees are provided with adequate and quality medical and behavioral health care services.

The term of this Agreement begins on October 1, 2025 and ends on September 30, 2026 and may be extended in writing for three additional one (1) year periods by mutual agreement of both parties.

The District Attorney's Office and Sheriff's Office have reviewed this contract as to form.

FISCAL IMPACT

There is no fiscal impact associated with this agreement. The agreement only services to memorialize and outline services provided.

INTERLOCAL COOPERATION AGREEMENT BETWEEN TARRANT COUNTY AND THE TARRANT COUNTY HOSPITAL DISTRICT D/B/A JPS HEALTH NETWORK FOR CORRECTIONAL HEALTH CARE SERVICES

THIS INTERLOCAL AGREEMENT (the "Agreement") is entered by and between Tarrant County ("County"), a body corporate and politic under the laws of the State of Texas, on behalf of the Tarrant County Sheriff's Office ("TCSO"), and the Tarrant County Hospital District d//b/a JPS Health Network ("JPS"), a political subdivision of the State of Texas, pursuant to the authority granted and in compliance with the provisions of the "Interlocal Cooperation Act", Texas Government Code, Chapter 791 *et. seq*. The County and JPS are referred to collectively as the "Parties" and individually as a "Party".

RECITALS

WHEREAS, the County owns five detention facilities ("Detention Facilities") which are under the supervision and control of the Tarrant County Sheriff ("Sheriff"); and

WHEREAS, the Sheriff is charged by law with the responsibility for obtaining and providing adequate medical care for detainees of the County's Detention Facilities (each such facility generally referred to as the "Jail"); and

WHEREAS, the Sheriff desires to outsource the provision and supervision of medical and behavioral health care (generically, "health care") to one or more qualified care providers; and

WHEREAS, JPS routinely treats detainees at its hospital for emergency medical conditions; and

WHEREAS, JPS has experience evaluating whether health care services are being provided in a safe and effective manner; and

WHEREAS, MHMR of Tarrant County ("MHMR") has experience in the treatment and management of mental and behavioral health conditions; and

WHEREAS, the Interlocal Cooperation Act permits an existing local government to supervise the performance of an interlocal contract between other local governments; and

WHEREAS, the purpose of the Interlocal Cooperation Act is to increase the efficiency and effectiveness of local governments; and

WHEREAS, the Parties agree that medical care for detainees may be more effective if provided and/or overseen by JPS through this Interlocal Agreement, and behavioral health care for detainees may be more effective if overseen by MHMR pursuant to its separate agreement with the TCSO; and

WHEREAS, in compliance with the Interlocal Cooperation Act, each Party has received the approval of its governing bodies prior to executing this Agreement.

NOW THEREFORE, and in consideration of the mutual promises contained in this Agreement, the County and JPS mutually agree as follows:

ARTICLE I. PURPOSE; SERVICES

A. Purpose. The purpose of this Agreement is to outline the responsibilities that each Party will undertake to ensure that detainees are provided with adequate and quality medical and behavioral health care services in compliance with applicable laws, rules, regulations, and standards.

B. JPS Services. In addition to routine medical services, the medical care and ancillary services to be provided by JPS are those described in **Exhibit A** including the following:

a. General medical care
b. Dental Care
c. Laboratory and Radiology Services
d. Urgent and Emergency Care
e. Obstetrical Care
f. Medical Detoxification Services, including the Medically Assisted Treatment ("MAT") Program
g. Pharmacy Services
h. Care Coordination Services
i. Optometry (collectively with routine health care services, the "Services").

Any medical care services that are not described in sections (a)-(i) above or in **Exhibit A** attached are expressly excluded from the JPS Services under this Agreement. Mental health care services will be rendered by MHMR as outlined below, with the exception of pharmacy services provided by JPS for mental health care purposes.

C. MHMR Services. MHMR will provide behavioral health services for detainees as contemplated in the separate agreement between MHMR and the County, a copy of which is attached as **Exhibit B**.

ARTICLE 2. JPS'S RESPONSIBILITIES

A. Staffing. JPS will provide physicians and advanced practice professionals (collectively, "medical staff") who are duly licensed by the appropriate examining boards in the State of Texas and qualified to provide medical assessment and other JPS Services. As part of the hiring and selection process, all medical staff will undergo primary source verification and physicians will be queried through the National Practitioner Data Bank (NPDB). If, at any point during the term of this Agreement, JPS becomes aware that a member appointed to its medical staff and assigned to the Jail is indicted for a felony or that a physician has an adverse action reported by the NPDB, JPS will immediately notify the Sheriff. County and Sheriff reserve the right to restrict or terminate access of any medical staff to enter the Jail pursuant to this Agreement if medical staff in the assessment of the Sheriff present a security risk in the assessment, provide sub-standard care, or otherwise exhibit behavior warranting restricted access or exclusion from the Jail.

B. Initial Health Assessment. JPS will perform initial health assessments to determine the health status of a potential detainee, including advising the Sheriff whether the detainee's health status (when potential detainee's condition is not an emergency) warrants the detainee being re-routed to a hospital for medical tests and treatment.

C. Environmental Services. Sheriff will arrange for cleaning of Jail medical areas (e.g., infirmaries, clinic space, health assessment and triage rooms, and laboratories); however, JPS will be responsible for appropriate cleaning and disinfecting of medical equipment and supplies.

D. Advice upon Detainee's Release from Custody. Following applicable notice to JPS from the Sheriff of a detainee's upcoming release as contemplated by **Article 4**, JPS will inform the Sheriff when, on the scheduled date of a detainee's release from the custody of the Sheriff, the detainee requires continued health services in a hospital or long-term care facility setting post-release, so that the Sheriff can arrange for transportation to the appropriate facility. JPS will not assume any liability or responsibility for care rendered on or after a detainee's release by a hospital or long-term care facility or for the physical transportation of such released persons to hospitals and long-term care facilities.

E. Comply with Laws, Rules, and Standards. In providing the Services, JPS will comply with the following:

1. Applicable Jail Standards

a. Texas Commission on Jail Standards (TCJS) Plan. JPS will, at a minimum, provide a health care delivery system to detainees in the Jail in accordance with the Texas Commission on Jail Standards' health-related jail standards *(see e.g.,* 37 Tex. Admin. Code §§ 273.1- 273.7). To the extent JPS's obligations to provide a hospital standard level of care may conflict with the minimum standards of TCJS's health-related jail standards, the greater standard of care shall control.

b. NCCHC. In the event that the Sheriff applies for accreditation under the standards of the NCCHC, JPS will cooperate fully with the Sheriff in seeking accreditation and ensuring compliance (once accredited) with NCCHC standards.

c. OFDT. If, at any point during the term, the Sheriff accepts federal detainees and following the Sheriff's notice to JPS of such detainees as contemplated by **Article 4**, JPS will comply with any health care standards within the Federal Performance Based Detention Standards Handbook that are consistent with the essential NCCHC standards. The Office of Federal Detention Trustees publishes the handbook.

2. **Applicable Federal Law**

a. Prison Rape Elimination Act (PREA). To the extent applicable to JPS, JPS's medical

staff and subcontractors will comply with the Sheriff's PREA policy available at https://www.tarrantcountytx.gov/content/dam/main/juvenile-services/Documents/PREA_Master_Policy_Final_10242019.pdf.

b. Nondiscrimination. Treatment will be provided to detainees without regard to gender, age, race, color, national origin, religion, creed, sexual orientation or identification, or disability.

c. Patient Confidentiality. Parts 160 - 164.

3. **Applicable State Law**

a. Informed Consent. JPS will ensure that all detainees receiving treatment from JPS personnel within the Jail facilities are appropriately informed as to medical procedures and appropriate consent will be obtained by JPS prior to providing such medical procedures. Documentation shall indicate when a detainee has refused consent.

b. Medical Records. JPS will create and maintain complete and accurate medical records within the electronic medical record (EMR) for each detainee, beginning with the detainee's initial assessment. The medical records shall be kept separate from the detainee's confinement record. The EMR and the medical records of detainees treated pursuant to this Agreement are and will remain the property of JPS. Any subpoena or request for medical records of detainees will be handled by JPS.

c. Notification to Health Authorities. JPS will report the presence of all communicable diseases which require reporting to local and state health authorities; however, JPS will have no obligation to perform testing ordered by the Department of State Health Services or the local health authority on a law enforcement, correctional officer, or Tarrant County employee, contractor, or volunteer who performs a service in the Jail.

a. Licensing of Professionals. All medical staff, including subcontractor personnel, who perform Services that require a medical, nursing, or pharmacy license shall be licensed by the appropriate examining board in the State of Texas and shall maintain their licenses throughout the term of this Agreement. Medical staff, including subcontractor personnel, will also maintain valid credentials, clinical certifications, and operate only within the limits of their clinical privileges. JPS will ensure that credential files are maintained in accordance with all appropriate standards.

b. CPR Training. JPS personnel, including clerical workers, and all medical staff will be certified in Cardiopulmonary Resuscitation (CPR).

5. **Written Procedures.** JPS will maintain policies and procedures to supplement the Sheriff's existing procedures, to the extent such procedures may be in effect, for the following Services: (a) sick calls; (b) medical services, including obstetrical and gynecological care; (c) emergency care; (d) long-term and convalescent care; and (e) telehealth services. All proposed modifications will be provided to the Sheriff for review at least 30 days prior to the date on which the Sheriff intends to submit its Health Services Plan to the Texas Commission on Jail Standards.

F. Collaborate and Coordinate with Other Medical Providers, Federal Agencies, and Bureaus

1. **Outside Medical Providers.** JPS will coordinate its Services with other medical providers and with community resources who have agreed, or are otherwise under contract with Tarrant County, to provide care to detainees.

2. **Federal Bureau of Prisons.** All off-site medical care provided to federal detainees must be pre-approved by the federal government. If the Sheriff has identified a detainee as a federal detainee, in the event of an emergency with such detainee, JPS shall proceed immediately with the necessary treatment and will notify the Sheriff regarding the nature of the federal detainee's illness or injury as well as the types of treatment provided. Federal detainees include individuals charged with federal offenses and detained in a Tarrant County Jail while awaiting trial, individuals who have been sentenced and are awaiting designation and transport to a Bureau of Prisons facility, and individuals who are awaiting a hearing on their immigration status or deportation.

G. Review Quality, Morbidity, and Mortality.

1. **Continuous Quality Improvement Committee.** JPS will require physicians appointed to its medical staff to review patient charts regularly and after acute care hospital admissions or medical emergencies.

2. **Utilization Review.** JPS will perform utilization review and engage in utilization management activities to ensure that all scheduled health services are appropriate. At a minimum, utilization review will involve analysis of the outside hospitalizations, physician hours, and utilization of the infirmary.

3. **Morbidity and Mortality Review.** When requested by the Sheriff or his designee, JPS will review any detainee death that occurs up to seventy-two (72) hours after the detainee has received Services, unless such death is suspected to have resulted from the use of force by County employees. JPS will engage in continuous process improvement as necessary in connection with its Services.

4. **Other Reviews.** When requested by the Sheriff or his designee, JPS will provide its review relating to a health care complaint made by or on behalf of a detainee.

H. Perform Background Checks; Security. JPS acknowledges that any employee or contractor

who requires access to housing areas within the Jail must pass a security clearance background check that screens for felony convictions, misdemeanor convictions within the three (3) year period prior to the date of the background check or which involve the delivery of drugs, or open warrants and charges related to crimes against a person. JPS agrees that access to the housing areas of each Jail will be denied to any applicant who fails the background checks. JPS will adhere to all security procedures as set by the Sheriff.

I. Employee Training and Orientation. JPS will onboard employees using the onboarding procedures applicable to new staff, returning staff, staff who change roles, or transfer to a new clinical area. However, JPS will also require its employees and subcontractors to attend institutional familiarization training and other required annual training hosted by the Sheriff's Office.

J. Detainee Grievance/Complaints. JPS will respond to detainee complaints regarding the provision of Services within the time frame set forth in the grievance procedures established by the Sheriff's Office. However, JPS shall have no obligation to consider such complaints using the process it has established pursuant to 42 C.F.R. § 482.13 for the prompt resolution of grievances against its hospitals.

K. Medical Recordkeeping and Reports. JPS is the legal custodian and owner of all medical records. Such records shall be accessible to Sheriff's Office and health care personnel who (i) are assigned to render services to detainees of the Jail, including employees Tarrant MHMR, and (ii) accept the referral of patients for treatment that is not available from JPS or in the Jail. Nothing herein will require JPS to be responsible for Tarrant MHMR records.

L. Use of Resources. With the exception of emergency services, JPS will perform Services inside the Jail whenever possible, and will only perform services off-site when, in the professional judgment of JPS's medical staff, resources within the Jail facilities are insufficient to provide appropriate medical care. JPS will maintain a log and provide a quarterly report to the Sheriff regarding the number of patients transported off-site for Services, where they were transported and the reason why they were sent off-site.

In the event such Services are to be provided off-site (such as at a clinic location), the Sheriff or his designee shall arrange appropriate transportation for that purpose, at no cost to JPS.

10. **Disposal of Biomedical Waste.** The Sheriff will make provisions for storage, collection, and removal of medical waste and sharps containers in accordance with state and federal regulations. The Sheriff will be responsible for the cost associated with biomedical waste removal.

B. **Termination.** This Agreement may be terminated as otherwise provided in this Agreement or as follows:

1. **Termination Without Cause.** Either Party may terminate this Agreement without cause by sending written notice to the other Party via certified mail. The effective date of termination will be stated in the notice and shall be at least one year after the date on which notice of termination was sent.

3. **Annual Appropriations and Funding.** This Agreement is subject to the annual appropriation of funds by the County Commissioners Court by approval of the JPS budget. Notwithstanding any provision herein to the contrary, if no funds are appropriated for this Agreement or the funds appropriated are insufficient for JPS to continue to provide the same level and quality of Services necessary to satisfy the Texas Commission on Jail Standards, then JPS will be entitled to terminate this Agreement on a date not less than 180 days after the beginning of the County fiscal year, without penalty or liability to County.

ARTICLE 5. MISCELLANEOUS

A. **Assignment.** JPS cannot assign this Agreement without the written consent of the County. If the County provides its consent to assignment, JPS will be relieved of all responsibility to render Services hereunder, and the County will not pursue any remedies against JPS for the breach of this Agreement, including the failure of the assignee to perform any of the obligations stated herein.

B. **Subcontracting.** The County acknowledges that certain physicians, physician assistants, nurse

practitioners, and other licensed personnel who will provide Services are not JPS employees and agrees that JPS may subcontract for the use of such personnel without obtaining further approvals from the County.

C. Notice. Unless otherwise provided herein, all notices required or permitted to be given under this Agreement shall be in writing and shall be deemed given when delivered personally in hand or three (3) business days after sent by certified mail, return receipt requested, postage prepaid, to the correct address of the appropriate Party. The Parties' address for notice is set forth on the first page of this Agreement and may be changed by providing notice to the other Party in compliance with this Section. For purposes of this Agreement, the Sheriff is the primary County contact for notice about Services; however, the Sheriff may designate appropriate persons to serve as the primary contact for particular issues or questions that may arise hereunder.

D. Governing Law. This Agreement and the rights and obligations of the Parties hereto shall be governed by, and construed according to, the laws of the State of Texas, except as specifically noted. This paragraph shall not be construed to limit the rights of either Party to intervene in any action arising from this Agreement, wherever pending, in which the other is a Party.

E. Entire Agreement. This Agreement constitutes the entire agreement of the Parties and is intended as a complete and exclusive statement of the promises, representations, negotiations, discussions and agreements that have been made in connection with its subject matter. All prior negotiations, agreements and understandings with respect to the subject matter of this Agreement are superseded hereby.

F. Amendment. No modifications or amendments to this Agreement will be binding upon the Parties hereto unless the same are in writing and signed by the respective Parties.

G. Waiver of Breach. The waiver by any Party of a breach of any provision or default of this Agreement shall not operate as, or be construed to be, a waiver of any subsequent breach of the same or other provision hereof.

H. Severability. In the event any provision of this Agreement is held to be unenforceable for any reason, the unenforceable provision shall be severed from the Agreement and shall not affect the remainder of the Agreement, which shall remain in full force and effect and enforceable in accordance with its terms.

I. Force Majeure. No Party will be held liable for any delay or failure in performing their obligations hereunder (other than County's obligation to make payment) to the extent that such delay or failure is caused by an unforeseeable event, including fire, flood, or natural disaster, war, strike or labor dispute, labor shortage, government regulation, riots or other forms of civil unrest, actions or decrees of state or federal agencies that make it illegal or impossible for the Party to perform its obligations, or the acts or omissions of carriers (e.g., power and telecommunications) that precipitate outages, or by other similar causes beyond their control.

J. Non-Discrimination. JPS is an Equal Opportunity employer. In the administration of its employment policies and practices, JPS does not discriminate against employees or applicants for employment because of race, color, national origin, sex, sexual orientation, religion, age, veteran status, or disability.

K. Workers Compensation. JPS will provide worker's compensation coverage to its employees to the

extent required by and pursuant to those Texas laws dealing with state employees injured during employment.

L. **Tort Claims Act.** The Parties represent that the Parties are entering into this Agreement for the purpose of performing governmental functions, as such term is defined by the Texas Tort Claims Act. Therefore, every act or omission of either Party, which in any way pertains to or arises out of this Agreement, falls within the definition of governmental function. No provision of this Agreement that imposes a legally impermissible obligation or restriction on a Party will be enforceable. The Parties reserve, and do not waive, their respective rights of governmental immunity and similar rights and do not waive their rights under the Texas Tort Claims Act. Neither Party waives, nor shall be deemed hereby to waive, any immunity or defense that would otherwise be available to it against claims arising in the exercise of its powers or functions or pursuant to the Texas Tort Claims Act or other applicable statutes, laws, rules, or regulations.

Construction Manager will include a site-specific Safety Plan focused on the Work under the particular Work Package. When the proposal for any portion of the Work is agreed upon by the Owner and Construction Manager, the Owner and Construction Manager shall execute the Work Package Authorization that describes the specific scope of Work to be performed and details regarding that Work. Each approved Work Package Authorization will be identified in the Construction Manager's Final Guaranteed Maximum Price Proposal with an explanation of its completion status and the approved amount included within the Final Guaranteed Maximum Price and will be attached to **Exhibit A** as **Attachment 11**. The Work Package Authorization Template is attached as **Exhibit G.**

§ 6.1.3 The method of adjustment of the Construction Manager's Fee for changes in the Work:

«The Construction Manager's Fee for changes in the Work shall be based on the **same percentage** as set forth in Section 6.1.2 above, whether the change results in a net increase or decrease. When both additions and deletions covering related Work or substitutions are included in any one change, the increase or decrease in the Construction Manager's Fee shall be calculated on the basis of the net increase or decrease, if any, with respect to the change.»

§ 6.1.6.1 All time limits stated in the Contract Documents are of the essence. Construction Manager acknowledges and agrees that its failure to meet the deadlines set forth in this Agreement and in the Final Guaranteed Maximum Price Amendment shall be a material breach of the Agreement and that Owner will incur substantial damages due to any failure by the Construction Manager to achieve Substantial Completion on or before the Required Date of Substantial Completion and any Interim Milestone Dates. If the Construction Manager fails to achieve Substantial Completion of the Work by the Required Date of Substantial Completion as such date may be modified in accordance with the terms of the Contract Documents, the Construction Manager shall pay Owner liquidated damages, $1,000 per Day until Substantial Completion of the Work is achieved but Construction Manager shall never be required to pay more than 25% of Construction Manager's Fee in liquidated damages. If the Construction Manager fails to achieve Substantial Completion of certain Interim Milestones(s) by the date(s) set forth in the Final Guaranteed Maximum Price Amendment as may be modified in accordance with the terms of this Agreement, the Construction Manager shall pay Owner liquidated damages, and not as a penalty or forfeiture, the following:

Milestone	Amount per day

until Substantial Completion of such Milestone is achieved.

§ 6.1.6.2 Owner may deduct any liquidated damages from any amounts due the Construction Manager, and/or Owner may require the Construction Manager to pay any liquidated damages, within **ten (10)** Days after Owner's request should the available contract funds be insufficient to cover the liquidated damages assessed against the Construction Manager. If liquidated damages are actually recovered by Owner, the above-stated liquidated damages provided for herein shall be Owner's exclusive damages remedy for the Construction Manager's unexcused failure to achieve Substantial Completion of the Work by the Required Date of Substantial Completion or Substantial Completion of any construction milestone by the Interim Milestone Date(s), but such damages shall in no way limit Owner's other rights (e.g., termination) under the Agreement or Owner's entitlement to damages for any other injury, damage or loss, other than for delay to achieving Substantial Completion of the Work by the Required Date of Substantial Completion or Substantial Completion of certain construction milestone(s) by the Interim Milestone Date(s), for which the Construction Manager may be responsible pursuant to the terms of this Agreement or Applicable Law.

§ 6.1.6.3 In determining the amount(s) of liquidated damages above, Owner has carefully considered the following categories of damages and has thoughtfully determined such amount(s) accordingly: increased financing charges, cost of relocation of personnel to alternative space, costs for managing an extended schedule, costs for the Architect's or Project Manager's extended involvement, costs of storage of Owner-provided FF&E, lease extension costs, and other numerous damages. Further, the Construction Manager acknowledges and agrees that as of the date this Agreement is executed (i) the amount of damages Owner will incur due to the Construction Manager's failure to achieve Substantial Completion of the Work by the Required Date of Substantial Completion or Substantial Completion of certain construction milestone(s) as required by this Agreement are impossible or difficult to estimate, (ii) the liquidated damages set forth herein are a reasonable pre-estimate of damages that Owner will incur as a result of a delay in achieving Substantial Completion of the Work by the Required Date of Substantial Completion or Substantial Completion of certain construction milestone(s) as required by this Agreement, (iii) that the consequential damages contemplated at the time of this Agreement are uncertain and difficult to determine with exactness, and (iv) that the liquidated damages set forth herein are in proportion to the probable loss.

§ 6.1.6.4 This Section 6.1.6 shall survive the termination of this Agreement. In the event this liquidated damage provision is held to be unenforceable or void (except when the holding is the result of a challenge by Owner), Owner shall be allowed to recover actual damages (both direct and consequential damages) caused by the Construction Manager's failure to achieve the applicable Contract Time requirements to the fullest extent allowed by Applicable Law.

§ 6.1.7 Other:

§ 6.3.4 In calculating adjustments to the Final Guaranteed Maximum Price, the terms “cost” and “costs” as used in Article 7 of the A201–2017 shall mean the Cost of the Work as defined in Article 7 of this Agreement and the term “fee” shall mean the Construction Manager’s Fee as defined in Section 6.1.2 of this Agreement.

§ 6.3.5 If no specific provision is made in Section 6.1.3 for adjustment of the Construction Manager’s Fee in the case of changes in the Work, or if the extent of such changes is such, in the aggregate, that application of the adjustment provisions of Section 6.1.3 will cause substantial inequity to the Owner or Construction Manager, the Construction Manager’s Fee shall be equitably adjusted on the same basis that was used to establish the Fee for the original Work.

ARTICLE 8 DISCOUNTS, REBATES, AND REFUNDS

§ 8.1 Cash discounts obtained on payments made by the Construction Manager shall accrue to the Owner. Trade discounts, rebates, refunds, and amounts received from sales of surplus materials and equipment shall accrue to the Owner, and the Construction Manager shall make provisions so that they can be obtained. The Construction Manager shall not obtain for its own benefit any discounts, rebates or refunds in connection with the Work prior to providing the Owner with **seven (7)** Days prior notice of the potential discount, rebate or refund so that the Owner can take advantage of it in accordance with the requirements of this Section 8.1.

§ 8.2 Amounts that accrue to the Owner in accordance with the provisions of Section 8.1 shall be credited to the Owner as a deduction from the Cost of the Work.

§ 8.3 Construction Manager shall make reasonable efforts to provide Owner with timely notice of all available discounts, rebates, refunds and returns (hereinafter referred to collectively as "discounts"). The Construction Manager shall not obtain for its own benefit any discounts in connection with the Work prior to providing the Owner with reasonable, prior notice of the potential discount and an opportunity to furnish funds necessary to obtain such discount on behalf of the Owner in accordance with the requirements of this Section 8.3.

ARTICLE 9 SUBCONTRACTS AND OTHER AGREEMENTS

§ 9.1 Those portions of the Work that the Construction Manager does not customarily perform with the Construction Manager's own personnel shall be performed under subcontracts or other appropriate agreements with the Construction Manager. The Construction Manager shall obtain bids from Subcontractors, and from suppliers of materials or equipment fabricated especially for the Work, who are qualified to perform that portion of the Work in accordance with the requirements of the Contract Documents. Construction Manager shall not retain any Subcontractor, supplier or other person or organization, whether initially or as a substitute, against whom Owner shall have reasonable objection. Construction Manager shall not substitute Subcontractors without the acceptance of Owner. The Construction Manager shall not be required to contract with anyone to whom the Construction Manager has reasonable objection.

§ 9.1.1 When a specific subcontractor or supplier (1) is recommended to the Owner by the Construction Manager; (2) is qualified to perform that portion of the Work; and (3) has submitted a bid that conforms to the requirements of the Contract Documents without reservations or exceptions, but the Owner requires that another bid be accepted, then the Construction Manager may require that a Change Order be issued to adjust the Final Guaranteed Maximum Price by the difference between the bid of the person or entity recommended to the Owner by the Construction Manager and the amount of the subcontract or other agreement actually signed with the person or entity designated by the Owner.

§ 9.2 Subcontracts or other agreements shall be consistent with and bind the Subcontractors to the terms and conditions of the Contract Documents and shall conform to the applicable payment provisions of this Agreement. No trade work shall be performed by Construction Manager, or any entity related to or affiliated with Construction Manager, except as provided in *Tex. Govt' Code 2269.255*. If a Subcontract is awarded on a cost-plus a fee basis, the Construction Manager shall provide in the Subcontract for the Owner to receive the same audit rights with regard to the Subcontractor as the Owner receives with regard to the Construction Manager in Article 11 below. Construction Manager shall furnish to Owner a copy, at Owner's request, of each first-tier subcontract promptly after its execution. Construction Manager agrees that Owner has no obligation to review or approve the content of such contracts and that providing Owner such copies in no way relieves Construction Manager of any of the terms and conditions of the Contract, including, without limitation, any provisions of the Contract which require the Subcontractor to be bound to Construction Manager in the same manner in which Construction Manager is bound to Owner.

§ 9.3 If Construction Manager intends to (i) perform Work itself or (ii) award a subcontract to any entity related to or affiliated with Construction Manager, other than supervision of the Work, the Construction Manager or its affiliated or related entity shall include such self-performance in the bid/proposal strategy. Construction Manager shall bid the Work at least twenty-four (24) hours prior to receiving bids from other parties. Construction Manager must also obtain at least three (3) additional competitive bids from Subcontractors and from suppliers of materials or equipment fabricated for the Work and shall deliver such bids to the Owner for review and approval unless the Owner directs otherwise. The Owner may be present when all bids are received. If the Owner determines that the Construction Manager's bid or proposal provides the best value for the Owner, the Owner may allow the Construction Manager to self-perform Work. Construction Manager must perform such Work in accordance with the same terms and conditions as its other Subcontractors. For payment purposes, the Construction Manager shall account for self-performed Work in the same manner as it does all other Subcontractor costs. In the event an adjustment is required to the cost of any awarded self-performed Work the awarded amount shall be treated as a lump sum amount and any adjustment to said amount must be approved through the Change Order process identified in Section 7.2 of the A201-2017.

§ 9.4 Value engineering or cost saving alternative proposals contained in any Construction Manager or Subcontractor bids must be set forth as alternates to bid required by Drawings or Specifications. Construction Manager shall consult with Owner before awarding any alternates to Subcontractors and shall provide Owner with a copy of each proposed alternate for Owner's review and acceptance. The term "value engineering" used in conjunction with this Agreement or the Project or the Work has its commonly accepted meaning within the construction industry and does not imply the practice of architecture or engineering with or without a license.

§ 9.5 Construction Manager shall include in each Subcontract a provision permitting Construction Manager to assign to Owner each Subcontract upon termination of this Agreement pursuant to Section 14.2 or Section 14.4 of the A201-2017. Each Subcontract shall contain a provision that upon assignment of each Subcontract to Owner, Subcontractor shall assume toward the Owner all of the obligations and responsibilities which the Construction Manager, by the Contract Documents, assumes toward the Owner.

ARTICLE 10 ACCOUNTING RECORDS

The Construction Manager shall keep full and detailed records and accounts related to the Cost of the Work, and exercise such controls, as may be necessary for proper financial management under this Contract and to substantiate all costs incurred. The accounting and control systems shall be satisfactory to the Owner. The Owner and the Owner's auditors shall, during regular business hours and upon reasonable notice, be afforded access to, and shall be permitted to audit and copy, the Construction Manager's records and accounts, including complete documentation supporting accounting entries, books, job cost reports, correspondence, instructions, Drawings, receipts, Pencil Draws, formal Applications for Payment, subcontracts, Subcontractor's proposals, Subcontractor's invoices, purchase orders, vouchers, memoranda, and other data relating to this Contract and the Preconstruction Services, Construction Services, and Work hereunder, including but not limited to all records and back-up documentation relating to reimbursable expenses and Cost of Work items. The Construction Manager shall preserve these records for a period of **five (5)** years after final payment, or for such longer period as may be required by Applicable Law.

ARTICLE 11 PAYMENTS FOR CONSTRUCTION PHASE SERVICES

§ 11.1 Progress Payments

§ 11.1.1 Based upon the Schedule of Values approved by Owner, Applications for Payment submitted to the Owner and the Architect by the Construction Manager (including all supporting documentation, as hereinafter provided), and Certificates for Payment issued by the Project Manager, the Owner shall make progress payments to the Construction Manager as provided below and elsewhere in the Contract Documents.

§ 11.1.2 The period covered by each Application for Payment shall be **one (1)** calendar month ending on the last day of the month.

the Pencil Draw and to observe the condition of the Work to determine whether the Work is of the quality required by the Contract Documents and has progressed in quantity to the point indicated in the Application for Payment. Based on this review, the Owner, Project Manager and/or Architect may require modifications to the Pencil Draw. Construction Manager shall revise the Pencil Draw in accordance with any objections or recommendations of the Owner, Architect, or Project Manager that are consistent with the requirements of the Contract Documents. The Construction Manager shall resubmit to the Project Manager and the Architect the corrected Pencil Draw as the formal Application for Payment, which Application shall be due no later than the **last** Day of the month. All formal Applications for Payment shall be notarized. The Construction Manager shall also submit with each Application for Payment such supporting documentation as required in this Section 11.1.3 and a written narrative describing the basis for any item set forth in the Application for Payment that does not conform to instructions of the Owner, Project Manager, or the Architect in connection with any applicable Pencil Draw. Upon receipt of the formal Application for Payment, the Architect and Project Manager shall each certify that, based on the Architect's and Project's Manager's inspections at the Site, the data comprising the Application for Payment, and their knowledge of the Contract Documents, the Work has progressed to the point indicated and that, to the best of the Architect's knowledge, information, belief and Standard of Care, the quantity and quality of the Work is in accordance with the Contract Documents. The Project Manager shall then issue the Certificate for Payment.

§ 11.1.3.2 Provided that the final Application for Payment, including supporting documentation as required in this Article 11 and in Section 9.3 of the A201-2017 (as modified for this Project), as certified by the Project Manager, is received by the Owner not later than the **last** Day of a month, the Owner shall make payment to the Construction Manager of the amount certified by the Project Manager not later than the **thirtieth (30th)** Day of the following month, in accordance with *Tex. Gov't. Code § 2251*. If an Application for Payment is received by the Owner and Project Manager after the application date fixed above, payment of the certified amount shall be made by the Owner not later than **thirty (30)** Days after the Project Manager certifies the amount due and owing in the Certificate for Payment. For purposes of *Tex. Gov't. Code § 2251.021(2)* and *(3)*, the "date of performance/receipt of invoice" is the date the Project Manager signs the formal Application for Payment. No Application for Payment is complete unless it fully reflects all required modifications, attaches all required supporting documentation, and is certified by the Project Manager. Construction Manager shall make payment to Subcontractors in the appropriate amounts not later than the **tenth (10th)** Day after the date Construction Manager receives payment or otherwise in accordance with *Tex. Gov't. Code § 2251.022*.

§ 11.1.4 The Application for Payment shall be made in the AIA G702 and G703 format or other such format required by Owner based on the percentages of completion and the approved Schedule of Values set forth in **Attachment 1** to **Exhibit A**, the Final Guaranteed Maximum Price Amendment**.** Construction Manager shall submit with each Application for Payment any reports, documentation, and evidence required by the Owner or Architect to substantiate the Construction Manager's Application for Payment, including, but not limited to, payrolls, petty cash accounts, receipted invoices, or invoices with check vouchers attached, to demonstrate that cash disbursements already made by the Construction Manager on account of the Cost of the Work equal or exceed (1) progress payments already received by the Construction Manager; less (2) that portion of those payments attributable to the Construction Manager's Fee; plus (3) payrolls for the period covered by the present Application for Payment. Construction Manager shall, in each Application for Payment provide certification that, to the best of its knowledge, information and belief, the Work has been performed in accordance with this Agreement and the Contract Documents.

§ 11.1.5 Each Application for Payment shall be based on the Schedule of Values submitted by the Construction Manager in accordance with the Contract Documents as approved by Owner. The Schedule of Values shall allocate the entire Final Guaranteed Maximum Price among the various portions of the Work, except that the Construction Manager's Fee, Construction Manager's General Conditions Costs, any allowances, and Contingency shall be shown as separate items. With each Application for Payment, the Construction Manager shall also provide copies of all Subcontractors' monthly applications for payment to substantiate the Construction Manager's Application for Payment.

§ 11.1.6 Applications for Payment shall show the percentage of completion of each portion of the Work as of the end of the period covered by the Application for Payment. The percentage of completion shall be the percentage of that portion of the Work that has actually been completed and is supported by documentation required by Owner as set forth in Sections 11.1.4, 11.1.5, and 11.1.6.1. Applications for Payment shall not include requests for payment for portions of the Work for which the Construction Manager does not intend to pay a Subcontractor or material supplier, unless such Work has been performed by others whom the Construction Manager intends to pay.

§ 11.1.6.1 In addition to other items required for payment in Section 9.3 of the A201-2017 (as modified for this Project), and as set forth above, each Application for Payment shall be accompanied by the following documentation, statements and information, as conditions precedent to payment, all in form and substance reasonably satisfactory to the Owner and in compliance with applicable state statutes:

.1 an Excel spreadsheet identifying all Subcontractors (including vendors and material suppliers) together with a brief description of the scope of work for each (i.e., masonry, HVAC, etc.), the subcontract amount for the scope of work and any retainage agreement. Said information shall be required to be furnished with the first Application for Payment. Each Application for Payment thereafter shall identify the Subcontractor, the total contract amount and the amount requested in the particular Application for Payment for each Subcontractor and shall be accompanied by the information required in Section 11.1.4 above. Construction Manager may reference the latter back to the Schedule of Values by line item number or other reference point approved by Owner;

.2 an updated Project Schedule including executive summary and all required schedule reports;

.3 an updated Submittal Log and Change Order log;

.4 a duly executed Unconditional Waiver and Release on Progress Payment from the Construction Manager on the Texas statutory form that waives all liens or claims for payment for the Work covered by the previous Application for Payment paid by Owner and a Conditional Waiver and Release on Progress Payment on the Texas statutory form that waives all liens or claims for payment for the Work by the Application for Payment being submitted, conditioned upon and to the extent of payment received;

.5 a duly executed Unconditional Waiver and Release on Progress Payment from each Subcontractor on the Texas statutory form that waives all liens or claims for payment for the Work covered by the previous Application for Payment paid by Owner and a Conditional Waiver and Release on Progress Payment on the Texas statutory form that waives all liens or claims for payment for the Work by the Application for Payment being submitted, conditioned upon and to the extent of payment received; and

.6 if payments are to be made on account of materials or equipment not incorporated in the Work but delivered and suitably stored on the Site, or at some other location agreed upon in writing, such payments shall be conditioned upon submission to Owner of bills of sale or other commercially reasonably procedures reasonably satisfactory to Owner to establish Owner's title to such materials or equipment or otherwise protect Owner's interest. Any materials stored off-Site must be stored in compliance with Section 9.3.2 of the A201-2017 (as modified for this Project).

§ 11.1.7 Subject to other provisions of the Contract Documents, the amount of each progress payment shall be computed as follows:

§ 11.1.7.1 The amount of each progress payment shall first include:

.1 That portion of the Final Guaranteed Maximum Price properly allocable to completed Work as determined in the Schedule of Values, not to exceed the actual Cost of the Work incurred by Construction Manager for such period. Pending final determination of cost to the Owner of changes in the Work, amounts not in dispute shall be included as provided in Section 7.3.9 of the A201–2017 (as modified for this Project);
